13 Little Blue Envelopes - Maureen Johnson 2009-10-06

New York Times bestselling author Maureen Johnson's funny, heartbreaking, and utterly romantic tale gets a great new cover! Ginny Blackstone never thought she'd spend her summer vacation backpacking across Europe. But that was before she received the first little blue envelope from Aunt Peg. This letter was different from Peg's usual letters for two reasons: 1. Peg had been dead for three months. 2. The letter included \$1000 cash for a passport and a plane ticket. Armed with instructions for how to retrieve twelve other letters Peg wrote—twelve letters that tell Ginny where she needs to go and what she needs to do when she gets there—Ginny quickly finds herself swept away in her first real adventure. Traveling from London to Edinburgh to Amsterdam and beyond, Ginny begins to uncover stories from her aunt's past and discover who Peg really was. But the most surprising thing Ginny learns isn't about Peg . . . it's about herself. Everything about Ginny will change this summer, and it's all because of the 13 little blue envelopes. Look for the sequel, *The Last Little Blue Envelope!*

I Have Lost My Way - Gayle Forman 2018-03-27

The New York Times bestseller from the author of *If I Stay* "Heartwrenching...If you are ready to be emotionally wrecked yet again, you are in luck." - Hypable A fateful accident draws three strangers

together over the course of a single day: Freya who has lost her voice while recording her debut album. Harun who is making plans to run away from everyone he has ever loved. Nathaniel who has just arrived in New York City with a backpack, a desperate plan, and nothing left to lose. As the day progresses, their secrets start to unravel and they begin to understand that the way out of their own loss might just lie in helping the others out of theirs. An emotionally cathartic story of losing love, finding love, and discovering the person you are meant to be, *I Have Lost My Way* is bestselling author Gayle Forman at her finest. "A beautifully written love song to every young person who has ever moved through fear and found themselves on the other side." - Jacqueline Woodson, bestselling author of *Brown Girl Dreaming*

Just One Night - Gayle Forman 2014-05-29

After spending one life-changing day in Paris with laid-back Dutch actor Willem De Ruiter, sheltered American good girl Allyson "Lulu" Healey discovered her new lover had disappeared without a trace. *Just One Day* followed Allyson's quest to reunite with Willem; *Just One Year* chronicled the pair's year apart from Willem's perspective. Now, back together at last, this delectable e-novella reveals the couple's final chapter.

Sisters in Sanity - Gayle Forman 2007-09

Forced to attend a "boot camp" for teen girls because of their rebellious

ways, a group of misunderstood girls lean on one another for support as they make their plans to escape from the land of the ridiculous.

Just One Year - Gayle Forman 2014-09-30

The compelling companion title to the much-lauded *Just One Day* follows Willem's transformative journey toward self-discovery and true love, by the author of *If I Stay*. Picking up where *Just One Day* ended, *Just One Year* tells Willem's side of the story. After spending an amazing day and night with Allyson in Paris that ends in separation, Willem and Allyson are both searching for one another. His story of their year of quiet longing and near misses is a perfect counterpoint to Allyson's own as Willem undergoes a transformative journey, questioning his path, finding love, and ultimately, redefining himself. * "The complexity of Willem's character, the twisting plot, and far-flung settings (including the Netherlands, Mexico, and India) create an alluring story that pushes beyond the realm of star-crossed romance."— Publishers Weekly starred review "As much a travelogue as it is a romance, this novel will appeal to fans of the movie *Before Sunrise* or Maureen Johnson's *13 Little Blue Envelopes* (HarperCollins, 2005)."—School Library Journal "As [Willem] becomes engaged personally and professionally, readers will find their interest quickening, right up to the satisfying denouement."—Kirkus Reviews

Two Moon Princess - Carmen Ferreiro-Esteban Ferreiro-Esteban 2011-12-01

To Andrea, the life of a princess is not a dream; it's tedious and stifling. But the certainties of her life, both good and bad, are thrown into chaos when she accidentally travels to an alternative world, from a cave on a forbidden beach in her family's kingdom to the warm and carefree life of Southern California. Then a careless visit to the cave results in terrible consequences: a brewing war between kingdoms, her sister's love for the wrong man, Andrea's own conflicted feelings for an enemy leader, and dark family secrets exposed. Andrea needs to act to resolve problems which she helped to create, and she faces many difficult choices, torn between duty and desire on so many levels. Readers will enjoy the mix of traditional elements of the fantasy genre, with fresh ideas and a look at

our culture through the eyes of a stranger.

Monstrous Affections - Kelly Link 2014-09-09

Fifteen top voices in speculative fiction explore the intersection of fear and love in a haunting, at times hilarious, darkly imaginative volume. Predatory kraken that sing with — and for — their kin; band members and betrayed friends who happen to be demonic; harpies as likely to attract as repel. Welcome to a world where humans live side by side with monsters, from vampires both nostalgic and bumbling to an eight-legged alien who makes tea. Here you'll find mercurial forms that burrow into warm fat, spectral boy toys, a Maori force of nature, a landform that claims lives, and an architect of hell on earth. Through these and a few monsters that defy categorization, some of today's top young-adult authors explore ambition and sacrifice, loneliness and rage, love requited and avenged, and the boundless potential for connection, even across extreme borders. With monstrous stories by M. T. Anderson Paolo Bacigalupi Nathan Ballingrud Holly Black Sarah Rees Brennan Cassandra Clare Nalo Hopkinson Dylan Horrocks Nik Houser Alice Sola Kim Kathleen Jennings Joshua Lewis Kelly Link Patrick Ness G. Carl Purcell

Where She Went - Gayle Forman 2011-04-05

It's been three years since the devastating accident . . . three years since Mia walked out of Adam's life forever. Now living on opposite coasts, Mia is Juilliard's rising star and Adam is LA tabloid fodder, thanks to his new rock star status and celebrity girlfriend. When Adam gets stuck in New York by himself, chance brings the couple together again, for one last night. As they explore the city that has become Mia's home, Adam and Mia revisit the past and open their hearts to the future—and each other. Told from Adam's point of view in the spare, lyrical prose that defined *If I Stay*, *Where She Went* explores the devastation of grief, the promise of new hope, and the flame of rekindled romance. A Special Place for Women - Laura Hankin 2021-05-11

As seen on Good Morning America and The Late Show with Stephen Colbert "One of the smartest, sharpest, and funniest books I've read in years... Some books are meant to be devoured—this one does the devouring."—Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* One of Summer 2021's Most Anticipated Novels Good Morning America, Cosmopolitan, Good Housekeeping, Real Simple, theSkimm, E! Online, Oprah Daily, The New York Post, Woman's Day, Parade, Bustle, Yahoo!, The Stripe, Popsugar, Medium, Lithub, Book Riot, The Nerd Daily, and more! It's a club like no other. Only the most important women receive an invitation. But one daring young reporter is about to infiltrate this female-run secret society, whose bewitching members are caught up in a dark and treacherous business. From the author of *Happy and You Know It*. For years, rumors have swirled about an exclusive, women-only social club where the elite tastemakers of NYC meet. People in the know whisper all sorts of claims: Membership dues cost \$1,000 a month. Last time Rihanna was in town, she stopped by and

got her aura read. The women even handpicked the city's first female mayor. But no one knows for sure. That is, until journalist Jillian Beckley decides she's going to break into the club. With her career in freefall, Jillian needs a juicy scoop, and she has a personal interest in bringing these women down. But the deeper she gets into this new world—where billionaire "girlbosses" mingle with occult-obsessed Bohemians—the more Jillian learns that bad things happen to those who dare to question the club's motives or giggle at its outlandish rituals. The select group of women who populate the club may be far more powerful than she ever imagined. And far more dangerous too.

When You Were Here - Daisy Whitney 2013-06-04

Filled with humor, raw emotion, a strong voice, and a brilliant dog named Sandy Koufax, *When You Were Here* explores the two most powerful forces known to man—death and love. Daisy Whitney brings her characters to life with a deft touch and resonating authenticity. Danny's mother lost her five-year battle with cancer three weeks before his graduation—the one day that she was hanging on to see. Now Danny is left alone, with only his memories, his dog, and his heart-breaking ex-girlfriend for company. He doesn't know how to figure out what to do with her estate, what to say for his Valedictorian speech, let alone how to live or be happy anymore. When he gets a letter from his mom's property manager in Tokyo, where she had been going for treatment, it shows a side of a side of his mother he never knew. So, with no other sense of direction, Danny travels to Tokyo to connect with his mother's memory and make sense of her final months, which seemed filled with more joy than Danny ever knew. There, among the cherry blossoms, temples, and crowds, and with the help of an almost-but-definitely-not Harajuku girl, he begins to see how it may not have been ancient magic or mystical treatment that kept his mother going. Perhaps, the secret of how to live lies in how she died.

Banneker Bones and the Giant Robot Bees - Robert Kent 2014-09-18

Publication Date: October 31, 2014 - Age Level: 9 - 12 - Grade Level: 4 - UP "Let me say at once that I think this is a most original and amusing piece of work. A reader is arrested at the outset by a paradoxical

witticism and he goes on being arrested as the story gets into its stride. Ellicott Skullworth and Baneker Bones appear as characters about whom the reader wants to learn more, and soon he begins to be in no doubt about this." --Richard Adams, author of *WATERSHIP DOWN* Fifth grader Ellicott Skullworth has always felt out of place at public school and now he's tested into the Archimedes Program at Latimer University. While in Latimer City, he'll be living with his world famous and insane(ly) brilliant cousin, Baneker Bones, the eleven-year-old inventor of robots. The only problem: Baneker doesn't want to share his room. And he's got an army of robots to make Ellicott miserable until he goes home. When the boys are ambushed by robot bees as big as cars, Ellicott's only friend is carried off and held for ransom. To rescue him, Ellicott has no choice but to partner with his maniacal cousin. Ellicott doesn't know what's worse: facing a hive of giant robot bees or spending more time with Baneker Bones. *BANNEKER BONES AND THE GIANT ROBOT BEES* features original illustrations by Adam Smith. It's a humorous, science fiction adventure for readers of all ages written in the spirit of a comic book. Ellicott Skullworth turned back to Baneker Bones. "Well, anyway, thanks for letting me stay here." "Not my idea," Baneker said. "You have my mother to thank for that. But she's been wrong before. She adopted a stray puppy once and put it in my room to," he made a face to show his disgust, "keep me company. The puppy survived two days." Baneker looked Ellicott up and down as though he were appraising something for purchase and deciding against it. "And now she's adopted another stray, hasn't she? We'll just see how long you survive."

If I Stay Collection - Gayle Forman 2014-07

Recounts the story of Mia, a gifted cellist, as she struggles with survivor guilt after a car accident that kills her parents and younger brother.

We Are Inevitable - Gayle Forman 2022-06-07

"No one writes about love like Gayle Forman. Lose yourself in her passionate mash note to rock music, indie bookstores and best of all, the miracles that can happen when you take chances on other people." — E. LOCKHART, #1 New York Times bestselling author of *We Were Liars* and *Again Again* A poignant and uplifting novel about the power of

community, from the #1 New York Times bestselling author of *If I Stay*. Aaron Stein used to think books were miracles. But not anymore. Even though he spends his days working in his family's secondhand bookstore, the only book Aaron can bear to read is one about the demise of the dinosaurs. It's a predicament he understands all too well, now that his brother and mom are gone and his friends have deserted him, leaving Aaron and his shambolic father alone in a moldering bookstore in a crusty mountain town where no one seems to read anymore. So when Aaron sees the opportunity to sell the store, he jumps at it, thinking this is the only way out. But he doesn't account for Chad, a "best life" bro with a wheelchair and way too much optimism, or the town's out-of-work lumberjacks taking on the failing shop as their pet project. And he certainly doesn't anticipate meeting Hannah, a beautiful, brave musician who might possibly be the kind of inevitable he's been waiting for. All of them will help Aaron to come to terms with what he's lost, what he's found, who he is, and who he wants to be, and show him that destruction doesn't inevitably lead to extinction; sometimes it leads to the creation of something entirely new.

All Together Now - Robert Kent 2013-09-29

"Fifteen-year-old Ricky Genero is writing a journal of the zombie apocalypse. His high school has burned to the ground ... and his best friend died saving his six-year-old brother Chuck from a zombie horde. When Chuck is bitten and infected with the zombie virus, Rick must travel among the walking dead in search of a cure"--Title page verso.

Penguin Minis: If I Stay - Gayle Forman 2019-10-22

Gayle Forman's breakout bestseller, *If I Stay*, available for the first time in a revolutionary new mini format, perfect for on-the-go reading! This international bestseller is now available as a Penguin Mini. Complete and unabridged, the book's revolutionary landscape design and ultra-thin paper make it easy to hold in one hand without sacrificing readability. Perfectly sized to slip into a pocket or bag, Penguin Minis are ideal for reading on the go. Everything can change in an instant. For Mia, the day

started like any other, surrounded by a loving family, an adoring boyfriend, and a bright future filled with music and infinite possibilities. What she never expected is the choice before her now. Caught between life and death, between a happy past and an uncertain future, Mia has to contemplate everything she holds dear and make a choice: to go or to stay. Heartwrenchingly raw and heartbreakingly romantic, Gayle Forman's international bestseller asks the ultimate question: What would you do if you had to choose?

Just One Day - Gayle Forman 2013-08-20

From the New York Times bestselling author of *If I Stay* Allyson Healey's life is exactly like her suitcase—packed, planned, ordered. Then on the last day of her three-week post-graduation European tour, she meets Willem. A free-spirited, roving actor, Willem is everything she's not, and when he invites her to abandon her plans and come to Paris with him, Allyson says yes. This uncharacteristic decision leads to a day of risk and romance, liberation and intimacy: 24 hours that will transform Allyson's life. A book about love, heartbreak, travel, identity, and the "accidents" of fate, *Just One Day* shows us how sometimes in order to get found, you first have to get lost. . . and how often the people we are seeking are much closer than we know. The first in a sweepingly romantic duet of novels. Willem's story—*Just One Year*—is coming soon!

If I Stay - Gayle Forman 2009-04-02

In a single moment, everything changes. Seventeen year-old Mia has no memory of the accident; she can only recall riding along the snow-wet Oregon road with her family. Then, in a blink, she finds herself watching as her own damaged body is taken from the wreck... A sophisticated, layered, and heartachingly beautiful story about the power of family and friends, the choices we all make—and the ultimate choice Mia commands.

Housebreaking - Colleen Hubbard 2022-04-19

Following a long-standing feud and looking to settle the score, a woman decides to dismantle her home—alone and by hand—and move it across a frozen pond during a harsh New England winter in this mesmerizing debut. Home is certainly not where Del's heart is. After a local scandal

led to her parents' divorce and the rest of her family turned their backs on her, Del left her small town and cut off contact. Now, with both of her parents gone, a chance has arrived for Del to retaliate. Her uncle wants the one thing Del inherited: the family home. Instead of handing the place over, and with no other resources at her disposal, Del decides she will tear the place apart herself—piece by piece. But Del will soon discover, the task stirs up more than just old memories as relatives—each in their own state of unraveling—come knocking on her door. This spare, strange, magical book is a story not only about the powerlessness and hurt that run through a family but also about the moments when brokenness can offer us the rare chance to start again.

Frankie & Bug - Gayle Forman 2021-10-12

In the debut middle grade novel from #1 New York Times bestselling author Gayle Forman comes a poignant and powerful coming-of-age story that follows a young girl and her new friend as they learn about family, friendship, allyship, and finding your way in a complicated world. It's the summer of 1987, and all ten-year-old Bug wants to do is go to the beach with her older brother and hang out with the locals on the boardwalk. But Danny wants to be with his own friends, and Bug's mom is too busy, so Bug is stuck with their neighbor Philip's nephew, Frankie. Bug's not too excited about hanging out with a kid she's never met, but they soon find some common ground. And as the summer unfolds, they find themselves learning some important lessons about each other, and the world. Like what it means to be your true self and how to be a good ally for others. That family can be the people you're related to, but also the people you choose to have around you. And that even though life isn't always fair, we can all do our part to make it more just.

Hyperfocus - Chris Bailey 2018-08-28

A practical guide to managing your attention--the most powerful resource you have to get stuff done, become more creative, and live a meaningful life Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. Hyperfocus provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode

(scatterfocus), which enables us to connect ideas in novel ways.

Hyperfocus helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as: • identifying and dealing with the four key types of distraction and interruption; • establishing a clear physical and mental environment in which to work; • controlling motivation and working fewer hours to become more productive; • taking time-outs with intention; • multitasking strategically; and • learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, Hyperfocus reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.

Leave Me - Gayle Forman 2016-09-08

It's every woman's fantasy: to pack a bag and leave everything behind. Meet Maribeth Klein, a harried working mother who is so busy taking care of her husband and twins that she doesn't even realise that she has had a heart attack. But her recuperation seems to be an imposition on those who rely on her. So Maribeth does the unthinkable - she packs a bag and leaves. Maribeth has always wondered who she is and where she comes from: and now's the time to find out. Now, far from the demands of family and career, she is finally able to own up to the secrets she has been keeping from herself and those she loves. From the bestselling author of *If I Stay* and *I Was Here* comes a stunning new novel for Forman's adult readers, an unflinching portrait of a woman confronting the joys and sorrows of marriage, motherhood and friendship.

Untitled Gayle Forman - Gayle Forman 2021-06

A heart-wrenching and powerful YA story about friendship and finding yourself from award-winning, bestselling author, Gayle Forman

Saving Francesca - Melina Marchetta 2007-12-18

Before there was *Eleanor and Park*, there was *Francesca and Will*. A compelling story of romance, family, and friendship, with humor and heart, perfect for fans of *If I Stay*, *The Spectacular Now*, and *Looking for Alaska*. Francesca is stuck at St. Sebastian's, a boys' school that pretends it's coed by giving the girls their own bathroom. Her only female companions are an ultra-feminist, a rumored slut, and an impossibly dorky accordion player. The boys are no better, from Thomas, who specializes in musical burping, to Will, the perpetually frowning, smug moron that Francesca can't seem to stop thinking about. Then there's Francesca's mother, who always thinks she knows what's best for Francesca—until she is suddenly stricken with acute depression, leaving Francesca lost, alone, and without an inkling of who she really is.

Simultaneously humorous, poignant, and impossible to put down, this is the story of a girl who must summon the strength to save her family, her social life, and—hardest of all—herself. Melina Marchetta is the Printz-winning author of *Jellicoe Road*, as well as *Looking for Alibrandi* and

Finnikin of the Rock.

From the moment the Author hustles Howard out of bed and into the kitchen to make breakfast, we know we're on a literary adventure like no other. The Author wants her story; Howard wants to understand who he is and what he's done with his one wild and precious life. By turns comic, poignant, lacerating and profound, *HELPING HOWARD* probes the complex and ever-changing nature of love, and seeks to understand, in the deepest way possible, the ties that bind. Schloss has written a remarkable story; hers is a nimble, inventive and wholly original voice. - Kitty Zeldis, author of *Not Our Kind* What a gorgeous novel! Romantic, deeply humane, astonishingly clever and moving - this is a love story between author and character that continually makes one gasp, even as it delivers great truths. Thank you, Sally Schloss, for writing it. -Bonnie Friedman, bestselling author of *Writing Past Dark* In Sally Schloss's insightful and engrossing novel, an Author writes a novel while regularly checking in with its real-life titular character. Howard is a kind and singularly tolerant man who has greatly compromised himself within his

marriage. He nervously waits as the Author unveils each new phase of his life. Their ongoing conversation affords Howard-and the reader-a unique chance to see how his choices have at once enriched and undermined him. Schloss's writing is meticulous. -Patricia Grossman, author of *Radiant Daughter*. For those of you who delve into transactional dynamics as a profession this book is a fascinating must read. The characters engage in the all too typical tendencies of repeating the same patterns of behavior, thoughts, and feelings with their inevitable undesirable outcomes. The book sympathetically dramatizes how these underlying negative core beliefs affect these characters' lives over the course of their thirty-five-year marriage. -Robert Pazulinec Ed.D. Licensed Psychologist --- *Helping Howard* explores the fraught lifetime marriage of a straight older man, his younger gay wife, and the daughter that survives them. An anti-romantic romance, this book tells the tale of The Author who awakens Howard into consciousness in order to become her accomplice in figuring out what happens next. Their ongoing dialogue pushes the story forward through quarrelsome, humorous, psychological cliffhangers. Playing with, and exposing, the creative process adds another dimension to the narrative as The Author creates a relationship with her main character, which in turn, reflects on who she is. *Helping Howard* is about people struggling with understanding their own barriers to achieving and sustaining intimacy. It's a complex story of human longing and unmet desire.
