(Viewpoint Level 1 Workbook A contains material for Units 1 to 6 and is available separately.)

**Atomic Habits** - James Clear 2018-10-16

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**Wider World American Edition 3 Student Book and Workbook with PEP Pack** - Carolyn Barraclough 2019-11-13

The Students' Book contains: 8 units with 70-100 hours of teaching material plus a Welcome Unit Clear lesson objectives ("I can ...") taken from the Global Scale of English (GSE) Thorough vocabulary learning program with motivating presentations and helpful wordlists Two types of grammar modeling, a photo story for contextualization followed by a comic strip in the Get Grammar section, acknowledge the needs of younger students with the starter level Reading comprehension work presents texts in different genres and develops strategies Writing tasks follow a process approach, in which students brainstorm ideas, write a draft, and share it with a peer before creating a final version of their text. 4 BBC Culture lessons (Starter) and 8 (levels 1-4) with BBC videos and projects CLIL lesson in every unit Language review at the end of every unit and Skills Review for every two units Workbook units with additional grammar, vocabulary, and skills practice to reinforce Students' Book content Access code to the Pearson English Portal and online practice on Pearson Practice English app

Cambridge Primary English As a Second Language Workbook Stage 3 - Jennifer Martin 2017-05-29

Written with a range of international contexts in mind, this highly flexible, 6-level course provides coverage of the Cambridge Primary English as a Second Language syllabus. Consisting of an appealing, magazine

style Student Book, extensive Workbook and supportive Teacher's Guide, the course offers progression within and across levels. The Workbooks link closely to the Student Books, providing additional activities related to the key topics presented in the Students Books. Learners are able to practise the four skills - Reading, Writing, Speaking and Listening - and build their confidence and understanding of the key vocabulary and language structures covered in the syllabus. 'Thinking Deeper' tasks and projects challenge learners to stretch themselves by spending longer thinking about a topic and investigating it further. The workbooks should be used together with the Student Books, to provide full syllabus coverage and give learners the opportunity to reinforce and consolidate their learning, while developing fluency and accuracy. Provides support as part of a set of resources for the Cambridge Primary curriculum framework from 2011. This title is endorsed by Cambridge Assessment International Education.

**American English File 3E Level 3 Workbook** - Christina Latham-Koenig 2020-12-17

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.
