TESTIMONIALS Hi Sam, I bought your House Cleaning ebook last month and already have 7 customers!!!! I absolutely love your book and when I venture off to office cleaning, I am definitely getting the Office Kit too! Lori Hoffmann, Missouri, Hoffmann Cleaning Services ----- I wish to thank you for the always useful information you have provided. We had already had an active "residential" cleaning service operating in Quebec, Canada, when I found you and downloaded 2 of your business products. While we work in metric for the most part, and our languages are different, your information has been MORE than worth every penny. Tim MacKinnion, Canada Maid In Montreal ----- We have been getting residential calls like crazy. Who are we to turn them down? We landed a lawyer and a nurse who both need 2 cleanings a month. Now her next door neighbor wants two cleanings a month! We seriously have to think about taking on a worker because my wife and I both have real jobs. But you know what Sam? The cleaning business is real too! Bottom line is Sam, your book works. Even in a recession! Keep up the good word and keep giving God the glory! Take care now! Jon, Jonjen's Janitorial

The Complete Guide to Eco-Friendly House Cleaning - Anne B. Kocsis 2010

For many years throughout the 20th Century, the conveniences of household cleaning items was such that no one asked where they came from or what they contained. Today, the consciousness of many consumers has started to advance due to ongoing environmental and economic concerns. For that reason, dozens of new products have developed on the market "from Simple Green to Seventh Generation. In addition to these green conscious products though, there are hundreds of ways you can change your house cleaning and maintenance to be eco-friendly, even making your own cleaning materials out of everyday items that have zero environmental impact. This book will guide you through the process of both recognizing and utilizing the most advanced eco-friendly house cleaning technology around, as well as tried and true cleaning methods that have been around for centuries. You will learn all the necessities of green cleaning basics, starting with what your current cleaning products do to the environment, your home, and even your health. You will learn the necessary steps you need to take to transition your kitchen to green products as well as your bathroom, laundry, bedroom, and even the lights you use around your home. Learn how you can start using products that have been around for centuries and have since been forgotten in favor of dangerous chemicals. Learn what you can do to clean up after your pets efficiently and how to keep your children safe from chemicals. Learn which mixtures work, which ones are unsafe, and what resources you can check for additional details

you may need. Dozens of experts on green cleaning have been interviewed for this book, providing everything needed by any individual who wants to start changing how they clean their home for good. The Handmaid's Tale - Margaret Atwood 2011-09-06

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

How to Start, Run and Grow a Successful Residential & Commercial Cleaning Business - Maria Carmen 2016-11-04

How to Start, Run and Grow a Successful Residential & Commercial Cleaning Business Hello, my name is Maria, and I have something important to tell you. I know you've probably heard these types of success stories before and are a little skeptical, but I'm telling you this is true and can really happen for you. Ten years ago, after my divorce, I needed to find a way to support myself. I was one of those individuals that never went to college or had a trade skill, so there weren't a lot of job choices for me. What was I to do? I started looking into entry level jobs that didn't require specialized training or skills. Unfortunately, I wasn't keen on the idea of working at a fast food restaurant for minimum wage with limited potential for advancement or better pay. Then I learned about house cleaning from a friend of mine. She used house cleaning as a way to supplement their family income. However, I realized the potential to grow this into something more. So I started taking on a few residential cleaning jobs, getting my name out there and increasing my client list. I took the time to do some research and found a way to offer some specialized services that got me paid a little extra. Before I knew it, my client list was growing beyond what I could do by myself. So I started hiring employees. Then I realized the importance of branching out and started to take on commercial contracts. Commercial cleaning turned out to be even more beneficial to my income than residential cleaning. Not only was I able to support myself with this work, but I was able to grow and thrive. Today, I have a company of my own with 22 employees. We take on both residential and commercial cleaning contracts. My income has grown to over \$250,000 a year now. I never dreamed a simple job to help pay the bills would grow into this, but it has. It takes a little bit of work, but the benefits are there to be had if you know what to do. I'm here to tell you what you need to do so you can have success just like I did. In this book, I show you: How to start on a budget Should you go with Franchise or independent The basics of residential cleaning business The basics of commercial cleaning business Skill you will need Income potential for residential cleaning Income potential for commercial cleaning Specialized cleaning income potential 12 guided steps to get started with residential cleaning 10 guided steps to get started with commercial cleaning Equipment you will need Safety first consideration 11 steps to choosing the right cleaning products 5 type sod cleaners to use Where to buy your cleaning supplies How to form a legal entity for your new business How to get certified How to set rate structure How to offer competitive pricing How to bid and win job

contracts How to write a commercial job proposal How to get your first client How to market your new business 6 quickest way to get new contracts Top 10 safety concerns How to run and grow your business A day in life inside a cleaning business Important Forms and Formats Included in This Book: A Sample Cleaning service agreement contract Sample LLC Operating agreement A Sample Business Plan Sample Employee Warning Letter Good luck!

Grave New World - Demitria Lunetta 2021-10-26

Enjoy this fun, urban fantasy paranormal mystery series with a slow burn romance! Includes vampires, fae, a hot one-eyed werewolf P.I., and a sassy Jersey-girl ready to clean-up supernatural messes. From the authors of the MYTHVERSE and POWERS OF THE ZODIAC paranormal series. Sometimes you have to play dirty. I'm Paige Harper and I clean up supernatural messes. But my personal life is something I can't seem to straighten out. I accidentally married a fae, and even though we've been divorced for years, Jax still manages to land me in hot water. Like, putting my house on the table at a high stakes poker game type of hot. Now, he's been arrested for murder and the cops want to pin a series of vampire killings on him. I don't know if he did it or not. But I do know he needs to be at that poker game or else my house is gone. In order to get Jax out, I turn to Nico, a one-eyed werewolf private detective, for help. Nico is a handsome, dangerous, ladies man and I have no intention of falling prey to his charms. Although, that's easier said than done as the two of us begin crawling through the dirty underbelly of the supernatural world... It's a good thing I brought my broom. *Grave New World* is book one in *Down & Dirty Supernatural Cleaning Services*, an all new paranormal mystery series filled with laughs and romance! The 6 Figure Cleaning Business Master Class - Victoria Amador

2017-11-09

Who is this material designed for? This manual includes all my knowledge on how to start and grow a million-dollar cleaning company in a short amount of time. This is not a for lazy people looking to make a quick buck. This is for serious cleaning business owner ready to grow their companies to millions of dollars. Here I include all the information I provide on my video course found at www.tremendouslife.com called The 6 Figure Cleaning Business Master Class which is a video class explaining in detail all the content you'll see in the screenshots throughout this manual. I have also included all the content from my previous ebook where I discuss all the lessons I have learned throughout the years. Disclaimer: I am not a writer so you'll probably notice lots of grammatical errors and sentence composition issues so this book is not for those looking to read a book for pleasure - THIS is a manual and lots of material that are not meant to flow like a book...this is FOR THOSE READY TO TAKE ACTION AND APPLY WHAT WE DISCUSS HERE TO EARN MONEY strategically and consistently. What's included: * Over 70% of all the materials provided in the cleaning business master class available on tremendouslife.com, * How to start a cleaning business* Cleaning proposal / quote sample* Websites mistakes and lessons learned* Getting your first customers* Direct marketing can be a waste of time* Operational procedures* Advice to hire your first employees* SWOT analysis* How to calculate pricing for your accounts* How to fire employees and clients* Marketing tips to earn over 6 figures* Process mapping to improve your cleaning business* Google listing tips* Customer service templates from asking for feedback to asking for payment for services rendered* Email marketing samples* How to ask for payments consistently with our templates* Telephone questionnaire * Screenshots of excel files from the class (if you want the actual excel file with forecasting and HR tools the only way is to purchase the video class)* And much more! Visit tremendouslife.com to get an idea on what the actual course is all about or just read this book -either way you'll be ahead of most 99% of all others thinking or already owning a cleaning business. I have friends that have been in the cleaning business for 10 years and still have not achieve revenues over a half million...reasons are many but the number one reason I've noticed is that they have not systems in place. You can run a successful company without proper systems and yes you do need a system for everything even for ordering supplies, answering the phone, responding to emails, your sales and marketing, training and human resources system to even how you dress (uniforms), speak to your clients and much more!

The Lost Art of - Jan M. Dougherty 2011-03

I have sold thousands of copies of this book around the world, on Amazon, since first published in February 2011. I have changed publishers which requires a new listing without any history. If you can locate my old listing on Amazon you can read the reviews, which has a 4.5 star rating. I have owned a residential cleaning company since 2004 and this book actually started life as my employees' handbook. Since this book was first published not much has changed. Dirt is still dirty and whether or not you want to clean your home, it still has to be cleaned. Most people hate to clean simply because they don't know how to do it, they were never taught. Were you actually taught how to clean? Probably not, but that's not your fault. Do you want to learn how to do it, like a professional, using minimal products and saving a bucket of money on cleaning supplies? If you do, then buy my book. First, I will send you to the store with a short shopping list; I will explain why I use each product and then how to use each product or tool, which by the way isn't much. I will then explain the logic behind my method of cleaning, called The PATH and then I will literally walk you through cleaning the different rooms in your house. The beauty of The PATH is that you can start and stop a cleaning job in any room and not loose your place. Just pick up where you left off and continue until the room is clean. So go answer the phone or change the baby. I only use 3 readily available products in both my business and in my house to clean everything. No more need for window, floor, counter, toilet, sink, tub, shower and mirror cleaners. No more polishes, waxes or air fresheners. Just think about how much you spend a year on cleaning products? Go ahead, I'll wait while you look under your sinks and calculate that. More than \$20.00 per year? If you are spending more than that you need my book. Everyone that embraces my methodology has a cleaner home, extra money to spend on the important things and the time to enjoy them. I have a website; The Lost

Art of House Cleaning.com where I have uploaded a number of videos demonstrating my methodology and posted numerous articles on cleaning particular things. I have read all the reviews posted about my book on Amazon and I found the vast majority to be very complimentary. I have also found that some of the harshest critics still recognized that my methodology works. In addition to the Amazon reviews I have personally received comments and compliments directly from the people that have bought my book. And I know that what I say in my book has helped thousands realize that cleaning their home is not all it's cracked to be if you know what you are doing. So buy my book, read it the first time for entertainment then read it a second time for inspiration and then, Enjoy the Clean! Thanks, Jan M Dougherty

Maid - Stephanie Land 2019-01-22

NEW YORK TIMES BESTSELLER AND INSPIRATION FOR THE NETFLIX LIMITED SERIES, HAILED BY ROLLING STONE AS "A GREAT ONE." "A single mother's personal, unflinching look at America's class divide, a description of the tightrope many families walk just to get by, and a reminder of the dignity of all work." -PRESIDENT BARACK OBAMA, Obama's Summer Reading List At 28, Stephanie Land's dreams of attending a university and becoming a writer quickly dissolved when a summer fling turned into an unplanned pregnancy. Before long, she found herself a single mother, scraping by as a housekeeper to make ends meet. *Maid* is an emotionally raw, masterful account of Stephanie's years spent in service to upper middle class America as a "nameless ghost" who quietly shared in her clients' triumphs, tragedies, and deepest secrets. Driven to carve out a better life for her family, she cleaned by day and took online classes by night, writing relentlessly as she worked toward earning a college degree. She wrote of the true stories that weren't being told: of living on food stamps and WIC coupons, of government programs that barely provided housing, of aloof government employees who shamed her for receiving what little assistance she did. Above all else, she wrote about pursuing the myth of the American Dream from the poverty line, all the while slashing through deep-rooted stigmas of the working poor. *Maid* is Stephanie's story, but it's not hers alone. It is an inspiring testament to the courage, determination, and ultimate strength of the human spirit.

12 Rules for Life - Jordan B. Peterson 2018-01-23

#1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

How to Start Your Own House Cleaning Company - Angela Brown

2016-03-09

Start a house cleaning business with this step-by-step guide and be up and running in one week. Back in the olden days before the internet was really popular and you could Google search anything, there was trial and error. If you wanted to start a house cleaning business from scratch you could, but it was rarely an overnight success for anybody. Big success was tossed to the cleaning service franchisees who could afford the fancy training, and well-built brands, while the mom and pop cleaning services were left to figure it out on their own. Good news - times have changed. As an independent house cleaner, you no longer have to wade through endless Pinterest boards for tips and ideas on how to start a house cleaning business. Angela Brown built from scratch one of the most successful independently owned and operated house cleaning companies in the Southeastern United States. If you are serious about success in the cleaning service industry, you should sign up for her free tips, tricks and time saving hacks by joining the Savvy Cleaner email list at: savvycleaner.com/tips and you follow her blog at:

AskHouseCleaner.com She has trained a multitude of independent house cleaners how to take their business from day one through expansion and enormous growth. In this step-by-step guide she'll show you: How to set up your home office What office supplies you are going to need Ideas for your company logo How to choose your company name How to choose a uniform Tips on creating your company image and brand How to set your rules and policies How to choose a territory Everything you need to know about creating flyers, worksheets and why you need them. How to bid jobs, what to charge, What kind of car you need, Confidence builders & how to build instant credentials, Bonding, insurance The magic of the Mulligan, How to get an endless stream of referrals, how much you should pay for referral fees, How to never have any billing and collections, and how to always get paid and on time. (There is a reason they call Angela Brown "The House Cleaning Guru.") If you're here because you have an interest in house cleaning or in upgrading your life and you want to start a house cleaning business, welcome. House cleaning business is a 49 billion dollar a year industry that is nearly recession proof - when times get hard, people work more hours to pay the bills, they have less time at home to clean, so they outsource their cleaning - which means more business for you and me. Another awesome reason to start a house cleaning business is this: unlike a regular 9 to 5 job if you get fired, you're not out of work. You simply add another customer into your new available time slot and keep going. And you will learn here how to do such an amazing job, that you will never get fired, and your clients will never want you to leave. Franchise or Start a house cleaning business? How To Start A Cleaning Business - Elizabeth Branch 2012-04-01

There is a difference between desire and decision. After a bad day at work, or when a particularly big bill you hadn't expected arrives, every working person wants to have more money, wants to be his or her own boss. But really: that feeling is temporary. It's a reaction to current circumstances, and - for whatever reason - it will fade fairly quickly. That is the first lesson to learn in starting your own business: not everyone was meant to have one. Sometimes, of course, that desire persist. It will become solid and strong - something that doesn't fade in hours or days. And it's that driven desire that can lead you to make a decision - one that will change your life. And that's why you're holding this book in your hands, or reading it on your screen: because that fleeting dream just won't go away ... and you think you may really want to start a cleaning business of your own. This book will help you make an intelligent decision.

The Do's and Don'ts of Contract Cleaning from One Who Did and Didn't - Richard D. Ollek CBSE 2011-05-05

Whether you are thinking about entering the contract cleaning business, have a young company that may be struggling to get to the next level, or have a mature organization that may need to look at things in a different light, this book is for you. From naming your company to selling your company, this book covers all the bases. Dick takes you through the mistakes he made when starting his company, to the stumbling he did along the way, and how he got up and kept going. Some of his real life stories will amuse while others will make you sit back and take note of how you can make a correction in your company that can save or earn lots of dollars for you. Dick includes ways to approach a banker, attorney, accountant, insurance agent as well as the supplier of your cleaning products and equipment. Doing these things right will put money on your bottom line, doing them wrong may put you out of business in a hurry. Not to be forgotten, he also includes a chapter on preparing your company for sale. Dick sold his company and can provide helpful suggestions on what you need to do and not do to be ready to sell. Dick interjects humor along the way to emphasize some of his mistakes and what he learned from them. You will particularly want to read chapter 18 where he talks about his favorite sayings and how they affected him. In that same chapter he also talks about actual calls he took from employees calling in to report they would not be at work and how he handled the calls. Last but not least, he provides you his thoughts on how to focus on becoming a leader as well as what he envisions the characteristics of real success are. This book is designed as a working tool. It is written in conversational style and will provide you a true encyclopedia for being in the contract cleaning business. Enjoy and learn. **Start and Run a Successful Cleaning Business** - Robert Gordon 2008 Offers information and advice on starting and running a cleaning business, covering staffing, selecting services, creating a brand, client relations, organizing accounts, safety, laws, regulations, sales, marketing, finances, and other related topics.
