Coming Soon - Michael Barber 2005

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

The Great Day - Dr. Festus K. Akinnifesi 2021-10-21

The most remarkable story ever revealed starts like this: "...And war broke out in heaven: Michael and his angels fought with the dragon..." *The Great Day* is anchored on the allegorical story of the woman in Revelation 12 and her adversary, which led to the war in heaven—the root of all wars and woes on earth. In her, the unchangeable and eternal purpose of God for humanity was perfectly sealed. The author presents three stages of war by her Antagonist—a first war in heaven, then many wars on earth—, then a final war from heaven before the messianic kingdom of Christ. The result is a prophecy book that is almost as dramatic and moving as a novel, yet it's not a fiction. Interpreting the entire end-time prophecies from this vantage point, is what sets this book apart from the rest. In particular, four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess. The reader will discover early in the book, how the invention of another woman—Asherah, the mother of Baal, later coded as Babylon in Revelation 17 became Satan's greatest game changer. Who is the real Gog and Magog—the Antichrist that would occupy Israel? Why

Russia is not the Gog of Magog of Ezekiel's prophecy. Understanding the sequence and purpose of the 21 plagues—the seven seals and the sets of retributory plagues of tribulation—seven trumpets and seven bowls of wrath. How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11? What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war? The Great Day is a must read for every Christian concerned about the end-time—our eternal destiny. The entire kingdom agenda of Jesus is about the End-times

Do we really need another book on End-Times? With all the Left-Behind movies, Armageddon scenarios, Mystery Babylon theories, Revelation Trumpets, and Mid-East Beast teachings, what's left to talk about? Could there be something we haven't heard? The answer is amazingly yes! Despite all the best sellers, the church continues to be ignorant and confused about End-Times. Many questions remain unanswered and controversies continue to grow. Are we in the End-Times? How do we know for sure? Is God's judgment coming or is everything going to get better? [Insights in Prophecy: Unlock the Ancient Mysteries of Daniel and Revelation](#) BIBLE DISCOVERY SERIES - Kevin R. Swift 2012-08-09

The Holy Scriptures predict end-time catastrophes and global upheaval as foretold in the mysterious scrolls of Daniel and Revelation, and confirmed by Jesus in the Gospel accounts. However, believers through the centuries have wondered, why has there been such a long protracted delay in Messiah's return? How close are we to the appointed time written about by the Hebrew prophets? Are we the last generation? And, how will all the ancient last-day prophecies play out in our modern world? Some of these questions have recently been answered by looking at the prophecies with a set of new eyes. For example, it's commonly taught that Daniel's visions relate mainly to kings, wars and events of history past; therefore, the book has little relevance to modern times. However, the overlapping similarities between Daniel's visions and time periods and the events and timelines in the book of Revelation clearly show they are related. So, by uniting the prophecies of these two books into one, a bold new understanding has been unleashed of just how human history, as we know it, will come to an abrupt end. The prophetic

time periods of the two books (490 days; 1,150 days; 1,260 days; 1,290 days and 1,335 days) were first aligned into a chronological chart in 1990, and two years later it was discovered the chart lined up between the Biblical/Jewish Festivals in what is now referred to as The Kingdom Calendar. If accurate, the "appointed times and seasons" counting periods that lead to the end of the age will begin at Purim with a disastrous Jerusalem event that will stop daily worship at the Western Wall and Temple Mount, and the daily counting will continue for over three and one-half years of global turmoil—ending at the Great Tribulation and Armageddon confrontation. The Insights in Prophecy 30 lesson guides will take you step by step through the books of Daniel and Revelation, showing how they relate to one another, and offering you a fresh new perspective on the previously sealed oracles... for "Surely the Sovereign LORD does nothing without revealing His plan to His servants the prophets," (Amos 3:7). You'll discover thought-provoking questions, along with Biblical answers and commentary on the various aspects of God's unfolding plan for the last days leading up to Messiah's return and His Eternal Jubilee.

Book of Revelation - Ed Hindson 2020-09-14

WILL THE HUMAN RACE SURVIVE IN THE FUTURE? EVERYONE IS CURIOUS ABOUT THE FUTURE. There is something in human nature that wants to know what is going to happen next. God speaks to the need in our lives by revealing the future before it happens. That process is called a prophecy of future events. This book is a study of the prophecies in the book of Revelation. The book of Revelation is the grand and noble conclusion to the Bible. It captivates our attention, stirs our imagination, and points us to our glorious future destiny. It shows the living relationship between the risen Christ and His Bride, the Church. It also records the final days of this world and reveals the glorious new world yet to come. The book of Revelation gives us hope for the future when God will make "all things new" (Rev.21:5). Dr. Hindson simplifies the message of the Revelation so that you can easily understand it for yourself. He surveys the general content of this captivating book of prophecy with a view to keeping the big picture in mind, rather than getting lost in all the details. His approach is to keep the study focused on the key issues in each chapter. The Book of Revelation has been called the epilogue of the unfolding drama of redemption. It's God's road map to help us understand where human history is going. In the biblical record, human history begins in a garden and ends in the eternal city. It

begins with tragedy and ends with triumph. It begins with man's failure and ends with his exaltation. In between, there stands a cross! and on that cross, Jesus Christ changed the course of human history forever. The message of the Bible represents the timeless truth of God. As each generation seeks to apply that truth to its specific context it becomes necessary for an up-to-date commentary to be created just for them. The editors and authors of the Twenty-First Century Biblical Commentary" have endeavored to do just that. They represent conservative, evangelical, and dispensational scholarship at its best.

Reading Revelation Responsibly - Michael J. Gorman 2011-01-01

Reading Revelation Responsibly is for those who are confused by, afraid of, and/or preoccupied with the book of Revelation. In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it, Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself. He takes interpreting the book as a serious and sacred responsibility, believing how one reads, teaches, and preaches Revelation can have a powerful impact on one's own--and other people's--well-being. Gorman pays careful attention to the book's original historical and literary contexts, its connections to the rest of Scripture, its relationship to Christian doctrine and practice, and its potential to help or harm people in their life of faith. Rather than a script for the end times, Gorman demonstrates how Revelation is a script for Christian worship, witness, and mission that runs counter to culturally embedded civil religion.

[The World System Equals the Beast of Revelation](#) - Michael Hazelwood 2014-03-17

The beast of Revelation was the Old Roman Empire system, which ruled all of Europe and the Middle East. When Rome fell from within due to the weight of its own government, it was said the beast was dead—but this beast is coming back to life and taking over the world once more. In *The World System Equals the Beast of Revelation*, author Michael Hazelwood examines this occurrence by unlocking the mysteries of the book of Revelation chapter by chapter. He discerns the signs of the times we are living in with step-by-step biblical and historical references. Bringing a better understanding through the truth of God's Word, Hazelwood explains world events and their relevance to the Bible. He shows how America is described in a biblical prophecy—even if it isn't mentioned by name—and how it is affected by the Old Roman Empire and the Catholic Church. *The World System Equals the Beast of Revelation* seeks to help Christians gain a better understanding of Bible prophecy and end-time events and find the love, hope, and forgiveness God has for all in Jesus Christ the Lord.

[The Little Book of Revelation](#) - Eli of Kittim 2013-02-15

This book is a fascinating study in search of the real Jesus. The author concludes that scripture is essentially a collection of prophecies, not a record of past events. Jesus did not say, "Blessed is he who heeds the words of the history of this book," but rather "Blessed is he who heeds the words of the prophecy of this book." Thus, the current tenets of Christianity with regard to the origin and advent of Jesus are based on fundamental misconceptions. The book's argument is that Christ's visitation has not yet occurred in the world of time, since it is a future

event, and that his origin will be derived from the Greeks, not the Jews, when he does appear.

Questions and answers regarding the content of the last book of the New Testament of the Bible, known as Revelation.

The Seven Seals of the Apocalypse - 2009-04-01

Filling today's religious book market are Apocalypse commentaries teaching that the seven seals of Revelation 5-8 describe tragedies that are to take place in the last days. Medieval Europeans, on the other hand, thought very differently about the seven seals. Some used the seven seals for catechetical purposes and associated them with seven major events in the life of Christ or seven gifts of the Holy Spirit. Other medieval writers taught that the seven seals contained symbols about life in the church between the first and second comings of Christ. Still others viewed the seals as milestones in the grand outline of salvation history. This book illustrates this vastness of medieval interpretive tradition on the seven seals. It includes fifteen texts from the sixth through the fifteenth centuries, which have been organized under three headings: those illustrating christological interpretations of the seven seals, those proposing ecclesiastical interpretations, and those giving historical interpretations.

The Holy Land Key opens our eyes to little-known aspects of prophecy, including: · God's master plan revealed in the seven Feasts of the Lord · The ingathering of God's people, and the ways Israelis are hearing from God today · Significant prophetic patterns discovered in the lunar cycle · Awe-inspiring testimonies to God's glory spelled out in the night sky · Glimpses of God's future kingdom revealed in the stories of well-known figures from Scripture For decades, author and pastor Ray Bentley has partnered with God's people in Israel, including Judea and Samaria, the area known as the West Bank. There, he witnesses the fulfillment of prophecy firsthand. This is your introduction to prophetic signs that God reveals in sometimes unexpected ways. He does not want us to miss the work he is doing to usher in the coming Kingdom.
