Crime and Punishment - Fyodor Dostoevsky 2018

An event to be celebrated, a "rare Dostoevsky translation" (William Mills Todd III, Harvard University) that fully captures the literary achievements of the original. So essential is Crime and Punishment (1866) to global literature and even to our understanding of roiling Russia today that Edward Snowden, while confined to the Moscow airport, was given only three books to help him absorb the culture, one being Fyodor Dostoevsky's classic in which Raskolnikov, an impoverished student, sees himself as extraordinary and therefore free to commit crimes--even murder--in a work that best embodies the existential dilemmas of man's instinctual will to power. Yet English translators have long struggled with excessive literalism, and no translation exists that is truly felicitous to the literary nuances of the original prose. Now, acclaimed translator Michael R. Katz addresses these challenges with new insights into the linguistic richness, the subtle tones, and the cunning humor. With its searing and unique portrayal of the labyrinthine universe of nineteenth-century St. Petersburg, this sparkling rendering of Dostoevsky's masterpiece will be read for decades to come.

Without You, There Is No Us - Suki Kim 2014-10-14

A haunting account of teaching English to the sons of North Korea's ruling class during the last six months of Kim Jong-il's reign Every day, three times a day, the students march in two straight lines, singing praises to Kim Jong-il and North Korea: Without you, there is no motherland. Without you, there is no us. It is a chilling scene, but gradually Suki Kim, too, learns the tune and, without noticing, begins to hum it. It is 2011, and all universities in North Korea have been shut down for an entire year, the students sent to construction fields—except for the 270 students at the all-male Pyongyang University of Science and Technology (PUST), a walled compound where portraits of Kim Il-sung and Kim Jong-il look on impassively from the walls of every room, and where Suki has gone undercover as a missionary and a teacher. Over the next six months, she will eat three meals a day with her young charges and struggle to teach them English, all under the watchful eye of the regime. Life at PUST is lonely and claustrophobic, especially for Suki, whose letters are read by censors and who must hide her notes and photographs not only from her minders but from her colleagues—evangelical Christian missionaries who don't know or choose to ignore that Suki doesn't share their faith. As the weeks pass, she is mystified by how easily her students lie, unnerved by their obedience to the regime. At the same time, they offer Suki tantalizing glimpses of their private selves—their boyish enthusiasm, their eagerness to please, the flashes of curiosity that have not yet been extinguished. She in turn begins to hint at the existence of a world beyond their own—at such exotic activities as surfing the Internet or traveling freely and, more dangerously, at electoral democracy and other ideas forbidden in a country where defectors risk torture and execution. But when Kim Jong-il dies,

and the boys she has come to love appear devastated, she wonders whether the gulf between her world and theirs can ever be bridged. Without You, There Is No Us offers a moving and incalculably rare glimpse of life in the world's most unknowable country, and at the privileged young men she calls "soldiers and slaves."

Oxford Latin Course - M. G. Balme 1997

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans—with their daily activities, concerns, and habits—and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages,

new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Encountering Jesus in the New Testament - Michael Pennock 2009-01-01

Encountering Jesus in the New Testament has been found in conformity with the Catechism of the Catholic Church. Encountering Jesus in the New Testament helps students further their personal relationship with Jesus Christ by growing in understanding of Jesus' historical, cultural, and religious background through an in-depth look at Scriptures. Answering the question, "Who is Jesus of Nazareth, the person people of faith call "Christ, the Son of God?," is a central focus of the text. In answering this question, the students will explore how the New Testament scriptures provide us with an answer.

Tending to Grace - Kimberly Newton Fusco 2007-12-18

Lenore is Cornelia's mother—and Cornelia's fix-up project. What does it matter that Cornelia won't talk to anyone and is always stuck in the easiest English class at school, even though she's read more books than anyone else? She feels strong in the fixing. She cooks vegetable soup so Lenore will eat something other

than Ring Dings; she lures her out of bed with strong coffee and waffles. She looks after the house when Lenore won't get out of bed at all. So when Lenore and her boyfriend take off for Vegas leaving Cornelia behind with eccentric Aunt Agatha, all Cornelia can do is wait for her to come back. Aunt Agatha sure doesn't want any fixing. Maybe this time it's Cornelia who could use it?

The Unfinished Nation - Alan Brinkley 1997

"In The Unfinished Nation, Alan Brinkley provides a clear and intelligent account of the American past that strikes a balance between the new diversity in scholarship and the narrative unity that any general history must have. He makes clear that one can incorporate the rich and varied experiences of America's many cultures into a coherent and compelling story and at the same time retain a sense of what ties Americans together as members of a perpetually troubled but remarkably successful nation"--Description from amazon.com.
