Entrepreneurship Development - Dr. J.D. Wadate I Er. Rahul Wadichar I Dr. Mukul Burghate

Entrepreneurship is a discipline with a knowledge base theory. It is an outcome of complex socio-economic, psychological, technological, legal and other factors. It is a dynamic and risky process. It involves a fusion of capital, technology and human talent. Entrepreneurship is equally applicable to big and small businesses, to economic and non-economic activities. Entrepreneurship lies more in the ability to minimize the use of resources and put them to maximum advantage. Without any awareness of quality and desire for excellence, consumer acceptance cannot be achieved and sustained. Above all, entrepreneurship today is the product of teamwork and the ability to create, build and work as a team. The entrepreneur is the maestro of the business orchestra, wielding his baton to which the band is played. It is in this context, a study Material on introduction to the subject 'Entrepreneurship Development' is presented to the students of Professional Post-Graduate MBA degree. The book contains the syllabus from basics of the subjects going into the intricacies of the subjects. All the concepts have been explained with relevant examples and diagrams to make it interesting for the readers. An attempt is made here by the authors to assist the students by way of providing Study Material as per the curriculum with non-commercial considerations. However, it is implicit that these are exam-oriented Study Material and students are advised to attend regular class room classes in the Institute and utilize reference books available in the library for In-depth knowledge. We owe to many websites and their free contents; we would like to specially acknowledge contents of website www.wikipedia.com and various authors whose writings formed the basis for this book. We acknowledge our thanks to them. At the end we would like to say that there is always a room for improvement in whatever we do. We would appreciate any suggestions regarding this study material from the readers so that the contents can be made more interesting and meaningful. Readers can email their queries and doubts to our authors on tmcnagpur@gmail.com. We shall be glad to help you immediately. Sr. J.D .Wadate I Er. Rahul K. Wadichar I Dr. Mukul Burghate Authors

HUMAN RIGHTS LAW AND PRACTICE, SECOND EDITION - DAS, JATINDRA KUMAR 2022-03-24

The book, written with a rich teaching and research experience of the author, emphasises the critical evaluation of contemporary human rights law and practice with special reference to India. It evaluates the ongoing discourse on various issues relating to life, liberty, equality, and human dignity and their reflections in international human rights law referring to the state practices through constitutional guarantees, judicial decisions as well as through enacting appropriate legislations. This lucid and comprehensive book is logically organised into nine chapters. Beginning with the theoretical foundations of human rights law referring to origin, development, and theories of human rights at the preliminary level, the book proceeds to "International Bill of Human Rights" demonstrating various facets of civil and political rights as well as economic, social and cultural rights. It further discusses the importance of human rights law in protection against inhuman wrongs and examines a large number of debates concerning human rights to the development and protection of the environment. Then, it moves on to explore various issues relating to human rights in Indian Constitutional Law. The second half of the book emphasises the protection of the rights of women and children, which has been the focal point of all human rights discussions. It also deals with the scope and ambit of the rights of indigenous peoples and minorities including their protection. At the end, the book examines the utility and justifications of human rights law in protecting the rights of people with disabilities (divyang). **NEW TO THIS EDITION** • Law on HIV/AIDS Management • Covid-19 Management law • Legislative aspect of protection of the environment • Recent law on triple talaq • Decriminalisation of adultery • Right of Hindu women to offer worship in Sabrimala temple • Right to access to justice, judicial review, legal aid, and speedy trial • Surrogacy and reproductive right • Law on POSCO • Hard law and soft law, and Recent law on divyang Though the book is primarily designed for LL.B., B.A.LL.B., LL.M., and courses on human rights, it will be equally beneficial for the researchers, academicians, jurists, lawyers, judges as well as members of civil societies. **TARGET AUDIENCE** LL.B., B.A.LL.B., LL.M., and courses on human rights.

The Challenges of Culture-based Learning - Samuel Yim 2009-06-16

This book investigates the impact of culture-based learning among secondary school children in India. The bias of cultural values can determine a student's learning preference. This study reflects that students have the potential to adapt and develop their learning styles according to society, family, religion, and cultural demands. While traditional values are against certain types of students, there is still hope for strategic change by stimulating educators to transform the way students should be allowed to learn.

Journey of a Geologist in TATA Steel - 2013-09-15

Arvind Prasad was inspired by Jamshedpur and the steel company in 1957, when he came from Hazaribagh. Luck finally brought him to the steel city and he got education in R.D. Tata Higher Secondary School, Jamshedpur. He studied Geology in Tata College, Chaibasa, courtesy Prof. P.S. Gupta and Nandu Babu which was another windfall. He received his Post Graduate degree in Geology obtaining gold medal from Ranchi University in 1972. He served Tata Steel in the Geological Department for 27 years and his long cherished desire was fulfilled. In this long journey, he was helped by many. Life is like a roller-coaster, like an ocean, which has crests and troughs. He was no exception. He worked in Joda, West Bokaro, Jamadoba and Noamundi in the wing of exploration, quality control and beneficiation. In this book, he describes his arduous journey—a mixture of failures and success. Under his supervision, many difficult boreholes were conducted in Jharia Group both from surface and underground. The databank of resources was refreshed. He contributed in the construction of three washeries at West Bokaro and Bhelatand respectively; which are lifeline of Tata Steel today. He interacted closely with doyens of Tata Steel like Dr. Jamshed J. Irani, Mr. Russi Mody, Y.P. Dhawan, which has been narrated in vivid details. He had brief meeting with Mr. J.R.D. Tata and Mr. Ratan Tata also. He is thankful to his mentors Mr C.D. Singh, Principal, R.D. Tata Higher Secondary School, Harihar Singh, Teacher, and Mr. R.S. Subramanian, Superintendent of the Geological Department, who guided him in the ladder of success and in framing the policy of his life. The book is written in memory of his close associate Pesi Tarapore, who left for heavenly abode little early. He also thanked other friends through this book, who shared the experience with him.
