**Revelation** - G. K. Beale  
2015-01-02  
G. K. Beale's monumental New International Greek Testament Commentary volume on Revelation has been highly

praised since its publication in 1999. This shorter commentary distills the superb grammatical analysis and exegesis from that tome (over 1,300 pages) into a book more accessible and pertinent to preachers, students, and general Christian readers. As in the original commentary, Beale views

Revelation as an integrated whole, as a conscious continuation of the Old Testament prophetic books, and shows that recognizing Revelation's nearly constant use of Old Testament allusions is key to unlocking its meaning. Interspersed throughout the volume are more than sixty sets of "Suggestions for Reflection" to help readers better grasp the relevance of Revelation to their lives and our world today.

*Empire of the Risen Son* - Steve Gregg 2020-12-08

Would you be a disciple of Jesus? From the Foreword: "This book is the second on the subject of the Empire of the Risen Son...As Book One dealt with the Kingdom of God conceptually, this book deals with the Kingdom in practical terms. What does it mean, or require, to be a part of this Kingdom?" \*\*\*\*\*

This is not a book, it's a life-changing journey! Within these pages, Dr. Gregg effectively becomes our passionate tour guide through a Royal Empire of cosmic proportions. Page

after page will help you appreciate that this kingdom has its own benevolent laws, its own righteous economy, its own victorious foreign policy, and its own holy culture. Dr. Gregg skillfully explains exactly what it means to be a citizen of this divine domain. Personally, I have not read anything to date that does a better job at explaining the Lordship of Christ nor what it means to be His disciple. This must-read will leave you either sorrowful, like the rich young ruler, or you too will find yourself singing the joyful anthem of this Kingdom's Christ! - David Martinez International evangelist and teacher of the Bible Steve Gregg is a national talk-show host, author, and international lecturer on the Bible, theology, and discipleship. He is the author of two previous books published by Thomas Nelson: "Revelation: Four Views: A Parallel Commentary" (1997, 2013) and "All You Want to Know About Hell: Three Christian Views" (2013). [Eternity in Their Hearts](#) - Don Richardson 2010-10  
Startling Evidence of Belief in the One True God in Hundreds of Cultures Throughout the World Has the God who prepared the gospel for all people groups also prepared all people groups for the gospel? Don Richardson, author of the best - selling book *Peace Child*, has studied cultures throughout the world and found within hundreds of them startling evidence of belief in the one true God. In *Eternity in Their Hearts*, Richardson gives fascinating, real - life examples of ways people have exhibited in their histories terms and concepts that have prepared them for the gospel. Read how Pachacuti, the Inca king who founded Machu Picchu, the majestic fortress in Peru, accomplished something far more significant than merely

building fortresses, temples or monuments. He sought, reached out and found a God far greater than any popular god of his own culture. And there have been others throughout the world, like him, who've received the blessing of the gospel. Get ready to be amazed at these intriguing examples of how God uses redemptive analogies to bring all men to Himself, bearing out the truth from Ecclesiastes that God has also set eternity in the hearts of men.

*Before Jerusalem Fell* - Kenneth L. Gentry, Jr. 2010-01  
This doctoral dissertation demonstrates that Revelation was written prior to the destruction of the Jewish Temple in AD 70, and that it was prophesying that event. It proves this early date for Revelation by providing both internal evidence from within Revelation and external evidence from Church history and tradition.

**The Word Made Plain** - James H. Harris  
Preaching mediates the word of God into a cultural matrix.

And no American preaching has done so more effectively and powerfully than African American preaching, claims noted homiletician James Harris. Known for its rhetorical strength, social-justice orientation, and dead-on connection to the community's lived experience, black preaching is here analyzed and proposed as a model for all preaching. Harris grounds black preaching in the self-understanding of the historic black church and its most prominent preachers, from Martin Luther King Jr. to Samuel Proctor. Harris also explores the hermeneutical and aesthetic dimensions of preaching, especially at the intersection of sacred text and the broader culture. He then lays out the specific distinguishing characteristics of black preaching, including verbal cadence and rhythm, use of gestures, and, most thoroughly, the narrative model of the sermon. His last chapter, "Preaching Plainly," provides specific instructions on how to put the sermon

together employing this model. *Debating Calvinism* - Dave Hunt 2009-01-21

A centuries-old belief system is put to the test as two prominent authors examine and debate the subject of Calvinism from opposing viewpoints. James White, author of *The Potter's Freedom*, takes the Calvinist position. Dave Hunt, author of *What Love Is This*, opposes him. The exchange is lively and at times intense as these two articulate men wrestle over what the Scriptures tell us about God's sovereignty and man's free will. This thought-provoking, challenging book provides potent responses to the most frequently asked questions about Calvinism. Is God free to love anyone He wants? Do you have any choice in your own salvation? It's time to find out. Calvinism has been a topic of intense discussion for centuries. In this lively debate, two passionate thinkers take opposing sides, providing valuable responses to the most frequently asked questions about Calvinism. Only you can

decide where you stand on questions that determine how you think about your salvation. Story Behind the Book The subject of Calvinism has been hotly debated for many years, and now two prominent authors and researchers will debate this controversial topic in a book debate. This project came about when Mr. Hunt wrote What Love is This-Calvinism's Misrepresentation of God. Mr. Hunt was challenged by many on the Calvinist bench and he eventually agreed to do a debate in a book format. The books purpose is to get you to think and come to your own conclusions.

**Revelation** - Alan F. Johnson  
1996-08-01

This award-winning commentary, now available in softcover, includes the full text of the NIV and details scholarly, technical notes and discussions, which provide insights to the Scriptures that are practical to everyday life.

**Revelation** - James M. Hamilton Jr. 2012-01-31  
In the book of Revelation, God

unveils the world as it really is, identifying an unseen spiritual war and announcing a very real day of judgment. We need to be convinced that Jesus is reigning as the risen King. We need to have him speak to the situation in our churches. We need to see how God will pulverize wickedness, obliterate those who oppose him, and set up his kingdom. Revelation has exactly what we need. Useful for personal study, as well as for preaching and teaching (Hamilton even includes helpful charts and tables to highlight key themes and literary elements), the thirty-seven sermons in this volume have a clear structure: introduction, body, and conclusion. Hamilton successfully grabs the reader's attention, raises awareness of a real need, and states the main point of the sermon text. In addition to explaining the meaning of each passage, Hamilton connects the main ideas to applicable analogies and actionable points. Revelation is a prophecy of epic proportions and Hamilton

invites readers to love God and his people by expositing this revelation of Jesus, and to say along with the apostle John, "Come, Lord Jesus." Part of the Preaching the Word series. *Revelation, Four Views* - Steve Gregg 1997

An even-handed summary of the four traditional views of Revelation in parallel columns. This convenient presentation not only gives you the information you need on these key views, but also informs you about outstanding commentators on the book of Revelation throughout much of church history. A wonderful addition to any Bible study resource library.

**Empire of the Risen Son: A Treatise on the Kingdom of God-What it is and Why it Matters Book One: There is Another King** - Steve Gregg  
2020-10-15

"Steve Gregg said it best when he wrote, 'Apart from the Kingdom, nothing exists that gives transcendent meaning to world history and human endeavors.' Yet, so few ever take the time to understand the biblical insights that are so profoundly expounded in this book. On every page the author brings deep insight, conviction and clarity about what God's Kingdom work is all about."-- Dr. Leighton Flowers, Director of Evangelism and Apologetics for Texas Baptists "Never the intentional provocateur, the author does upset some of the most commonly held perspectives on the Kingdom regardless of the stature or popularity of the scholars who affirm them."-- Braxton Hunter,

President, Trinity College of the Bible and Theological Seminary, Evansville, IN "This is not an academic treatise written for the theological guild, but it reflects an implicit understanding of major theological interpretations... Steve Gregg's unfolding of God's plan is biblically comprehensive and theologically astute. I not only endorse his explanation, but I share his passion."-- Dr. Vic Reasoner, Pastor, Author, Professor, Southern Methodist College

Revelation - Joel R. Beeke 2016  
Are you confused by the great variety of interpretations of the book of Revelation, such as the preterist, the historicist, the futurist, the idealist, and an eclectic approach that embraces the strengths of all these? Would you like a clear understanding of various millennial approaches related to the last times? In this book of sermons on Revelation, Joel Beeke gives you all this and much more as he preaches through Revelation in a thoroughly biblical, doctrinal,

experiential, and practical way intended to comfort and mature believers, to warn the unsaved to flee to Christ for salvation, and to exalt Christ as the King of kings and only Head of His church.

### **Evangelical Theology,**

**Second Edition** - Michael F. Bird 2020-10-20

Gospel-Centered Theology for Today Evangelical Theology, Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel-centered theology that is accessible, rigorous, and balanced. According author Michael Bird the gospel is the fulcrum of Christian doctrine; the gospel is where God meets us and where we introduce the world to God. And as such, an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology. The text helps readers learn the essentials of Christian theology through several key features, including: A "What to Take Home" section at end of every part that gives readers a

run-down on all the important things they need to know.

Tables, sidebars, and questions for discussion to help reinforce key ideas and concepts A

"Comic Belief" section, since reading theology can often be

dry and cerebral, so that readers enjoy their learning

experience through some theological humor added for

good measure. Now in its second edition, Evangelical

Theology has proven itself in

classrooms around the world as a resource that helps readers

not only understand the vital doctrines of Christian theology

but one that shows them how the gospel should shape how

they think, pray, preach, teach, and minister in the world.

### **Finding the End of the**

**World** - Ron Braley 2011-03

Learn tools and techniques you can use in any Biblical study

and then explore the History of Israel. Use what you learn to

analyze Old Testament prophecies and apocalyptic

writings - all in preparation for comparing accounts of what

Jesus told His disciples on the Mount of Olives and for

analyzing the Revelation given to John. Round out your experience with in-depth studies of end-times players such as the Antichrist and the 144,000 'redeemed from the earth'. Finally, explore in great detail the major rapture positions and challenges presented by each. Ron Braley's book, *Finding the End of the World*, is a great resource for any serious student of God's Word. However, it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation, events of the End Times, and eschatological controversies. Instead, the author gives the reader and student the tools to delve into the Scriptures and discover the answers. Caution: This may lead the reader to question and even jettison some previously held views of the End of Times. While offering historical and theological background materials to consider, I believe the greatest value of this book is the study tools, guides and exercises it offers each

student. The result is creating students of the Bible who know how to read and study for themselves. Ron Almborg, Jr. (B.A., Th.B., M.Div.). Ron Braley lives in Texas with Joanne, his wife of 27 years. They have 4 grown children and 2 grandchildren. Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship, Inc. Please visit [www.findingrevelation.com](http://www.findingrevelation.com) for free instructor materials, discussion boards, and opportunities to contribute to the discipleship cause.

Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of

Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other

religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

**Three Views on the Millennium and Beyond** - Zondervan, 2010-08-10

Is there biblical evidence for a thousand-year earthly kingdom (the Millennium) ruled by Christ before the fulfillment of the new heaven and new earth? Revelation chapter 20 seems to suggest so, but few books of the Bible are so difficult to interpret. And a discussion of the Millennium branches out into many other theological questions about the end times (eschatology): Are these the last days? What must happen before Jesus returns? What part does the church play? This Counterpoints volume compares three views of the Millennium: Premillennial: Christ will come again before this kingdom is established. Postmillennial: our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom. Amillennial: a future Millennium is not a literal kingdom, and when Christ returns, he will usher in an immediate new heaven and new earth. Robert B. Strimple, Kenneth L. Gentry Jr., and Craig A. Blaising offer their perspectives, giving their

exegetical reasoning. Each of them then responds to the views held by their peers in a respectful and informative setting, making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope--the return of Jesus--is understood by the church. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

*The Book of Revelation* - G. K. Beale 2013-09-07

This monumental commentary on the book of Revelation, originally published in 1999, has been highly acclaimed by scholars, pastors, students, and others seriously interested in interpreting the Apocalypse for the benefit of the church. Too often Revelation is viewed as a

book only about the future. As G. K. Beale shows, however, Revelation is not merely a futurology but a book about how the church should live for the glory of God throughout the ages -- including our own. Engaging important questions concerning the interpretation of Revelation in scholarship today, as well as interacting with the various viewpoints scholars hold on these issues, Beale's work makes a major contribution in the much-debated area of how the Old Testament is used in the Apocalypse. Approaching Revelation in terms of its own historical background and literary character, Beale argues convincingly that John's use of Old Testament allusions -- and the way the Jewish exegetical tradition interpreted these same allusions -- provides the key for unlocking the meaning of Revelation's many obscure metaphors. In the course of Beale's careful verse-by-verse exegesis, which also untangles the logical flow of John's thought as it develops from chapter to chapter, it

becomes clear that Revelation's challenging pictures are best understood not by apparent technological and contemporary parallels in the twentieth century but by Old Testament and Jewish parallels from the distant past.

**The Language of Heaven** - Sam Storms 2019

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the

spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in *The Language of Heaven* as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this

spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

Four Views on the Book of Revelation - C. Marvin Pate  
2010-08-03

Of all the books of the Bible, few are as fascinating or as bewildering as Revelation. Its images grip the imagination: four grim horsemen, the Antichrist, the ten-horned beast, the ultimate battle at Armageddon, and, of course, 666, the "mark of the beast," variously interpreted to signify everything from Hitler and Krushchev to credit cards and the Internet. Is the book of Revelation a blueprint for the future that needs decoding if we want to understand current events? Is it a book of powerful imagery, with warnings and promises for the church throughout the ages? Or is it essentially an imaginative depiction of historical events in the first century? *Four Views on the Book of Revelation* explores the four main views in

which Revelation is understood: preterist, idealist, classical dispensationalist futurist, and progressive dispensationalist. The interactive Counterpoints forum allows each author not only to present his view, but also to offer brief commentary on other views presented. This evenhanded approach is ideal for comparing and contrasting stances in order to form a personal conclusion about the interpretation and meaning of Revelation. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.

All You Want to Know about Hell - Steve Gregg 2013-11-05  
For Ingest Only - Data needs to be cleaned up for all products being loaded

**A Taste of Grace** - Greg

Albrecht 2012-07-01

A Taste of Grace is an easy-to-read page-turning exploration of God's amazing grace, demonstrated and illustrated by the teachings of Jesus. A Taste of Grace proclaims God's grace as irreconcilably opposed to the core values and beliefs of institutionalized religion and reveals God's grace to be an absurd and foolish sentiment that doesn't add up to the human mind.

**All You Want to Know About Hell** - Steve Gregg 2013-11-12  
It is an undeniable fact that the very concept of hell is shrouded in mystery. We know what books and movies tell us hell is like, but we're left with so many questions. Is hell simply a place where sinners are sent to suffer for their sins, or is it much, much more than that? All You Want to Know About Hell breaks down the three most popular views on hell and tells us what the Bible really says about this terrifying and mystifying place. From the "traditional" view of hell as a place of eternal torment to the early Christian view that hell is

a place of suffering intended to purge sin and to bring about repentance, no other book gives such in-depth biblical insight into the truths about hell that are hidden in all the hype. Features include:  
Complete coverage of the three most popular views on hell  
Clear explanation of what Scripture really says  
An easy and interesting read for laypeople, pastors, and scholars alike

*The Book of Revelation* - Susan Fournier Mathews 2009

A user friendly guide to reading and understanding the last and enigmatic book of the New Testament, ideally suited for parish adult bible study groups and college level inquiry.

**The Message of Revelation** -

Michael Wilcock 2014-04-02  
The vivid and often confusing imagery in the book of Revelation has elicited much discussion, both in the church and outside of the faith community. Michael Wilcock explains the concepts and images which are important for understanding Revelation.

Horae Apocalypticae; Or, A Commentary on the Apocalypse, Critical and Historical - Edward Bishop Elliott 1862

A Testimony of Jesus Christ - Volume 1 - Anthony Charles Garland 2007

A Commentary on the Book of Revelation - Volume 2  
The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free

companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

**The Apocalypse of John -**

Milton S Terry 2021-05-26  
Milton S. Terry (1840-1914) was an Old Testament and hermeneutics scholar. This work is a preterist commentary on the Apocalypse (i.e., the Book of Revelation), which is the most Old Testament-oriented work in the New Testament. By frequently accessing Revelation's Old Testament backdrop, Terry provides a bull commentary that demonstrates that Revelation is a prophecy focusing on the coming destruction Jewish Temple in AD 70. Though he sees a portion of the last three chapters as touching on the future which was distant from the Apostle John's time, he sees Revelation's main concern as explaining the completion of the old covenant order in the establishing of the new covenant.

*The Mosaic of Atonement -*

Joshua M. McNall 2019-08-27

The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement. While modern treatments of the doctrine have tended toward either a defensive hierarchy, in which one model is singled out as most important, or a disconnected plurality, in which multiple images are affirmed but with no order of arrangement, this book argues for a reintegration of four famous "pieces" of atonement doctrine through the governing image of Christ-shaped mosaic. Unlike a photograph in which tiny pixels present a seamless blending of color and shape, a mosaic allows each piece to retain its recognizable particularity, while also integrating them in the service of a single larger image. If one stands close, one can identify individual squares of glass or tile that compose the greater picture. And if one steps back, there is the larger picture to be admired. Yet in the great mosaics of age-old Christian churches, the goal is not for viewers to construct the image,

as in a puzzle, but to appreciate it. So too with this mosaic of atonement doctrine. While no one model is set above or against the others, the book notes particular ways in which the "pieces"--the feet, heart, head, and hands--mutually support one another to form a more holistic vision of Christ's work. "This is my body," Jesus said to his followers, and by reintegrating these oft-dismembered aspects of atonement, we will note fresh ways in which it was given for us.

*The Time of the End* - Jay Edward Adams 2004-07-01

**The Book of Revelation** - Paul M. Hoskins 2017-02-27

In this commentary, Paul Hoskins provides an accessible guide for those who want to understand the book of Revelation. He points out Revelation's many connections to the Old Testament, the theology of John, and biblical theology. He shows how useful these connections can be for interpreting Revelation and appreciating its richness. In

addition, Hoskins brings out the relevance of the book of Revelation for Christians in John's day as well as in our own. Technical details and interaction with scholarly discussions are handled in footnotes in order to minimize confusion for the average reader. A well-researched and carefully presented work of Evangelical scholarship, this commentary provides a good starting place for Christians who are looking for insight into the book of Revelation.

Revelation - Steve Gregg 2013-06-25

Covers the traditional views of the book of Revelation from historicist, preterist, futurist, and idealist perspectives.

A Survey of the Old Testament - Andrew E. Hill 2000

A Survey of the Old Testament goes far beyond simply rephrasing biblical material to provide balanced insights on the literary, historical, and theological issues of each Old Testament book and of the Old Testament as a whole. This revised edition makes the exceptional scope of the first

edition more accessible to contemporary readers. A redesigned interior complete with new visuals--maps, photos, timelines, and charts--makes this book more attractive and useful than ever. Treating the books of the Old Testament in the order of the English canon, *A Survey of the Old Testament* explores the purpose and message of each book and shows how its literary structure has been applied to accomplish the intention of its inspired author. The book also introduces the reader to issues such as Israelite and Near Eastern history, archaeology, the formation of the canon, and geography. Written by two widely respected scholars and educators, *A Survey of the Old Testament* is designed to help readers develop a broad grasp of the Old Testament.

**When the Man Comes Around: A Commentary on the Book of Revelation -**

Douglas Wilson 2019-07-30  
"Though St. John the Evangelist saw many strange monsters in his vision, he saw no creature so wild as one of

his own commentators." ~ G.K. Chesterton  
The book of Revelation was written to do just that: reveal. But most commentaries nowadays either engage in bizarre speculations about the future, or they keep an embarrassed distance from all the apocalyptic events that the apostle John says will "shortly take place." In this commentary, Douglas Wilson provides a passage-by-passage walkthrough of the entire book, showing how John's most notorious prophecies concern the Fall of Jerusalem in A.D. 70. Explaining symbols and characters as he goes, Wilson shows from the text that not only is this book not an elaborate code, but that Revelation is not even ultimately concerned with the end of the world as we know it. Revelation is about the triumph of the Church, which always happens when the Man comes around.

**Revelation** - 1999-01-01  
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical

visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*More Than Conquerors* -

William Hendriksen 1998-06-01

With an uninterrupted printing history since it was first published in 1939, this classic interpretation of the book of Revelation has served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that "we are more than conquerors through Christ." Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

**Back to the Future** - Ralph

Bass 2004-07

After embracing the theology of Dispensationalism for thirty-three years, doubts grew in the author's mind concerning the issues raised by eschatological questions. While pastoring he avoided the subject. But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction. It was time to find some real answers. This book began as Sunday school lessons to provide those real answers. Long after the Sunday school lessons ended, the study and the writing continued. Not satisfied with Sunday school answers; Dr. Bass wanted something definitive for his own benefit and the benefit of others. This work is an effort to provide that substance, that body of learning beyond the Sunday school class for those that demand more, much more. Feeling that much of what was out there on the subject was sorely wanting, Dr. Bass envisaged another work from the loyal opposition of the prevailing opinion, something

written from a deep conviction in the sufficiency and trustworthiness of Scripture, yet something far different from the usual offerings. This book is the result of the author's quest.
