The Polyester Prince -
Hamish McDonald 1998
Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and

Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few

industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon.

Striker, Stopper - Moti Nandy
2012-08-07

Striker is the story of a young football player, Praseon Joshi, whose father, once a top scorer in the Calcutta League, is completely sidelined after being accused by the club of deliberately throwing the winning goal. As a young player struggling to make his mark, Praseon not only has to battle the ruthless exploitation of the football clubs, his family's straitened financial circumstances, and his own development as a player, but he has also to exorcise his father's ghosts. Stopper, on the other hand, is the story of the much older Kamal Guha, a veteran player with an eclectic record, now playing the final game of his career... Both novellas brilliantly capture the heady highs, and the crushing lows, the heroism ? and the ignominy ? of sport. However,

it is always the game, and the action on the field, that is the real hero of Moti Nandy's writing.

Ghost Stories from the Raj - Ruskin Bond 2005-08

Ruskin Bond's readers range from nine to ninety. And if there are such things as ghosts there are probably a few who are reading him in the spirit world. In these stories Ruskin Bond presents a picture of a 'haunted India' as witnessed and described by British writers, officials and travellers during the pre-independence era. Ruskin Bond, resident of Mussoorie, is a well-known writer of fiction and a raconteur par excellence. His *Tales and Legends from India*, *Angry River*, *Strange Men*, *Strange Places*, *The Blue Umbrella*, *A Long Walk for Bina* and *Hanuman to the Rescue* are also available in Rupa paperback. The Ruskin Bond's *Children's Omnibus* has been a firm favourite with young readers for several years. *Ghost Stories from the Raj*, *The Rupa Book of Great Animal Stories*, *The Rupa Book*

of *True Tales of Mystery and Adventure*, *The Rupa Book of Himalayan Tales* and *The Rupa Book of Great Suspense Stories* are some of his recent books for Rupa.

Neglected Poems - Gulzar 2012-01-19

Gulzar is regarded as one of India's foremost Urdu poets today, renowned for his unusual perspectives on life, his keen understanding of the complexities of human relationships, and his striking imagery. After *Selected Poems*, a collection of some of his best poetry translated by Pavan K. Varma was extremely well received, Gulzar has chosen to present his next sixty poems in an inimitable way: labelling them *Neglected Poems*.

'Neglected' only in name, these poems represent Gulzar at his creative and imaginative best, as he meditates on nature (the mountains, the monsoon, a sparrow), delves into human psychology (when a relationship ends one is amazed to notice that 'everything goes on exactly as it used to'), explores great

cities like Mumbai, Chennai, Kolkata, Delhi and New York ('In your town, my friend, how is it that there are no homes for ants?'), and confronts the most telling moments of everyday life.

Colourful Notions - Mohit Goyal 101-01-01

Would you give up your high-paying job and comfortable personal life to drive ten thousand kilometers across india? Just for fun! Three twenty-somethings dare to do just that! While the two boys take turns to drive, the girl gives voice-over as they record their entire journey on a handy cam. Ab, Sasha and Unnati are ordinary youngsters, rendered special by the feat they accomplish. As they recount their adventures, I crave to live their journey. They look at each other with a glint in their eyes, as if refurbishing those memories while narrating their spooky time at Bhangarh Fort, strange escapades at Wagah Border and Sundarbans, car breakdowns, wild animals, near-death experiences and highway robbers! It's nothing

less than crazy. I doubted if I'd ever have the gumption to create such experiences. So I did the next best thing - I penned a book about them, and their roadtrip. Colorful Notions is a journey of three young hearts on the Indian terrain and into the inner recesses of their souls, giving a new perspective to relationships, love and life.

Inspired India - Neelesh Misra 2010

About the Book : - In a country the size of India, problems too come large-sized. Many of these appear all but

insurmountable. In the past few years a series of examples of innovation and creative thinking are showing how many of these problems can be solved. Storywallah - Neelesh Misra
2018

In 2011, the screenwriter, lyricist and journalist Neelesh Misra started mentoring a handpicked group of writers called the Mandali. These were men and women of all ages,

backgrounds and dispositions.

The Mandali soon started writing radio stories in Hindi, for Misra's show Yaadon Ka Idiotbox-short, pithy, bittersweet narratives that immediately struck a chord with listeners across the country. Translated for the first time in English, this collection represents the Mandali at the height of its powers. These stories are blessed with a keen sense of place, attuned to the rhythms of both small-town India and rapidly expanding mega-cities like Delhi or Mumbai. Homesick yuppies reconnect with their hometowns, old lovers reconcile against all odds, and parents learn to get along with their grown-up children. A mother-in-law uses questionable tactics to bond with her distant daughter-in-law, a war widow learns to stand up to family, and a life-threatening mountain slope brings two strangers together. These are fresh, untamed voices aided and abetted by a master storyteller.

The Absent State - Neelesh Misra 2012-03-12

The spiralling crisis in Jammu and Kashmir; the Naxalite-Maoist menace that seems to be intensifying with every passing day; the disturbing reach of proxy governments run by militant groups in Manipur and Nagaland ? today, a quarter of India is being held hostage by violence and anarchy. What has pushed the country, which has otherwise held together through seemingly insurmountable odds in the past, to the edge? Who and what is responsible for the state of affairs as it stands today? In a series of dispatches from the epicentres of what they call the country's `battle zones`, Neelesh Misra and Rahul Pandita unveil the tensions, frustrations and

heartbreaks, and the challenges and justifications, that are everyday realities in these troubled regions. Civil administrators talk about the widespread misappropriation of development funds in tribal and remote areas; security and police personnel describe extreme confrontations in the face of inadequate training and equipment; rebel ranks and former insurgents reveal how unemployment, lack of education and rampant exploitation have fuelled their defiance against the establishment and encouraged secessionist activities; self-styled vigilantes assert their need to provide what they consider `security? and `justice? in areas that have seen little of either. And, at the heart of the on-going turmoil, ordinary people mourn the loss of their loved ones ? to starvation, lack of healthcare facilities and militancy ? even as they voice their demand to be heard. The stories are many; the cast varied. Yet, collectively, they present an alarming picture of systemic

failure on the part of the Indian state. A potent reminder of the mistakes that the government of India cannot afford to repeat, *The Absent State* is a work of great significance ? an essential read for anyone who wants to make sense of the tumult of our times.
