Vladimir Putin: Life Coach - Rob Sears
2018-09-13

What can the rise of this century's most feared politician teach us about life, work and love? Rob Sears satirises the machinations that enabled Putin to dominate the Kremlin and undermine the United States of America as ways to help you take control of your mundane life. Would you like to ruin your enemies by sharing compromising material about that time they didn't wash their hands? Fancy hacking democracy at the parent-teacher association to ensure you're a shoo-in for social secretary? Or serving up a cold dish called revenge in a high street restaurant? Filled with stories of Putin's extraordinary and chilling actions, with mocking ideas and illustrations to help you emulate him on a small scale, Vladimir Putin: Life Coach is the ultimate parody guide to releasing the pseudo-elected, judo black belt, 5D chess-playing autocrat inside each and every one of us. *Created in Darkness by Troubled Americans* - Dave Eggers 2005-06-14
Now more than ever, Americans are troubled by

questions. As sweaty modernity thrusts itself upon us, the veil of ignorance that cloaked our nation hangs in tatters, tattered tatters. Our "funny bones" are neither fun nor bony. Glum is the new giddy, and the old giddy wasn't too giddy to begin with. What can be done to stop this relentless march of drabbery? Nothing. But perhaps this book can be used to dull the pain. The Zelator - David Ovason 2013-06-30

THIS BOOK REVEALS THE CONSPIRACY BY
LEONARDO, NEWTON, GOETHE AND OTHER
MEMBERS OF THE INITIATE TRADITION TO
INFLUENCE THE COURSE OF HISTORY BY
MAGIC. From the dawn of history and perhaps
beyond a small group of magi working within a
specific magical tradition have believed they
have been influencing the course of history,
guiding mankind towards higher levels of
consciousness. Theirs is a reincarnationist
philosophy and they believe that, as initiates of
the highest order, they return in local groups at
key moments to conspire to change the course of
events. Whether or not their beliefs are right,
whether or not their magical practices work in
the way they believe, this book will prove that

certain remarkable individuals, many of them
famous in other areas, have undoubtedly held
these beliefs. Bestsellers such as HOLY BLOOD,
HOLY GRAIL and THE TOMB OF GOD have
been written by amateur historians trying to
penetrate the veil of secrecy that surrounds this
conspiracy; here for the first time an initiate of
the order reveals the truth.

Phaic Tan - Santa Cilauro 2006-03-02

From the authors of best-selling *Molvana* comes another hilarious send-up of the always-culturally sensitive travel guide. Whether you'd prefer to taste the Phaic Tanese dish *guoman* (a local duck delicacy whereby the bird is plucked, rolled in spices, and slowly roasted over hot coals before being brought to the table and killed), or go brown-water rafting on the mudslides of the heavily deforested jungles of the north, or gain insight into the unusual

customs of the Phaic Tanese people (Phaic Tanese men will often touch a blonde-headed child because so doing is believed to bring gold, and will likewise touch the breasts of a blonde-headed woman because so doing is believed to bring pleasure), *Jetlag's* travel guide is the essential guide for the undiscerning traveler. A fascinating land of contrasts with one foot in the past and another striding determinedly forward, Phaic Tan truly is a nation going in circles.

The Oligarchs - David E. Hoffman 2011-09-13
In this saga of brilliant triumphs and magnificent failures, David E. Hoffman, the former Moscow bureau chief for the *Washington Post*, sheds light on the hidden lives of Russia's most feared power brokers: the oligarchs. Focusing on six of these ruthless men— Alexander Smolensky, Yuri Luzhkov, Anatoly Chubais, Mikhail Khodorkovsky, Boris Berezovsky, and Vladimir Gusinsky—Hoffman shows how a rapacious,

unruly capitalism was born out of the ashes of Soviet communism.

Audrey Gordon's Tuscan Summer - Tom Gleisner 2010-11-01

Join Audrey Gordon, voted three times Britain's sternest chef, as she travels to the heart of Italy and shares the recipes, produce and memories of her Tuscan summer. Visit traditional farmhouses, local trattorias and sample the stunning range of local produce on offer as Audrey shares the sights, sounds and occasionally, smells, of regional Italy. Then sample these delights at home with the range of delicious and easy to make recipes that Audrey, inspired by Italian traditions, has created for the home cook. This book is not directed at celebrity super chefs or haute cuisine high flyers dazzling diners in their Michelin starred restaurants. It's

written for you, the ordinary cook, stuck at home with insufficient bench space and a set of chipped mixing bowls. Audrey's fervent hope is that it will inspire you, give you the confidence to believe that you can be a wonderful cook or, at very least, an adequate one. 'This book is not meant to be a monologue. I want you to imagine I'm there in the kitchen with you, helping, guiding, prodding and - only occasionally - wrapping your knuckles with the handle of an egg whisk.' xx Audrey

San Sombrero - Santa Cilauro 2006-09-28

Riding on the heels of the hilarious send-ups *Molvania: A Land Untouched by Modern Dentistry* and *Phaic Tân: Sunstroke on a Shoestring*, comes *San Sombrero*. The people of San Sombrero are an outgoing, talkative, and sociable bunch, which perhaps explains why so few have succeeded as spies. Laughing comes naturally to them, and it's not unusual to see large groups of people doubled over with laughter, even in court or during a funeral. Often

described as "the Venice of Central America" (due to the fact that many of its coastal cities are sinking), the sun-baked island of San Sombrero offers something for everyone, be they music lover, eco-tourist, history buff, or UN Human Rights Commissioner. From the frenetic nightlife of its capital Cucaracha City to the guaranteed solitude of a west coast beach during sea-snake season, there's simply so much to see and do in this undiscovered tropical jewel.

Honeymoon with My Brother - Franz Wisner
2007-04-01

This is the true story of Franz Wisner, a man who thought he had it all- a high profile career and the fiancée of his dreams- when suddenly, his life turned upside down. Just days before they were to be married, his fiancée called off the wedding. Luckily, his large support network of family and friends wouldn't let him succumb to his misery. They decided Franz should have a wedding and a honeymoon anyway- there just wouldn't be a bride at the ceremony, and Franz'

travel companion would be his brother, Kurt. During the "honeymoon," Franz reconnected with his brother and began to look at his life with newfound perspective. The brothers decided to leave their old lives behind them. They quit their jobs, sold all their possessions, and traveled around the world, visiting fifty-three countries for the next two years. In *Honeymoon With My Brother*, Franz recounts this remarkable journey, during which he turned his heartbreak into an opportunity to learn about himself, the world, and the brother he hardly knew.

Paris Out of Hand - Karen Elizabeth Gordon

Poets in Their Youth - Eileen Simpson
2014-10-21

In 1942, Eileen Simpson—then Eileen Mulligan—married John Berryman. Both were in their twenties; Eileen had just graduated from Hunter College and John had but one slim volume of poetry to his name. They moved frequently—from New York to Boston, then Princeton—chasing jobs, living simply, relying on the hospitality of more successful friends like Robert Lowell and Jean Stafford, or R. P. Blackmur and his wife, Helen. Rounding out their circle of intimates were other struggling poets like Randall Jarrell and Delmore Schwartz. Berryman alternately wrote and despaired of writing. Everyone stayed up late arguing about poetry. *Poets in Their Youth* is a portrait of their marriage, yes, but it is also a portrait of a group of spectacularly intelligent friends at a particular time, in a particular place, all aflame with literature. Simpson's recollections are so tender, her narrative so generous, it is almost possible to imagine the story has a different ending—even as Schwartz's marriage crumbles,

as Lowell succumbs to a manic episode, as her own relationship with Berryman buckles under the strain of his drinking, his infidelity, his depression. Filled with winning anecdotes and moments of startling poignancy, Simpson's now classic memoir shows some of the most brilliant literary minds of the second half of the twentieth century at their brightest and most achingly human.

packed with things to see and do. Have your photo taken with a colourfully dressed rumbero (drunk) while his accomplice steals your wallet. Sway to the steamy bababumba, one of the few dances in the world to routinely involve an exchange of body fluids. Try 'red-water rafting' your way down a river of boiling lava. Or simply sit back and sip a molitivo cocktail while listening to the hypnotic rhythm of government helicopters strafing a nearby rebel stronghold. Crammed with expert advice, this fully upd.

Seinfeld, Master of Its Domain - David Lavery 2010-06-15

After a slow and inauspicious beginning, Seinfeld broke through to become one of the most commercially successful sitcoms in the

history of television. This fascinating book includes classic articles on the show by Geoffrey O'Brien and Bill Wyman (first published in the New York Review of Books and Salon.com respectively), and a selection of new and revised essays by some of the top television scholars in the US - looking at issues as wide-ranging as Seinfeld's Jewishness, alleged nihilism, food obsession, and long-running syndication. The book also includes a comprehensive episode guide, and Betty Lee's lexicon of Seinfeld language.

Imaging and Mapping Eastern Europe -

Katarzyna Murawska-Muthesius 2021-05-11

Imaging and Mapping Eastern Europe puts images centre stage and argues for the agency of the visual in the construction of Europe's east as a socio-political and cultural entity. This book probes into the discontinuous processes of mapping the eastern European space and imaging the eastern European body. Beginning from the Renaissance maps of Sarmatia

Europea, it moves onto the images of women in ethnic dress on the pages of travellers' reports from the Balkans, to cartoons of children bullied by dictators in the satirical press, to Cold War cartography, and it ends with photos of protesting crowds on contemporary dust jackets. Studying the eastern European 'iconosphere' leads to the engagement with issues central for image studies and visual culture: word and image relationship, overlaps between the codes of othering and self-fashioning, as well as interaction between the diverse modes of production specific to cartography, travel illustrations, caricature, and book cover design. This book will be of interest to scholars in art history, visual culture, and central Asian, Russian and Eastern European studies.

An Imperfect Offering - James Orbinski

2010-11-01

"This book is a series of stories in which I ask, again and again, 'how to be in relation to the suffering of others.' It is a personal narrative about the political journey I have taken over the last twenty years as a humanitarian doctor, as a citizen, and as a man. This is a story about a way of seeing that requires humility, so that one can recognize the sameness of self in the other. It is about the mutuality that can exist between us, if we so choose. I have come to see humanitarianism not as separate from politics, but in relation to it, and as a challenge to political choices that too often kill or allow others to be killed. Speaking is the first political

act. It is the first act of liberty, and it always implicitly involves another. In speaking, one inherently recognizes that 'I am and I am not alone.' In this space lies our humanity." Having seen things we hope never to see, confronted suffering, dispassion, and evil we hope never to encounter, and faced deep personal torment, James Orbinski still believes in "the good we can be if we so choose." His chosen medium is stories from his own experience—a form of testimony from the front lines—embodied in which are warnings, hope, and lessons in how we can inject humanitarian activity into our lives. Being political, he has discovered, is not only reserved for politicians; admitting imperfection is essential to compassion. The crystal clarity of Orbinski's voice is matched by the urgency of his message; at a time of great political and moral uncertainty, *An Imperfect Offering* is invaluable reading for anyone who feels he/she can make a difference.

Meltdown - Ben Elton 2009-11-24

And when the global financial crisis hit, Jimmy discovers that anyone can handle success. It's how you handle failure that really matters.

Pangamonium - Zanesh Catkin 2012

Pangamonium is a comic novel that parodies travel adventure stories and satirises globalisation. It is a tongue-in-cheek adventure romp, a mock epic. Francis is a modern Don Quixote who tries to be a cynical journalist looking out for himself but ends up trying to

liberate a bunch of child slaves making sex toys for the West. Toss in an African pilgrim named Easter on a quest to find his grandfather's grave filled with pirate gold, a military regime oppressing the citizens of Panga, and a Bollywood romance--pandemonium ensues.

Blinking with Fists - Billy Corgan 2006-03-21

The hit poetry collection from the creative force behind The Smashing Pumpkins Having risen to fame during the grunge era in the early nineties, Billy Corgan is among the most respected figures of the alternative rock world--a visionary artist who, more than a decade later, still commands a devoted following. Long admired for his evocative songwriting, Corgan embarks

on a deeper exploration of literary terrain as a poet. Full of "the regretful melancholy of his music [and] the rhythmic, angular wordplay of his best Pumpkins lyrics" (Jeff Vrabel, Chicago Sun-Times), the poems in this collection form an imagistic journey through the intensely personal as Corgan throws into sharp relief issues of love, loss, identity, and loyalty. Crafted with a thoughtful and cadenced approach that shares the same allegiance to thunder and quiet found in his music, these writings further solidify Corgan's place as the voice of a generation.

Miles away, her daughter, Henrietta, receives the bad news while working in the university library. Poor Mrs. Jenkins appears to have been the victim of a horrible car accident. When an autopsy proves not only that this was no accident but also that Mrs. Jenkins had never had a child, young Henrietta’s life is thrown upside down. Rates of Exchange - Malcolm Bradbury
2015-05-19

Shortlisted for the Man Booker Prize: In this comedic novel, an English professor collides with disaster at the peak of the Cold War Shortly after his plane first grazes the tarmac in the eastern European nation of Slaka, Dr. Angus Petworth is beset by a cavalcade of misadventures. A university lecturer and seasoned international traveler, Petworth is nevertheless unprepared for the oddities of culture and circumstance that await him on the other side of the iron curtain. In two eventful weeks, Petworth gives an incendiary interview, is seduced by a femme fatale, and becomes embroiled in a plot of international intrigue, all of which conspire to give the mild, unassuming professor way more than he bargained for. Satirizing everything from critics and diplomats to Marxism and academia, Malcolm Bradbury's

Rates of Exchange is a witty and lighthearted novel of cultural interchange at the height of the Cold War.

Ludmila's Broken English - DBC Pierre 2011-07-07

DBC Pierre's second novel charts the unlikely meeting between East and West that follows Ludmila Derev's appearance on a Russian brides website. Determined to save her family from starvation in the face of marauding Gnez troops, Ludmila's journey into the world and womanhood is an odyssey of sour wit, even sourer vodka, and a Soviet tractor probably running on goat's piss. Thousands of miles to the West, the Heath twins are separated after 33 years conjoined at the abdomen. Released for

the first time from an institution rumoured to have been founded for an illegitimate child of Charles II, they are suddenly plunged into a round-the-clock world churning with opportunity, rowdy with the chatter of freedom, democracy, self-empowerment and sex. A wild and raucous picaresque dripping with flavours of British bacon and nasty Russian vodka, Ludmila's Broken English is a tale of tango-ing twins on a journey into the unknown. A ride so outrageously improbable it just may happen, DBC Pierre's second novel confirms his place in the ranks of today's most original storytellers.
