Our digital library saves in fused countries, allowing you to get the most less latency epoch to download any of our books later than this one. Merely said, the Moonchild Aleister Crowley is universally compatible subsequently any devices to read.

**A Magick Life** - Martin Booth 2001

"A Magick Life is a detailed and extensively researched biography, a uniquely unbiased study of one of the twentieth century's most charismatic, misinterpreted and controversial figures, a brilliant polymath whose considerable intellect and talent were crushed by his self-destructiveness."--Back cover

**The Book of Lies** - Aleister Crowley 2018-01-23

Aleister Crowley s The Book of Lies is an important and complex work of occultism. Deciphering its many layers of hidden meaning requires a little patience and more than a beginner s knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley s original text, including the important keys, sigils and diagrams often omitted from reprints.

The Magical Record of the Beast 666 - Aleister Crowley 1972

**Jane Wolfe** - Jane Wolfe 2008-09-01

A fascinating look into the training undertaken by Jane Wolfe, a student of Aleister Crowley, at the Abbey of Thelema in Cefalu, Sicily. This book collects the bulk of Wolfe's surviving diary entries from Cefalu, most of which were typed, complete with handwritten commentary from Crowley on many pages. The diary is presented in grayscale facsimile format. Compiled and Introduced by Dr. David Shoemaker.

*Blackbird* - Geoffrey Giuliano 1997-08-21

Examines the distinct public and private life of the former Beatle

*The Net and the Butterfly* - Olivia Fox Cabane 2017-02-07

In The Charisma Myth, Olivia Fox Cabane offered a groundbreaking approach to becoming more charismatic. Now she teams up with Judah Pollack to reveal how anyone can train their brain to have more eureka insights. The creative mode in your brain is like a butterfly. It's beautiful and erratic, hard to catch and highly valued as a result. If you want to capture it, you need a net. Enter the executive mode, the task-oriented network in your brain that help you tie your shoes, run a meeting, or pitch a client. To succeed, you need both modes to work together--your inner butterfly to be active and free, but your inner net to be ready to spring at the right time and create that "aha!" moment. But is there any way to trigger these insights, beyond dumb luck? Thanks to recent neuroscience discoveries, we can now explain these breakthrough moments--and also induce them through a series of specific practices. It turns out there's a hidden pattern to all these seemingly random breakthrough ideas. From Achimedes' iconic moment in the bathtub to designer Adam Cheyer's idea for Siri, accidental breakthroughs throughout history share a common origin story. In this book, you will learn to master the skills that will transform your brain into a consistent generator of insights. Drawing on their extensive coaching and training practice with top Silicon Valley firms, Cabane and Pollack provide a step-by-step process for accessing the part of the brain that produces breakthroughs and systematically removing internal blocks. Their tactics range from simple to zany, such as: · Imagine an alternate universe where gravity doesn't exist, and the social and legal rules that govern it. · Map Disney's Pocahontas story onto James Cameron's Avatar. · Rid yourself of imposter syndrome through mental exercises. · Literally change your perspective by climbing a tree. · Stimulate your

butterfly mode by watching a foreign film without subtitles. By trying the exercises in this book, readers will emerge with a powerful new capacity for breakthrough thinking.

**The Works of Aleister Crowley** - Aleister Crowley 1905

**Household Gods** - Aleister Crowley 1912

THE SCENE is at the hearth of CRASSUS, where is a little bronze altar dedicated to the Lares and Penates. A pale flame rises from the burning sandal-wood, on which CRASSUS throws benzoin and musk. He is standing in deep dejection. CRASSUS. Smoke without fire No thrill of tongues licks up The offerings in the cup. Dead falls desire.

**Beast Or Man?** - Sean M'Guire 2009-09

Sean M'Guire wrote this lost race novel in 1930 when such stories were mired in racism and formula. But BEAST OR MAN? is more in the mold of H. Rider Haggard and addresses deeper themes, and at the same time, providing a rousing romp through Africa. This is the first book from Dancing Tuatara Press, an imprint (DTP) which promises to publish more novels of Sean M'Guire.

*Moonchild* - Aleister Crowley 2016-12-05

A year or so before the beginning of World War I, a young woman named Lisa la Giuffria is seduced by a white magician, Cyril Grey, and persuaded into helping him in a magical battle with a black magician and his black lodge. Grey is attempting to raise the level of his force by impregnating the girl with the soul of an ethereal being - the moonchild. To achieve this, she will have to be kept in a secluded environment, and many preparatory magical rituals will be carried out. The black magician Douglas is bent on destroying Grey's plan. However, Grey's ultimate motives may not be what they appear. The moonchild rituals are carried out in southern Italy, but the occult organizations are based in Paris and England. At the end of the book, the war breaks out, and the white magicians support the Allies, while the black magicians support the Central Powers.

*The Best of the Equinox, Sex Magick* - Aleister Crowley 2013-11-01

Selections from writings of Aleister Crowley on sex magick as published famed magical journal the Equinox. The Equinox, in print from 1909-1919, was a magical journal published by Aleister Crowley and included Crowley's own A...A... laws, rituals and rites, reviews, and magical works by other important practitioners. Much of this material was collected by Israel Regardie and published in the massive Gems from the Equinox (1974). Now, renowned scholar and U.S. Deputy Grandmaster General of the O.T.O. Lon Milo DuQuette presents readers with his own selections from this classic publication, The Best of the Equinox. Volume III of the series presents perhaps the most controversial of esoteric subjects, sex magick. Once Aleister Crowley grasped the fundamentals of sexual magick, he came to understand it to be the key that unlocks the secrets of the universe. He dedicated the entire second half of his life to exploring its mysteries. This volume presents the bulk of Crowley's written works on the subject and includes "The Gnostic Mass," "Energized Enthusiasm," "Liber A'ash," "Liber Chath," and "Liber Stellae Rubeae."

*Moonchild Illustrated* - Aleister Crowley 2021-04-06

Moonchild is a novel written by the British occultist Aleister Crowley in 1917. Its plot involves a magical war between a group of white magicians, led by Simon Iff, and a group of black magicians, over an unborn

child. It was first published by Mandrake Press in 1929 and its recent edition is published by Weiser.

**The Devil's Mistress** - J W Brodie Innes 2021-11-09

"The Devil's Mistress" by J W Brodie Innes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Aleister Crowley** - Tobias Churton 2014-05-20

At last, the unexpurgated, true story of the amazing Aleister Crowley—philosopher, poet, artists, writer, magus, explorer, parapsychology—and spy. Packed with fresh research and previously unpublished 'Crowleyana.' For 100 years, Aleister Crowley's true achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history. Until now, Crowley's life has not been written—it has been written over. Tobias Churton is a world authority on Freemasonry, Rosicrucianism, and Gnosticism. In writing Aleister Crowley, he enjoyed complete access to all Crowley's restricted papers, unpublished letters and personal diaries kept in a trust at London's Warburg Institute and in the Ordo Templi Orientis archives. Ninety percent of the authentic material here has never before been published.

**Plays of Aleister Crowley** - Aleister Crowley 2013-02-28

The most evil and wickedness man in the world, this is but one of the many misconceptions that have come down to us about Aleister Crowley. Most of which are in fact not true, or were misrepresentation's created in part by the newspapers and in part by Crowley himself. Crowley was in fact an artist, poet, playwright, mountaineer, explorer, magus, bisexual, a drug user, and even on an occasion a spy. Here for the first time are collected together some of Crowley's best play's showing just how talented a playwright Aleister Crowley actually was.

**The Diary of a Drug Fiend** - Aleister Crowley 2010-09-01

This is a true story... It is a terrible story; but it is also a story of hope and of beauty. Written by Aleister Crowley, Diary of a Drug Fiend tells the story of young Peter Pendragon and his lover Louise Laleham, and their adventures traveling through Europe in a cocaine and heroin haze. The bohemian couples' binges produce visions and poetic prophecies, but when their supply inevitably runs dry they find themselves faced with the reality of their drug addiction. Through the guidance of King Lamus, a master adept, they use the application of practical Magick to free themselves from addiction. Released in as his first published novel in 1922 and dubbed "a book for burning" by the papers of the time, Diary of a Drug Fiend reveals the poet, the lover, and the profound adept that was Aleister Crowley.

**The Three Magical Books of Solomon** - 2019-12-03

Finally in a single book, the Keys and Testament of Solomon are available together in The Three Magical Books of Solomon: The Greater and Lesser Keys & The Testament of Solomon. The Testament is a story of his use of magic to control demons and the Keys reveal his spells and methods. The Lesser Key of Solomon is a well-know grimoire which has the description of the 72 demons conjured by Solomon, along with illustrations of their sigils, and the instructions for how to summon them. It also lists "Spirits mingled of Good and Evil Natures". The third book, attributed to the Apostle Paul, discusses the "Spirits allotted unto every degree of the 360 Degrees of the Zodiac; and also of the Signs, and of the Planets in the Signs, as well as of the Hours." Later on, Ars Almadel Salomonis provides instructions on how to create a wax tablet with specific designs intended to contact angels via scrying. This book also contains the prayers and orations of Solomon. The Key of Solomon the King is a very famous and important grimoire. It is divided up into two books. The first section includes various chants, spells, and curses to summon or restrain demons and the spirits of the dead. It also contains instructions on how to perform a series of magic spells. The second part describes purifications an exorcist should undergo, as well as on clothing and magical devices. The Testament of Solomon is about demons summoned by King Solomon, and how they can be countered by invoking angels and other magical techniques. It is one of the oldest magical texts attributed to King Solomon, dating First Century A.D.

**Moonchild** - Jack Hunter 2002

Kenneth Anger: author of Hollywood Babylon, disciple of Aleister Crowley, former mentor to both Bobby Beausoleil and Mick Jagger, "Godfather" of MTV--and almost certainly one of the most original and talented film-makers of the 20th Century. Moonchild is a comprehensive study of Anger's films focusing in particular on the occult, mind-altering, homo-erotic, and pop-culture elements found within such classics as Fireworks, Inauguration of the Pleasure Dome, Scorpio Rising, and Invocation Of My Demon Brother.

**Moonchild and the Hymn to Pan (Jabberwoke Pocket Occult)** - Aleister Crowley 2021-09

"This book was written in 1917, during such leisure as my efforts to bring America into the War on our side allowed me. Hence my illusions on the subject, and the sad showing of Simon Iff at the end. Need I add that, as the book itself demonstrates beyond all doubt, all persons and incidents are purely the figment of a disordered imagination?" So begins the cattiest, messiest novel from infamous transcriber of the Book of Lies, the Beast Himself, Aleister Crowley(1875-1947). Hiding behind the guise of fiction, Moonchild is Crowley's platform to throw shade at his nemeses in England's spiritualist circles: the Theosophists, Christian Scientists, The Society for the Psychical Research--none are spared Crowley's sardonic quips. He trashes Madame Blavatsky as a fraud and darkly hints that Anne Besant--like himself--may have had hidden connections to the shadowy underbelly of metaphysical military intelligences. Crowley's main ire is reserved for "black magicians" such as Arthur Edward Waite and MacGregor Mathers, whose thinly-veiled fictionalized selves haunt Moonchild as its primary antagonists, captives of the evil forms of magick they have chained themselves to. The narrative follows the initiation of "Lisa la Giuffria" (a representation of Crowley-muse Mary D'Este) into the White Lodge, recruited to fill the role of the Goddess Artemis in a secret Experiment that could re-order the future of all humankind. It is in these passages that Crowley reveals some of the technical mechanisms of his Order's particular magickal system--as the heretical blood magick practiced by the truly wicked and the fallen. The Jabberwoke pocket edition births this text into a new century, so that its surreal message of the dangers of surrendering to the dark and straying from the path of the Tao can enlighten the children of the age of Aquarius, and all the Moonchildern to come.

**Aleister Crowley and Western Esotericism** - Henrik Bogdan 2012-09-20

Henrik Bogdan and Martin P. Starr offer the first comprehensive examination of one of the twentieth century's most distinctive occult iconoclasts, Aleister Crowley (1875-1947), one of the most influential thinkers in contemporary western esotericism.

**Bare-Faced Messiah** - Russell Miller 2016-01-07

Bare-Faced Messiah tells the extraordinary story of L. Ron Hubbard, a penniless science-fiction writer who founded the Church of Scientology, became a millionaire prophet and convinced his adoring followers that he alone could save the world. According to his 'official' biography, Hubbard was an explorer, engineer, scientist, war hero and philosopher. But in the words of a Californian judge, he was schizophrenic, paranoid and a pathological liar. What is not in dispute is that Hubbard was one of the most bizarre characters of the twentieth century. Bare-Faced Messiah exposes the myths surrounding the fascinating and mysterious founder of the Church of Scientology - a man of hypnotic charm and limitless imagination - and provides the definitive account of how the notorious organisation was created.

**Magick Without Tears** - Aleister Crowley 2014-03-07

The book consists of 80 letters to various students of magick. Originally to be titled Aleister Explains Everything, the letters offer his insights into both magick and Thelema—Crowley's religious and ethical system—with a clarity and wit often absent in his earlier writings. The individual topics are widely varied, addressing the orders O.T.O. and AA, Qabalah, Thelemic morality, Yoga, astrology, various magical techniques, religion, death, spiritual visions, the Holy Guardian Angel, and other issues such as marriage, property, certainty, and meanness. The book is considered by many as perhaps Crowley's most notable contribution to the occult studies, defining magick for the 20th century.

**The Equinox** - Aleister Crowley 1990-01-01

Along with his written works, Aleister Crowley's legacy includes the organization he is credited with founding, the OTO or Ordo Templi Orientis -- The Order of Oriental Templars. This book contains key introductory material to this contemporary occult society, along with a history of the Order after Crowley's death. The format of this edition matches that of the first Equinox series published with Crowley as editor

and includes magical instruction, communications to OTO members (all the dirt on court cases the OTO has been involved in), and original works of fiction and poetry. As part of this latter category, this book features an illustrated study of the works of underground filmmaker Kenneth Anger with a complete filmography. It could be argued that Aleister Crowley (1875-1947) anticipated the entire New Age phenomenon with his methods of teaching, codified in the tenets of the OTO. A rich melange of ritual magic, traditional spiritual practice, drug use, and sex, borrowing from many different cultures and traditions, informed the development of this lasting magical system. Although he's been popularized (and demonized) as The Beast, 666, his teachings have shown lasting value.

Moon Magic - Dion Fortune 2003-06-01

First published in 1938 and 1956, neither Sea Priestess nor Moon Magic have been out of print and are enduring favorites among readers of esoteric fiction. 'New packages will update these classic novels and introduce them to a new generation of readers.

The Confessions of Aleister Crowley - Aleister Crowley 2022-06-20

One of the most famous books on the occult ever written: a record of Crowley's journey into strange regions of consciousness: his initiation into magick, his experiments in the occult, and the philosophy of his famous "Book of the Law".

**Aleister Crowley** - Gary Lachman 2014-05-15

This definitive work on the occult's "great beast" traces the arc of his controversial life and influence on rock-and-roll giants, from the Rolling Stones to Led Zeppelin to Black Sabbath. When Aleister Crowley died in 1947, he was not an obvious contender for the most enduring pop-culture figure of the next century. But twenty years later, Crowley's name and image were everywhere. The Beatles put him on the cover of Sgt. Pepper's Lonely Hearts Club Band. The Rolling Stones were briefly serious devotees. Today, his visage hangs in goth clubs, occult temples, and college dorm rooms, and his methods of ceremonial magick animate the passions of myriad occultists and spiritual seekers. Aleister Crowley is more than just a biography of this compelling, controversial, and divisive figure—it's also a portrait of his unparalleled influence on modern pop culture.

The Diary of a Drug Fiend - Aleister Crowley 1922

**The Drug and Other Stories** - Aleister Crowley 2010

Edited, with an Introduction, by William Breeze. Foreword by David Tibet. This volume brings together the uncollected short fiction of the poet, writer and religious philosopher Aleister Crowley (1875 - 1947). Crowley was a successful critic, editor and author of fiction from 1908 to 1922, and his short stories are long overdue for discovery. Of the fifty-two stories in the present volume, only thirty were published in his lifetime. Most of the rest appear here for the first time. Like their author, Crowley's stories are fun, smart, witty, thought-provoking and sometimes unsettling. They are set in places he had lived and knew well: Belle Epoque Paris, Edwardian London, pre-revolutionary Russia and America during the first World War. The title story The Drug stands as one of the first - if not the first - accounts of a psychedelic experience. His Black and Silver is a knowing early noir discovery that anticipates an entire genre. Atlantis is a masterpiece of occult fantasy, a dark satire that can stand with Samuel Butler's Erewhon. Frank Harris considered The Testament of Magdalen Blair the most terrifying tale ever written. Extensive editorial end-notes give full details about the stories.

Gems from the Equinox - Aleister Crowley 2007-11-30

In the original ten volumes of the Equinox, Aleister Crowley succeeded in synthesizing the aim of religion and the method of science. Israel Regardie's selections in Gems of the Equinox make a volume that is invaluable to readers, students, and adepts. It includes material on Crowley's magical order, magical rituals, yoga, invocations, and sex magick, among many other topics. Gems from the Equinox is a unique resource that serves as a veritable textbook for the magickal orders AA and O.T.O. Although it is written for the advanced practitioner, beginners will gain much from its many pages of wisdom, including yoga postures and breathing techniques, ceremonial rituals and meditations, an Enochian magick primer, and The Book of the Law. In Gems from the Equinox, Israel Regardie's selections of Aleister Crowley's writings synthesize the aim of religion and the method of science, making it invaluable to readers, students, and

adepts. Gems is a must have for every student of Occultism, Mysticism, Thelema, Magick, and comparative religion.

**Enochian World of Aleister Crowley** - Aleister Crowley 2008-01-01

Many consider Enochiana the most powerful and least understood system of Western Occult practice. This book makes it truly accessible and easy to understand. Crowley's work was the launching pad for all that followed. Originally published in 1912, it rent the veil of the Inner Order of the Golden Dawn and revealed its most precious jewel for all to see. And now, for the first time, the reader is provided with instructions that bridge the gap between the material and spiritual worlds by integrating Enochiana with Sex Magick. Mr DuQuette and Dr Hyatt bring over forty years of practical experience in the field to show you how to start using this powerful system right now. It also includes an Enochian dictionary.

Moonchild Illustrated - Aleister Crowley 2021-04-17

Moonchild is a novel written by the British occultist Aleister Crowley in 1917. Its plot involves a magical war between a group of white magicians, led by Simon Iff, and a group of black magicians, over an unborn child. It was first published by Mandrake Press in 1929 and its recent edition is published by Weiser.

Studies in Occultism - Helena Petrovna Blavatsky 1910

*The Handbook of Geomancy* - Aleister Crowley

*Moonchild* - Aleister Crowley 2018-03-31

From the author of Diary of a Drug Fiend comes another madcap tale involving Brits and black magic. The plot centers around a war between a group of white magicians, led by Simon Iff, and a group of black magicians, over an unborn child.

**The Two Novels of Aleister Crowley** - Aleister Crowley 2018

Aleister Crowley is best known for his work in the occult, his writings on Magick, and creating the religion of Thelema. He was a giant of his time with many talents and, some argue, many flaws as well. Of all his gifts, his writing was the vehicle that drove his genius. His Book of the Law and other mystical works are widely read by students of occult philosophy. Few, however, are familiar with his more artistic endeavors, including his two literary novels: Diary of a Drug Fiend & Moonchild. For whatever reason, stories help readers integrate and understand larger themes and ideas present in the narrative. Perhaps that is why people look to allegories like Cain and Abel when trying to understand the nature of murder, or recite The Boy Who Cried Wolf when teaching their children not to lie. The truths appearing in fiction take no intellectual effort to grasp; they work subtly on the reader's mind in a way that is easier to digest than the cold, hard philosopher's stone. The great religions of the world understand this. Crowley took note as well. His two novels carry the message of Thelema. The characters and themes in the books were imagined and created to dramatize and illustrate its practice. The reader sees Thelema in action and learns of Crowley's broader beliefs and philosophy as the drama unfolds. "Do what thou wilt shall be the whole of the law; Love is the law, love under will." A short phrase with monumental import. In Diary of a Drug Fiend, Crowley shows its power to bring two hopeless addicts out of a pit of hell. In Moonchild, he demonstrates the fate of those who would misinterpret its meaning and be seduced by the temptations of Black Magick. Whether intended or not, The Two Novels of Aleister Crowley provide a more compelling case for his beliefs than his other works ever could.

**The Scrutinies of Simon Iff** - Aleister Crowley 1987

Six detective stories featuring the mystic, magician and man of the world Simon Iff who resolves crime by way of Tao.

**The Deaths and Afterlife of Aleister Crowley** - Ian Thornton 2019-08-22

Aleister Crowley, also known as the Great Beast, is one of the most reviled men in history. Satanist, cult leader, debauched novelist and poet, his legacy has been harshly contested for decades. Crowley supposedly died in 1947, but in Ian Thornton's new novel, set in the present day, the Great Beast is alive and well and living in Shangri-la. Now over 130 years old, thanks to the magical air of his mystical location, he looks back on his life and decides it is time to set the record straight. For Crowley was not the evil man he is often portrayed as. This was just a cover to hide his real mission, to save the twentieth century from

destroying itself and to set humanity on the road to freedom and liberty. The Death and Afterlife of Aleister Crowley is an epic novel that will make you see this notorious figure in a completely new light, as he encounters an impressive cast of real-life characters including Timothy Leary, The Beatles, Princess Margaret, Orson Welles and Alfred Hitchcock.

**Magical Diaries of Aleister Crowley** - Aleister Crowley 1996-01-01

Written after his expulsion by Mussolini from the abbey of Thelema in Cefalu, Sicily, these records consolidate the work that Crowley began in Cefalu and explore more deeply the various techniques of cabalistic and sexual magic, as well as his contact with the Arab magic of North Africa.

**A Description of the Cards of the Tarot** - Aleister Crowley 2007-07

This book originally appeared in Crowley's larger volume, The Equinox, in 1912. A complete and thorough study of all the cards. Recommended to serious students of the tarot.

**Eight Lectures on YOGA** - Aleister Crowley 2020-03-10

Love is the law, law under will. Yoga is 'the way.' Definitely one of the most readable of Crowley texts, Eight lectures on Yoga is an excellent look at the yogic philosophies. If you've done some yoga then move along to Aleister Crowley and see what you can learn from one of the most fascinating minds of the past hundred years. He discusses astrological principles, physics, esoteric and secret knowledge and links all it all to Magick. This book is plenty of very profound thought, and you will not leave this fantastic work without spiritual growth.
