Herbert Carl Leupold 2010-08

Leupold's classic commentary on Genesis. Two volumes in one. One of my favorite commentaries on Genesis is the tried, but useful, commentary by Leupold. Kaiser, Jr. President Emeritus Gordon-Conwell Theological Seminary Rarely does a commentary have a shelf-life of over 20 years, but H. C. Commentary - James Cantelon
2021-04-14

Not only is the Holy Bible publishing's all-time best seller, but Jesus continues to be the most famous and written-about character in history. The interest in Jesus always eclipses cultural, religious, and generational factors. He has universal and timeless appeal. Cantelon's Casual Commentary takes a 21st Century look at Jesus and the early history of the Church that sprang from his life and ministry. Its focus is the first five books of the New Testament: Matthew, Mark, Luke, John, and the Acts of the Apostles. James Cantelon, who founded and pastored what is now known as the "King of Kings Church" in Jerusalem, Israel, gives a current, first person exposition and reflection on Jesus' life, death, resurrection, and timeless teaching. He analyzes each of the four Gospels and the book of Acts in a

refreshingly relevant manner, appealing as the book cover says to "the Internet generation". Jesus' unique teaching method using everyday illustrations known as parables, in combination with his radical lifestyle, high regard for the poor and socially outcast, and amazing ability to heal the sick, are all presented in Cantelon's Casual Commentary with refreshing insight and candor. The combination of rigorous research and personal Holy Land experience gives the book a fascinating and unique appeal.

sensitivity to the text, Barry Webb's commentary on Judges is just what is needed to properly engage a dynamic, narrative work like the book of Judges. It discusses not only unique features of the stories themselves but also such issues as the violent nature of Judges, how women are portrayed in it, and how it relates to the Christian gospel of the New Testament. Webb concentrates throughout on what the biblical text itself throws into prominence, giving space to background issues only when they cast significant light on the foreground. Book of Revelation - Ed

Hindson 2020-09-14

WILL THE HUMAN RACE SURVIVE IN THE FUTURE? EVERYONE IS CURIOUS

ABOUT THE FUTURE. There is something in human nature that wants to know what is going to happen next. God speaks to the need in our lives by revealing the future before it happens. That process is called a prophecy of future events. This book is a study of the prophecies in the book of Revelation. The book of Revelation is the grand and noble conclusion to the Bible. It captives our attention, stirs our imagination, and points us to our glorious future destiny. It shows the living relationship between the risen Christ and His Bride, the Church. It also records the final days of this world and reveals the glorious new world yet to come. The book of Revelation gives us hope for the future when God will make "all things new" (Rev.21:5. Dr.Hindson simplifies the message of the Revelation so that you can easily understand it for yourself. He surveys the

general content of this captivating book of prophecy with a view to keeping the big picture in mind, rather than getting lost in all the details. His approach is to keep the study focused on the key issues in each chapter. The Book of Revelation has been called the epilogue of the unfolding drama of redemption. It's God's road map to help us understand where human history is going. In the biblical record, human history begins in a garden and ends in the eternal city. It begins with tragedy and ends with triumph. It begins with man's failure and ends with his exaltation. In between, there stands a cross! and on that cross, Jesus Christ changed the course of human history forever. The message of the Bible represents the timeless truth of God. As each generation seeks to apply that truth to its specific context it becomes necessary for an up-to-date commentary to be created just for them. The editors and authors of the "Twenty-First Century Biblical Commentary" have endeavored

to do just that. They represent conservative, evangelical, and dispensational scholarship at its best.

The Gospel of Matthew -

Edward Hindson 2007-08-01

The Gospel of Matthew is all about the King. The King of the Jews, the King who came to die to save His subjects, the King who is coming again to establish His Millennial kingdom, the King of Kings. That King is Jesus Christ. Matthew focuses on both the first and second coming of

Christ, with the assurance that in both cases, indeed the King is coming! Matthew, the tax collector turned disciple, writes to Jewish believers and unbelievers alike. For the believers, he emphasizes the legitimacy of Jesus as the long-awaited Jewish Messiah. For the unbelievers, he portrays the One who is the Savior of all people everywhere. His arguments are cogent, his style is vibrant, and his portrayal of Christ is magnificent. Charles Spurgeon said it best when he proclaimed. "Come just as you are, all guilty, empty, meritless and fall before the great King. And see if He will cast you away. Jesus is ready to pardon you... never tolerate low thoughts of Him. You may study, look and meditate, but Jesus is a greater Savior than you think. Him to be, even when your thoughts are at their highest." Throughout Matthew's gospel, he draws our attention to the One who is the rightful King of Israel. Jesus is portrayed as being born a King, living and dying as a King and coming again as the

ultimate King of Kings. As you read this gospel and study this commentary, you will be challenged to become His disciple and follow Him wherever He leads you.

The New Testament - Michael Straus 2019-05-02

My goal in this translation has been to bring some fresh turns of phrase to the Gospels, histories, letters, and revelatory texts already familiar to English readers and listeners, not least because they are the source of sayings and stories embedded in our language by virtue of the long dominance of the King James Version of the Bible. Although the Hebrew and Greek materials used for that version had their flaws, the quality of the English can hardly be improved upon. Some later translations relying on better materials have improved the accuracy of the text, but rarely

the rhythm and force of the style. My aim is therefore not to supplant other translations so much as to shed light on obscure passages; capture aspects of the man Jesus' personality as presented distinctively in the Gospels; convey in relatively plain language Christian doctrine and experience as related in Acts and the Epistles; and reflect the atemporal nature of the Book of Revelation. I have generally aimed for fluid, contemporary language—avoiding the overly literal, freely adopting the colloquial, and taking grammatical license where the writer employed imagery not subject to standard linguistic limitations. My goal is a user-friendly translation at once enjoyable, novelistic, and at times poetic.

Lord of the World - Robert Hugh Benson 1908

The novel's protagonist is a British Roman Catholic priest, Father Percy Franklin, who looks identical to the mysterious U.S. Senator Julian Felsenburgh of Vermont. The

senator appears as a lone and dramatic figure promising world peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.
