learning skills with content you can use for further study and research

Lord of the Flies - William Golding 2003-12-16 Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Of Mice and Men - John Steinbeck 1937

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

WJEC GCSE Biology - Adrian Schmit 2016-08-15

To Kill a Mockingbird - Harper Lee 2014-07-08

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Wjec as Human Biology - Gareth Rowlands 2013

WJEC Biology for AS Level - Marianne Izen 2015-06-23

Created especially for the new WJEC AS Level Biology specification being taught in Wales from September 2015 and written by an experienced teacher and examiner, this student book has been officially endorsed by WJEC. Designed to be motivating and student-friendly, this book will support you through every step of your course and help you thoroughly prepare for your exams. Changes to content within topics and levels of

required knowledge for the new spec are clearly defined. / Thorough support for the assessment objectives is provided with clear explanations of the new assessment weightings. / 'Going further' and 'Study points' provide support and challenge for higher and lower ability students. / Exam support sections introduce students to exam-style practice questions, new assessment objectives and guide students on the skills they need for assessment. / Practical requirements for the exam are highlighted on a topic by topic basis, as well as extra support in a dedicated practical section within the book.

WJEC AS Biology - Gareth Rowlands 2012

Endorsed by WJEC this is the first textbook available for WJEC AS Level Biology. Written by leading author and senior examiner Gareth Rowlands, this student book reflects the experience of teaching and examining this course since its introduction in 2008.

WJEC and Eduqas A Level Biology - Marianne

Izen 2017-04-07

Endorsed by WJEC/Eduqas, this is an essential study companion for A Level Biology students preparing for their practical assessments and tasks. / Covers the 12 practical techniques required for assessment along with a description of the specified practical tasks. / Examples of interesting practical tasks throughout reinforce and illustrate the key practical skills. / Includes a clear description and explanation of the five criteria for practical assessment (CPACs) and how to achieve them. / Outlines how students should write up their experiments to enhance their skills of analysis and evaluation and to develop a logical approach to reporting practical tasks. / Practical tips and Grade boost tips provide advice on completing tasks and assessments and how to enhance performance in the practical assessments and exams. / Differences reflecting progression from AS to A2 are clearly explained where applicable.
