**Strategic Management, Custom Publication** - Hill 2003-06

**Business and Society** - Anne T. Lawrence 2004-04-01

Business and Society: Stakeholder Relations, Ethics and Public Policy by Lawrence/Weber/Post, has continued through several successive author teams to be the market-leader in its field. For over thirty years, Business and Society has been updated and reinvented in response to society's relationship to business. Business and Society, 11e highlights why government regulation is sometimes required as well as new models of business-community collaboration. Business and Society, 11e is a book with a point of view. Lawrence, Weber and Post believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success. The book is designed to be easily modularized; an instructor who wishes to focus on a particular portion of the material may select individual chapters or cases to be packaged in a Primis custom product.

**Nursing Delegation and Management of Patient Care - E-Book** - Kathleen Motacki 2016-03-25

With a strong focus on the key areas included on the NCLEX-RN Exam's "management of care" section, Nursing Delegation and Management of Patient Care, 2nd Edition prepares you to successfully prioritize, assign, and delegate nursing care to other members of the health care team. It provides the latest information on the roles and responsibilities of the staff nurse related to the management of patient care, the core competencies required of the nurse caring for patients, as well as a wide range of leadership and management concepts nurses need to confidently manage patients within a hospital unit. This new edition is organized according to the new 2014 Magnet Standards of Practice to help you learn the skills and competencies magnet status hospitals require when hiring nurses. Learning objectives, key terms, critical thinking case scenarios, and application exercises in each chapter provide you with plenty of opportunities for review. A trusted author team with years of teaching experience in nursing leadership and management introduce current content related to the management of patient care in today's health care setting. NEW! A new table of contents reorganized according to the 2014 Magnet Standards. NEW! Addresses the competencies of the nurse's role with respect to the 2014 Magnet Standards. Coverage includes the latest information on the roles and responsibilities of the manager of patient care position, core competencies required of nurses caring for patients, and a wide range of management concepts new nurses need to know before entering practice. Emphasis on the NCLEX Exam "management of care" areas that you will be tested on, such as prioritization, delegation, and assignment. Clinical Corner and Evidence-Based Practice boxes within

most chapters include real-world tips and advice on patient and client management, plus the latest research on practices relevant to chapter topics. NEW! End-of-chapter and Evolve NCLEX questions include analysis and application-level questions. NEW! The latest RN design gives this edition a fresh new feel that is easier to follow.

**Project Management** - DK 2022-01-04

Whether you're new to project management or simply looking to sharpen your existing skills, this is the e-guide for you.

**Strategic Management and Business Policy** - Thomas L. Wheelen 1998-01

This text provides the Strategic Management and Business Policy student with a presentation of traditional and new strategic management topics. These topics include: corporate governance, hypercompetition, competitive strategy, outsourcing, mass customization, technology, international issues, environmental trends and ethics.

**Strategic Management** - Gregory G. Dess 2009-02

**Psychiatric Nursing** - Mary Ann Boyd 2008

The AJN Book of the Year award-winning textbook, Psychiatric Nursing: Contemporary Practice, is now in its thoroughly revised, updated Fourth Edition. Based on the biopsychosocial model of psychiatric nursing, this text provides thorough coverage of mental health promotion, assessment, and interventions in adults, families, children, adolescents, and older adults. Features include psychoeducation checklists, therapeutic dialogues, NCLEX® notes, vignettes of famous people with mental disorders, and illustrations showing the interrelationship of the biologic, psychologic, and social domains of mental health and illness. This edition reintroduces the important chapter on sleep disorders and includes a new chapter on forensic psychiatry. A bound-in CD-ROM and companion Website offer numerous student and instructor resources, including Clinical Simulations and questions about movies involving mental disorders.

**Understanding and Managing Organizational Behavior** - Jennifer M. George 1999

This text provides information suitable for both, classic organizational behaviour courses and for management courses. Topics covered include: ethics, sexual harassment, cross cultural communication, and negotiation.

**Essentials of Psychiatric Mental Health Nursing - E-Book** - Elizabeth M. Varcarolis 2016-07-22

Awarded third place in the 2017 AJN Book of the Year Awards in the Psychiatric and Mental Health Nursing Category. Get a full understanding of today's psychiatric nursing practice in less time! Essentials of Psychiatric Mental Health Nursing, 3rd Edition offers the perfect balance of essential nursing interventions and clinical content paired with current research and evidence-based practice to fully equip you for today's field of mental health nursing. This new edition continues to retain the reader-friendly style, emphasis on therapeutic communication, and the nursing process organization that was successful in the previous edition. It also includes additional DSM-5 disorders, illustrations of various neurobiology disorders, a new neurobiology learning tool, and new NCLEX review questions to help you pass your course and thoroughly prepare for the psychiatric nursing section of the NCLEX. REVISED! Examining the Evidence boxes explain

the reasoning behind nursing interventions and how research affects everyday practice. UNIQUE! Applying the Art sections in the clinical chapters provide examples of therapeutic and nontherapeutic communication techniques as well as realistic nurse-patient interaction scenarios. Chapter review questions reinforce essential content from the chapter. Critical thinking questions introduce clinical situations in psychiatric nursing. Nursing Interventions tables familiarize readers with interventions for a disorder that they will encounter in clinical practice. Key concepts and terms clarify essential terminology. Vignettes offer succinct, real-life glimpses into clinical practice by describing patients and their psychiatric disorders. Assessment Guidelines familiarize readers with methods of assessing patients. Potential Nursing Diagnosis tables give several possible nursing diagnoses for a particular disorder along with the associated signs and symptoms. DSM-5 diagnostic criteria identifies medical diagnostic criteria for psychiatric disorders for integration into the nursing plan of care. Important contributions from psychiatric mental health nursing pioneers are featured in the opening unit pages. Cultural Considerations sections reinforce the principles of culturally competent care. Key Points to Remember outline the main concepts of each chapter in an easy to comprehend and concise bulleted list. Appendices feature the DSM-5 Classifications and a list of the latest NANDA-I diagnoses for readers' reference.

Leadership Roles and Management Functions in Nursing - Bessie L. Marquis 2012

*Gynecologic Health Care: With an Introduction to Prenatal and Postpartum Care* - Kerri Durnell Schuiling 2020-09-01

*Gynecologic Health Care: With an Introduction to Prenatal and Postpartum Care* continues to set the standard for evidence-based gynecologic health care and well-being in an extensively updated fourth edition. As in prior editions, the text presents gynecologic health care using a holistic and person-centered approach. Encompassing both health promotion and management of gynecologic conditions, it provides clinicians and students with a strong foundation in gynecologic care and the knowledge necessary to apply it in clinical practice. With an emphasis on the importance of respecting the normalcy of physiology, it is an essential reference for all midwives, nurse practitioners, physician assistants, and other clinicians who provide gynecologic health care.

*Contemporary Nursing* - Barbara Cherry (Nurse) 2011

*Contemporary Nursing, Issues, Trends, & Management, 6th Edition* prepares you for the rapidly evolving world of health care with a comprehensive yet focused survey of nursing topics affecting practice, as well as the issues facing today's nurse managers and tomorrow's nurse leaders. Newly revised and updated, Barbara Cherry and Susan Jacob provide the most practical and balanced preparation for the issues, trends, and management topics you will encounter in practice. Content mapped to the AACN BSN Essentials emphasizes intraprofessional teams, cultural humility and sensitivity, cultural competence, and the CLAS standards. Vignettes at the beginning of each chapter put nursing history and practice into perspective, followed by Questions to Consider While Reading This Chapter that help you reflect on the Vignettes and prepare you for the material to follow. Case studies throughout the text challenge you to apply key concepts to real-world practice. Coverage of leadership and management in nursing prepares you to function effectively in management roles. Career management strategies include advice for making the transition from student to practitioner and tips on how to pass the NCLEX-RN® examination. Key terms, learning outcomes, and chapter overviews help you study more efficiently and effectively. Helpful websites and online resources provide ways to further explore each chapter topic. Coverage of nursing education brings you up to date on a wide range of topics, from the emergence of interactive learning strategies and e-learning technology, to the effects of the nursing shortage and our aging nursing population. Updated information on paying for health care in America, the Patient Protection and Affordable Care Act, and statistics on health insurance coverage in the United States helps you understand the history and reasons behind healthcare financing reform, the costs of healthcare, and current types of managed care plans. A new section on health information technology familiarizes you with how Electronic Health Records (EHRs), point-of-care technologies, and consumer health information could potentially impact the future of health care. Updated chapter on health policy and politics explores the effect of governmental roles, structures, and actions on health care policy and how you can get involved in political advocacy at the local, state, and federal level to help shape the U.S. health care system. The latest emergency preparedness and response guidelines

from the Federal Emergency Management Agency (FEMA), the Centers for Disease Control (CDC), and the World Health Organization (WHO) prepare you for responding to natural and man-made disasters.

**Primates of the World** - Jean-Jacques Petter 2013-08-25

Discusses primate evolution, behavior, and classification, and provides detailed information and illustrations, arranged geographically, on every family and nearly three hundred species.

**Strategy, Value and Risk** - Jamie Rogers 2009-10-15

Updated and revised, this second edition applies advanced financial analytics within a strategic framework that recognizes an environment where sustainable competitive advantage is a progressively more difficult task. Real options offer the link to value and the strategic opportunities that lie in an increasingly dynamic landscape.

**Understanding Strategic Management** - Anthony Henry 2011-02-24

This succinct textbook takes students through the key stages of strategic management: analysis, formulation, and implementation, with an emphasis on providing students with the essential tools of analysis.

Contemporary Selling - Mark W. Johnston 2016-02-19

*Contemporary Selling* is the only book on the market that combines full coverage of 21st century personal selling processes with a basic look at sales management practices in a way that students want to learn and instructors want to teach. The overarching theme of the book is enabling salespeople to build relationships successfully and to create value with customers. Johnston and Marshall have created a comprehensive, holistic source of information about the selling function in modern organizations that links the process of selling (what salespeople do) with the process of managing salespeople (what sales managers do). A strong focus on the modern tools of selling, such as customer relationship management (CRM), social media and technology-enabled selling, and sales analytics, means the book continues to set the standard for the most up-to-date and student-friendly selling book on the market today. Pedagogical features include: Mini-cases to help students understand and apply the principles they have learned in the classroom Ethical Dilemma and Global Connection boxes that simulate real-world challenges faced by salespeople and their managers Role Plays that enable students to learn by doing A companion website includes an instructor's manual, PowerPoints, and other tools to provide additional support for students and instructors.

**Advanced Assessment Interpreting Findings and Formulating**

**Differential Diagnoses** - Mary Jo Goolsby 2018-11-27

Your essential guide in the assessment and diagnostic process. Step by step, you'll hone your ability to perform effective health assessments, obtain valid data, interpret the findings, and recognize the range of conditions that can be indicated by specific findings to reach an accurate differential diagnosis. You'll have coverage of 170 conditions and symptoms across the lifespan at your fingertips.

*Strategic Management: Concepts and Cases: Competitiveness and Globalization* - Michael A. Hitt 2012-01-01

Introduce your students to strategic management with the market-leading text that sets the standard for the most complete, relevant presentation. Written by highly respected experts and prestigious instructors, Hitt, Ireland and Hoskissons, *STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION, CONCEPTS AND CASES, 10E* provides an intellectually rich, yet thoroughly practical, analysis of strategic management today. This unique text is the only one that integrates the classic industrial organization model with a resource-based view of the firm to give students a complete understanding of how today's businesses use strategic management to establish a sustained competitive advantage. The authors combine the latest, cutting-edge research and strategic management trends with ideas from some of today's most prominent scholars. A strong global focus and carefully selected examples from more than 600 emerging and established companies place ideas into context within an inviting, practical presentation. A wealth of learning features, experiential exercises and more than 30 all-new compelling cases examine a broad range of critical issues confronting managers today. Engaging, updated video cases, CNOW online teaching tools, and a complete electronic business library help keep issues current and relevant. *STRATEGIC MANAGEMENT: COMPETITIVENESS AND GLOBALIZATION* provides the solid understanding your students need to effectively apply strategic management tools and techniques to increase performance and their organization's competitive advantage. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Essentials of Strategic Management** - Charles W. L. Hill 2011-04-19

Thorough yet concise, *ESSENTIALS OF STRATEGIC MANAGEMENT*, Third Edition, is a brief version of the authors' market-leading text *STRATEGIC MANAGEMENT: AN INTEGRATED APPROACH*. Following the same framework as the larger book, *ESSENTIALS* helps students identify and focus on core concepts in the field in a more succinct, streamlined format. Based on real-world practices and current thinking, the text's presentation of strategic management features an increased emphasis on the business model concept as a way of framing the issues of competitive advantage. Cutting-edge research, new strategic management theory, and a hands-on approach allow students to explore major topics in management, including corporate performance, governance, strategic leadership, technology, and business ethics. In addition, a high-quality case program examines small, medium, and large companies--both domestic and international--so that students gain experience putting chapter concepts into real-world practice in a variety of scenarios. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

[BOOK ALONE - Evidence-Based Practice for Nurses](#) - Nola Schmidt 2011-02-05

Doody's Review Service - 5 Stars! Evidence-Based Practice for Nurses: Appraisal and Applications of Research, Second Edition serves as the definitive reference for transitioning research into nursing practice. Ideal for undergraduate research courses or courses on role development, this text provides a fresh approach for teaching nursing research using evidence-based practice. Updated and revised, the Second Edition of Evidence-Based Practice for Nurses includes new articles and a companion website.

[Strategic Management](#) - Forest R. David 2014-07-16

For undergraduate and graduate courses in strategy. In today's economy, gaining and sustaining a competitive advantage is harder than ever. Strategic Management captures the complexity of the current business environment and delivers the latest skills and concepts with unrivaled clarity, helping students develop their own cutting-edge strategy through skill-developing exercises. The Fifteenth Edition has been thoroughly updated and revised with current research and concepts. This edition includes 29 new cases and end-of- chapter material, including added exercises and review questions. MyManagementLab for Strategic Management is a total learning package. MyManagementLab is an online homework, tutorial, and assessment program that truly engages students in learning. It helps students better prepare for class, quizzes, and exams-resulting in better performance in the course-and provides educators a dynamic set of tools for gauging individual and class progress.

*Strategic Management* - Charles W. L. Hill 2002

**Macroeconomics** - Roger A. Arnold 2015-01-01

Today's economy may be tough, but economics doesn't have to be. Let Roger Arnold's *MACROECONOMICS*, 12E open up the world of economic analysis. With more detailed coverage of the financial and economic crisis than any other principles text on the market, this inviting book offers innovative and engaging learning features and easy customization. The author weaves memorable examples from pop culture throughout this edition and bolsters reader interest by illustrating the unexpected places macroeconomics occur. Readers see how economic forces link to every day events and form an important part of life 24/7. Coverage of the latest macroeconomic developments and new content reflect today's changing economy and equip readers with a thorough understanding of contemporary macroeconomics. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Community & Public Health Nursing** - Rosanna DeMarco 2019-03-19

Ensuring students meet the competencies outlined in the Quad Council of Public Health Nursing Organizations (ACHNE, 2011) and AACN's (2008) publication *Essentials of Baccalaureate Education for Professional Nursing Practice Community and Public Health Nursing*, the 3rd Edition of *Community & Public Health Nursing* is a primer to community, public, and population health nursing that develops students' abstract critical thinking skills and complex reasoning abilities through case studies, exercises, and examples throughout the highly illustrated text. Authors DeMarco & Healey-Walsh introduce public health concepts from an evidence-based perspective, allowing students to make connections between data and practice decisions. Because evidence-based practice guides quality performance improvements, the authors teach students to gather, assess, analyze, apply, and evaluate evidence— derived from

epidemiology and other sources— for making public health practice decisions and for planning the care of individuals, families, and groups in the community. Examples assist students in interpreting and applying statistical data. The authors integrate timely topics (major challenges to nursing practice in the community, community and public health nursing specialties, cultural diversity, health disparities, globalism, epidemiology and basic biostatistics, and ethical considerations, Preventative immunizations, political proactiveness, advanced practice preparation, sustainable health goals, ebola, telehealth, opioid epidemic, veterans and LBGQ as a underserved populations, iPrepare, health literacy, health promotion conferences, and Healthy People 2020.) Special attention will be given to add additional features and ancillaries that allow students to actively learn. Healthy People 2020, and students will complete short active learning activities/questions will allow students apply the goals to real-life scenarios. NEW to this edition's ancillary package are unfolding case studies related to our new clinical replacement solution Lippincott Clinical Experiences: Community, Public, and Population Health. Our PowerPoints have been enhanced and are now heavily illustrated.

**International Business Management** - Kamal Fatehi 2018-10-30

This textbook explores the theoretical and practical aspects of managing international business operations while also dealing with multi-cultural, multi-national and global issues of managing business expansion beyond the domestic market. A second, revised edition of *Managing Internationally: Succeeding in a Culturally Diverse World*, each chapter contains up-to-date material, in-depth coverage of topics, visual aids (i.e., charts, tables, etc.), and vignettes, making this new edition engaging, visually appealing and easily accessible for students taking International Business Management courses. The contents of this textbook are separated into four parts. Part one offers introductory information on the scope and importance of international business management as well as the social and ethical challenges. Part two covers cultural and behavioral topics. Part three discusses the strategic and operational aspects of international business management. Part four explores human resources and labor relations. To assist students, each chapter starts a preview section which includes an outline of the chapter indicating the important aspects along with a brief description of the major issues. Following the preview is a vignette that encapsulates the crux of the chapter, often presented in an amusing and engaging manner. To further help students focus on key issues, the text includes the list of useful business cases to which students can refer. To assist professors in teaching from this book, ancillary teaching materials such as sample syllabi, slides, tests and answer keys will be available for download.

[Supervision](#) - Samuel C Certo 2021-02

"Supervision: Concepts and Skill-Building helps students learn what it takes to be a successful supervisor in today's complex work world. The focus of this new edition continues the tradition of presenting useful tools and solutions for meeting present-day supervision challenges"--

**Women's Health** - Ellis Quinn Youngkin 2004

This second edition of this popular resource provides comprehensive information on health maintenance and promotion in the care of women in a primary care setting. Revised and updated content to reflect the latest research and trends including the latest on hormone replacement therapy, the current Bethesda Guidelines for reporting and managing cervical cytology, and new information and guidelines on sexually transmitted diseases. A new chapter is also included on complementary therapies in women's health. Additional topics covered include adolescent women's health, women & sexuality, infertility, breast health, common gynecologic disorders, health during pregnancy and psychosocial health problems. Primary care physicians, family practice physicians, physician assistants, residents, nurse practitioners.

**Fundamental Concepts and Skills for Nursing** - Patricia A. Williams 2017-03-01

*Fundamental Concepts and Skills for Nursing*, 5th Edition provides all the basic theoretical and applied knowledge that the LPN/LVN nurse needs to practice in an expanded number of care settings, such as the community clinic, physician's office, long-term care facility, home, and acute-care hospital setting. With an extensive art program and thorough discussion of QSEN, this text addresses topics like the physical and psychosocial needs of the patient, critical thinking for problem solving and clinical judgment, and communication - all within a strong nursing process framework. The accessible, friendly, and clear writing style appeals to students and instructors, and its rich ancillary package, including NCLEX-PN review questions, gives students an edge on learning fundamentals. Concept maps give a visual example of concepts addressed in the text, help you visualize difficult material, and illustrate

how a disorder's multiple symptoms, treatments, and side effects are associated. Over 110 skills and steps, featuring sample documentation examples and Home Care Considerations boxes where appropriate, present step-by-step procedures in an action/rationale format. Life Span Considerations: The Older Adult highlight changes that occur with aging and how they affect nursing care by LPN/LVNs working in community and long-term care. Easy-to-follow reading level and text organization presents information from simple to most complex, making it perfect for lower level students and those speaking English as a second language. Numbered objectives, divided by theory and clinical practice, provide a framework for content. Cultural Considerations cover biocultural variations, as well as health promotion for specific ethnic groups, so you provide culturally competent care. Health Promotion and Patient Teaching boxes include guidelines to prevent illness, promote health, and develop self-care strategies. Nursing process framework features application of the nursing process and nursing care plans to reinforce application of the nursing process in the clinical setting. Think Critically boxes encourage you to synthesize information and apply concepts to practice. Home Care Considerations boxes highlight the necessary adaptations of nursing skills and techniques for the patient in the home care setting. Communication boxes present examples of nurse-patient dialogues and instructive therapeutic communication techniques. Over 20 nursing care plans, which include critical thinking questions at the end of the text, provide you with a model for planning patient care. Clinical chapters provide an overview of structure and function to give you a refresher in related anatomy and physiology, including a section on aging. Key terms include phonetic pronunciations, which are helpful for ESL students, and text page references to find the definition. Standard LPN Threads features include helpful characteristics such as full-color design, key terms, numbered objectives, key points, critical thinking questions, critical thinking activities, glossary, and references. NEW! Nursing Concepts and Exemplars listed for each chapter to support concept curriculums. NEW! Discussion of QSEN and highlighted Safety information provides you with the knowledge, skills, and attitudes necessary to continuously improve the quality and safety of patient care. EXPANDED! Evidence-Based Practice boxes and highlighted best practices point out the most current, evidence-based information. UPDATED! Expanded art program with original photos and line art better illustrates nursing concepts.

*Essentials of Strategic Management* - John E. Gamble 2011

This title responds head-on to the growing requests by business faculty for a concise, theory-driven strategic management concepts and cases text.

**Strategic Management** - Frank T. Rothaermel 2020

Revised edition of the work, Strategic management: concepts.

Money, Banking and Financial Markets - Laurence Ball 2011-02-25

The breakthrough text that closes the gap between economic theory and the day-to-day behaviour of banks and financial markets. Working from a macro framework based on the Fed's use of interest rate, Ball presents the core concepts necessary to understand the problems of the stock market and the causes of recessions and banking crises

**Concepts for Nursing Practice** - Jean Giddens 2017

"This innovative interactive text explains 58 of the most common nursing concepts - including six all new concepts - that span the areas of patient physiology, patient behavior, and the professional nursing environment. Featured exemplars for each concept are also discussed to help you more

easily understand the concepts and apply them to the clinical setting. In addition to more concepts and featured exemplar sections, this new second edition also boasts a more intuitive organization and review questions for both RN and LPN/LVN programs"--Publisher.

Loose-Leaf for Strategic Management: Concepts and Cases - Frank Rothaermel 2012-01-09

Binder Ready Loose-Leaf Text - (9780077497712)- This full featured text is provided as an option to the price sensitive student. It is a full 4-color text that's three whole punched and made available at a discount to students.

**Strategic Management** - Frank T. Rothaermel 2013

Combining quality and user-friendliness with rigor and relevance, Frank T. Rothaermel synthesizes theory, empirical research, and practical applications in a breakthrough new text designed to prepare students for the types of challenges they will face as managers in the globalized and turbulent business environment of the 21st century. This new textbook, written with a single, strong voice, weaves together classic and cutting-edge theory with in-chapter cases and strategy highlights, to teach students how companies gain and sustain competitive advantage.

OneBook...OneVoice...OneVision

**Understanding Medical Surgical Nursing** - Paula D. Hopper 2007-01

The workbook is the ideal companion to the text, providing students with a study tool that reinforces learning through fun-to-do exercises. Each chapter follows along with the text and features a host of critical thinking exercises, basic matching and true/false tests, word scrambles, crossword puzzles, vocabulary review exercises, and NCLEX-PN-style questions. The perfect supplement to the textbook, as well as stand-alone study tool, the Student Workbook for Understanding Medical Surgical Nursing, 3rd edition, is a must-have for LPN students striving for success.

**Becoming a Strategic Leader** - Katherine M. Beatty 2011-01-11

Today's organizations face difficult challenges in order to remain competitive—the quickening pace of change, increasing uncertainty, growing ambiguity, and complexity. To meet these challenges, organizations must broaden the scope of leadership responsibility for strategic leadership and engage more people in the process of leadership. In *Becoming a Strategic Leader* Rich Hughes and Kate Beatty from the Center for Creative Leadership (CCL) offer executives and managers a handbook for implementing a strategic leadership process that reaches leaders at all levels of organizations. Based on CCL's successful Developing the Strategic Leader Program, this book outlines the framework of strategic leadership and contains practical suggestions on how to develop the individual, team, and organizational skills needed for institutions to become more adaptable, flexible, and resilient. The authors also show how individual managers can exercise effective strategic leadership through their distinctive and systemic approach—thinking, acting, and influencing.

Comprehensive Business Review - Capsim 2018-08-10

Companion text to Capstone Business Simulation

*Strategic Management* - Jeffrey H. Dyer 2017-10-16

Strategic Management delivers an insightful and concise introduction to strategic management concepts utilizing a strong mix of real-world contemporary examples. Written in a conversational style, this product sparks ideas, fuels creative thinking and discussion, while engaging students with the concepts they are studying.
