The Fat Smash Diet - Ian K. Smith, M.D. 2012-11-30
It's easy to follow, takes just nine days to show BIG results and smashed its way straight onto the New York Times bestseller list. The Fat Smash Diet is the latest diet craze to

sweep America. Healthy and scientifically based, it's a lifestyle change that will help keep the weight off permanently. Best of all, there is no calorie counting and Dr Smith guarantees there never will be. The Fat Smash Diet is a 90-day program with four phases that will change your relationship with food and exercise. Beginning with a detox stage designed to purify your body and make you think about the foods you put in it, the diet plan works by gradually reintroducing more nourishing, satisfying foods at each stage so that you construct an individual plan that will allow you to enjoy many of the foods you've enjoyed in the past. You'll stop hunger pangs, increase your metabolism, change your eating habits forever and watch the weight fall off. And with over 50 easy-to-cook, tasty recipes the book makes it easy to stick to your goals. The Fat Smash Diet is the last diet you'll ever need.

Hypochondria and Other

Stories - Martin Zeigler

2020-11-14

Presenting twelve short stories in the realms of science fiction, crime, and horror. A patient, imagining the worst, doesn't know the half of it. A woman kindly reveals to her husband that she poisoned the evening's soup. A DIY scientist, with the aid of an old TV, a hotplate, and a ring the size of what you'd toss over the pegs at the county fair, discovers how and when in the far future he will die. These are but three of the sometimes dark, sometimes humorously dark, stories in this collection. Nine more remain, including the one about the guy who has a really bad movie day.

Every Second with You -

Lauren Blakely 2014-01-25

I used to think love was a lie. Now I know it is real, powerful, and I do not want to lose it. But my future scares me, and there is no way this can be happening, especially since I have finally broken free from all the people who wanted pieces of me. I do not even know how to start over, but I have to find a way. So when I discover what my mother has been keeping from me, it does not make me hate her. It gives me hope for a new life, outside of New York. But the ties that bind me to this city are so strong, sometimes they are chains.

The World's Most Expensive Watches - Ariel Adams
2014-09

More than a fashion accessory or means to tell the time, the wristwatch has become a statement of identity; politician or celebrity, scientist or sportsman, what you choose to wear on your wrist speaks volumes about who you are. The World's Most Expensive Watches presents some of the most extravagant, intricate, collectible, decadent, or just plain interesting modern-day timepieces that sit at the top of the price spectrum. Starting at a threshold price of about \$200,000, it is a trip through the last decade or so of watches whose values soar incredibly to prices of \$5

million dollars or more. Additionally, there is a selection of notable watches that yielded extremely high prices at auction - many of which are historically relevant. A stunning collection that is both informative and entertaining; with detailed descriptions of individual watches and articles that usefully deconstruct the price tag with an explanation of the relevance of craftsmanship and complexity of design, as well as the importance of exclusivity, prestige and collectibility. Prepare to be impressed by a larger-than-life-look at some relatively small items that command not only huge prices but kudos and respect, in all areas of a global society fascinated with using accessorizing to create identity.

Maggie for Hire - Kate Danley
2011-09-01

When monsters appear on
Earth, Maggie MacKay is on
the job. No one is better at
hauling the creepy crawlies
back where they belong. No
one, that is, except Maggie's
dad, who vanished in the
middle of an assignment. Now,

an elf named Killian has shown
up with a gig. Seems Maggie's
uncle teamed up with the
forces of dark to turn Earth
into a vampire convenience
store, serving bottomless refills
on humans. Ah, family... The
only hope for survival lies in
tracking down two magical
artifacts and a secret that
disappeared with Maggie's
dad. WARNING: This book
contains cussing, brawling, and
unladylike behavior. Proceed
with caution.
