*The Kama Sutra (ANNOTATED)* - Mallanaga  
Vātsyāyana 2020-02-22

This is a great eBook. This is the Summarized Version of the Original Book. We had added almost 48000 words in our long summary and about 7400 words in our short summary of the book. the brief description is written as follows: - Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in

old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes. Vatsyayana Mallanaga is its widely accepted author because his name is embedded in the colophon verse, but little is known about him. Vatsyayana states that he wrote the text after much meditation. In the preface, Vatsyayana acknowledges that he is distilling many ancient texts, but these have not survived. He cites the work of others he calls "teachers" and "scholars", and the longer texts by Auddalaki, Babhravya, Dattaka, Suvarnanabha, Ghotakamukha, Gonardiya, Gonikaputra, Charayana, and Kuchumara. Vatsyayana's Kamasutra is mentioned and some verses quoted in the Brihatsamhita of Varahamihira, as well as the poems of Kalidasa. This suggests he lived before the 5th-century CE. Human relationships, sex and emotional fulfillment are a significant part of the post-Vedic Sanskrit literature such as the major Hindu epics: the Mahabharata and the Ramayana. The ancient Indian view has been,

states Johann Meyer, that love and sex are a delightful necessity. Though she is reserved and selective, "a woman stands in very great need of surata (amorous or sexual pleasure)", and "the woman has a far stronger erotic disposition, her delight in the sexual act is greater than a man's"

**Jamaica Me Dead** - Bob Morris 2006-10-03

TOO HOT TO HANDLE Former Miami Dolphin Zack Chasteen had a short pro career, but he's got a long memory. When his old gridiron pal Monk DeVane asks him to help beef up security at Libido, an X-rated Jamaican resort, Zack agrees. But he soon regrets it when he finds the resort owner quite literally on the hot seat--sitting on a bomb that will detonate if he so much as twitches a muscle... Things get even more explosive at the adult playground of Libido, where tourists indulge in sun and plenty of bawdy fun. From Montego Bay to the island's back country, Zack Chasteen descends into Jamaica's heart of darkness and its bloody political scene, bringing along his inscrutable sidekick Boggy, a Taino Indian shaman. With bullets flying and people dying, Zack must seek out the truth and settle some scores before his own life goes boom. "Advertised as a year-round summer read, this is exactly that, thanks to smart, polished prose; an affable narrator; swift, straightforward plotting in bite-size chapters; and a fun, exotic setting." --Booklist

*Historical Painting Techniques, Materials, and Studio Practice* - Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and

conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

*The Gazette Girls of Grundy County* - Gwen Hamilton Thogmartin 1994

In chapters that alternate between the sisters' distinctive voices, *The Gazette Girls of Grundy County* tells a captivating story of two women's adventures in a small midwestern town. Although both women had been trained in journalism, their education hadn't prepared them for the realities of running a country newspaper. While Gwen sold advertising to local businesses, Ardis worked financial wizardry, often dipping into her own savings, to keep the *Gazette* in the black. With no money for subscriptions, Grundy County residents taught the sisters the fine art of horse trading, offering dressed chickens, quarters of beef, “ricks” and “racks” of firewood, and countless other goods in exchange for subscriptions to the ever-improving newspaper. The “Gazette girls,” as they were known by the locals, were as different as they could be. At five foot two (in very high heels), Ardis was a serious career woman who dabbled in Republican politics. At five foot nine, Gwen was gregarious, always enthusiastic, and a closet Democrat. But both shared persistence and dedication in equal measure. As the sisters

waged daily battles with their temperamental Linotype and the printing press, Old Bertha, and their sometimes more temperamental printer operators, the Gazette began to garner awards for editorials and features and more important to earn the enthusiasm of its readers.

#### How Tobacco Smoke Causes Disease - 2010

This report considers the biological and behavioral mechanisms that may underlie the pathogenicity of tobacco smoke. Many Surgeon General's reports have considered research findings on mechanisms in assessing the biological plausibility of associations observed in epidemiologic studies. Mechanisms of disease are important because they may provide plausibility, which is one of the guideline criteria for assessing evidence on causation. This report specifically reviews the evidence on the potential mechanisms by which smoking causes diseases and considers whether a mechanism is likely to be operative in the production of human disease by tobacco smoke. This evidence is relevant to understanding how smoking causes disease, to identifying those who may be particularly susceptible, and to assessing the potential risks of tobacco products.

#### **When Dimple Met Rishi** - Sandhya Menon 2021-02-09

The inspiration for the Netflix original series *Mismatched!* Everyone is talking about this New York Times bestselling rom-com that Mindy Kaling called "utterly charming!" Eleanor & Park meets Bollywood in this hilarious and heartfelt novel about two Indian-American teens whose parents conspire to arrange their marriage. Dimple Shah has it all figured out. With graduation behind her, she's more than ready for a break from her family, from Mamma's inexplicable obsession with her finding the "Ideal Indian Husband." Ugh. Dimple knows they must respect her principles on some level, though. If they truly believed she needed a

husband right now, they wouldn't have paid for her to attend a summer program for aspiring web developers...right? Rishi Patel is a hopeless romantic. So when his parents tell him that his future wife will be attending the same summer program as him—wherein he'll have to woo her—he's totally on board. Because as silly as it sounds to most people in his life, Rishi wants to be arranged, believes in the power of tradition, stability, and being a part of something much bigger than himself. The Shahs and Patels didn't mean to start turning the wheels on this "suggested arrangement" so early in their children's lives, but when they noticed them both gravitate toward the same summer program, they figured, Why not? Dimple and Rishi may think they have each other figured out. But when opposites clash, love works hard to prove itself in the most unexpected ways.

#### **X** - James Galvin 2003

2002 Lannan Award winner explores through poetry the "vertigo of solitude" as his family dissolves.

#### **Discography of Western Swing and Hot String Bands, 1928-1942** - Cary Ginell 2001

The result of years of research by its authors, this discography strives to identify and trace the recorded development of the musical style now known as western swing from its early years through World War II. The style developed from the Texas string band tradition, growing from a fiddle and guitar duo into full swing band groups, and along the way, it drew from and absorbed a variety of other musical styles, thus making it one of the most diverse genres in American music. Through exhaustive research and interviews, Ginell and Coffey have provided the most complete and comprehensive listing of pre-War western swing and hot string band recordings to date.

#### **The Dance of Spices** - Laxmi Hiremath 2005-02-11

A new classic on adapting authentic Indian seasonings and techniques to today's American kitchen Indian cuisine has finally come into its own in the United States, as evidenced by the opening of numerous stylish, upscale Indian restaurants. The "dance of spices" refers to the complex, subtle layering of flavors that is at the base of all Indian cooking. This definitive cookbook showcases the wonderful diversity of

new Indian cuisine with 238 recipes: fragrant basmatis and rice pilafs; rich, soothing dishes like Chicken Korma; exotic dishes like Fennel-Scented Kashmir Lamb; tongue-teasing chutneys and relishes; side dishes like Velvety Mango Paneer; and sweet confections, all of which can be made with ease at home. Special chapters are devoted to subjects not fully explored in other books, such as tandoor barbecue, chaats—the savory street snacks of India—and popular flatbreads. Laxmi Hiremath (San Ramon, CA), born in the South of India, has taught Indian cooking in the United States for more than a decade and is one of the San Francisco Chronicle's most popular food writers. Her articles and recipes have appeared in such publications as *Gourmet*, *Bon Appétit*, and *Fine Cooking*.

*Fix Her Up* - Tessa Bailey 2019-06-11

A brand new romantic comedy from New York Times bestseller Tessa Bailey! Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to

keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

British Indian Wife - Our Cuckold Game - Dante X 2019-02-17

This is a six chapter 19,800 word story that is all about Layla and Adams wife watching and cuckold game... Excerpt ... Chapter 1 - Night out with her friends I could smell it on her breath, as soon as she slid into bed next to me and started kissing me as she was obviously still very aroused. Was it the smell of another man's cum! I'm sure I could even taste it as she started to put her tongue in my mouth and snog away like a woman on heat. I didn't say anything at the time but just rolled onto my back and let her continue. Her hand had found my semi hard xxxx as I had already come a couple of times lying in bed fantasizing about her meeting some guy in the casino where she went with her mates tonight. She came in at 4am and went out at 8pm last night so what the xxxx has she been doing... Excerpt... Chapter 3 - Oscar's house His house was very secluded and must have been worth a couple of million at least... As I pulled into the driveway behind them, he was already at the passenger door and helping Layla out. He quickly put his arm around her and started fingering her from behind again as they walked to the front door. Layla looked back at me and said "Love you babe" I followed them inside and could see Oscar had done very well for himself financially. We went into his lounge and he sat next to Layla on the sofa and said, "Adam... I want you to sit over there and film. My wife and I were just like you two, many years ago and we used to go to Rome in Italy as they were far more into the swinging scene than the boring old UK ... Then we were introduced to a very exclusive club in Amsterdam ... Have you ever been there?" - Excerpt... Chapter 4 - Amsterdam Then... an announcement was made, directing all

the new couples to the initiation room. We followed another 3 couples into an adjoining room that was typical of a dungeon play room full of equipment and racks etc. in a fetish club. Layla and the other 3 girls were stripped naked by the big black naked waiters and given long white cloaks to wear buttoned at the neck but fully open at the front. They were then all shackled to a long bar suspended from the ceiling by their wrists and ankle bars near the floor to spread their legs were attached to their ankles. The 4 girls were all shackled and standing in a line. Then we 4 husbands were made to wear a studded collar with ring attached and a lead attached to each of our necks. We were also stripped totally naked, except for the collar and leather lead. Some girls then appeared dressed as dominatrix's and carried these leather G string pouches with a built in ring that they inserted over our xxx. They pulled and caressed our xxx to make them hard and tightened the xxx rings so our xxx stood up front at all times. We were then made to stand facing our respective wives and told that we must not play with our own xxx while watching the initiation but the other members may come and play with, suck, insert butt plugs and even xxx us if they chose. But we must not come, until given permission. Layla was looking so xxxxx sexy being the only dark skinned Indian girl attached to the rail. Music started playing and the lights went down to almost blackness. I could just see Layla in front of me and all the other guests had formed a long line and were moving along the girls one by one, touching them all over.

*The Fourth Industrial Revolution* - Klaus Schwab  
2017-01-03

World-renowned economist Klaus Schwab, Founder and Executive Chairman of the World Economic Forum, explains that we have an opportunity to shape the fourth industrial revolution, which will fundamentally alter how we live and work. Schwab argues that this revolution is different in scale, scope and complexity from any that have come before. Characterized by a range of new technologies that are fusing the physical, digital and biological worlds, the developments are affecting all disciplines, economies, industries and governments, and even challenging ideas about what it means to be

human. Artificial intelligence is already all around us, from supercomputers, drones and virtual assistants to 3D printing, DNA sequencing, smart thermostats, wearable sensors and microchips smaller than a grain of sand. But this is just the beginning; nanomaterials 200 times stronger than steel and a million times thinner than a strand of hair and the first transplant of a 3D printed liver are already in development. Imagine "smart factories" in which global systems of manufacturing are coordinated virtually, or implantable mobile phones made of biosynthetic materials. The fourth industrial revolution, says Schwab, is more significant, and its ramifications more profound, than in any prior period of human history. He outlines the key technologies driving this revolution and discusses the major impacts expected on government, business, civil society and individuals. Schwab also offers bold ideas on how to harness these changes and shape a better future—one in which technology empowers people rather than replaces them; progress serves society rather than disrupts it; and in which innovators respect moral and ethical boundaries rather than cross them. We all have the opportunity to contribute to developing new frameworks that advance progress.

**Handbook of African Medicinal Plants, Second Edition** - Maurice M. Iwu 2014-02-04  
With over 50,000 distinct species in sub-Saharan Africa alone, the African continent is endowed with an enormous wealth of plant resources. While more than 25 percent of known species have been used for several centuries in traditional African medicine for the prevention and treatment of diseases, Africa remains a minor player in the global natural products market largely due to lack of practical information. This updated and expanded second edition of the Handbook of African Medicinal Plants provides a comprehensive review of more than 2,000 species of plants employed in indigenous African medicine, with full-color photographs and references from over 1,100 publications. The first part of the book contains a catalog of the plants used as ingredients for the preparation of traditional remedies, including their medicinal uses and the parts of the plant used. This is followed by a

pharmacognostical profile of 170 of the major herbs, with a brief description of the diagnostic features of the leaves, flowers, and fruits and monographs with botanical names, common names, synonyms, African names, habitat and distribution, ethnomedicinal uses, chemical constituents, and reported pharmacological activity. The second part of the book provides an introduction to African traditional medicine, outlining African cosmology and beliefs as they relate to healing and the use of herbs, health foods, and medicinal plants. This book presents scientific documentation of the correlation between the observed folk use and demonstrable biological activity, as well as the characterized constituents of the plants.
