It is your agreed own time to act out reviewing habit. accompanied by guides you could enjoy now is **Your Hr Goldmine How To Turn Your Human Resources Know How Into A Lucrative Second Income Make A Difference In Peoples Liveswithout Leaving Your Hr Day Job** below.

Great Pretenders - Karen Schoemer 2006-02-08
February 1964: The Beatles step onto the tarmac at JFK International Airport and turn the country on its head. It's the advent of rock and roll's uninterrupted reign, youthful rebellion, and overt teenage sex. It's also the deathblow for the pop music of another generation -- the songs of Pat Boone and Georgia Gibbs -- and all its perky, white-bread conformity. Not two years later, Karen Schoemer is born, and comes of age with rock and roll. While her parents might enjoy the new music, the cultural upheaval passes them by, and they cling to the promises made by the music they loved as teenagers, the sweet, innocent 1950s pop of Patti Page, Frankie Laine, and the like. But having courted and wed against a backdrop of ideals peddled by this music -- finding true love, living happily ever after -- Schoemer's parents, like so many people, are crushed by disappointment when love doesn't deliver what the songs promised. Fifties pop falls quickly off the charts; their marriage eventually

falls apart. In Great Pretenders, a lively, provocative blend of memoir and music criticism, former Newsweek pop music critic Karen Schoemer tries to figure out what went so wrong, way back in the hazy past, for her parents' marriage and for the music of their youth. To find the answers, she embarks on a strange, lonely journey in search of some of the brightest stars of the 1950s. Schoemer's search started when, twenty years after her parents' divorce, the new Connie Francis box set appeared on her desk at Newsweek. Now a successful rock critic dispensing post-punk opinions to the hipster, she was about to toss aside this relic when she was struck by the cover image of Francis, which bore an uncanny resemblance to her own mother; on a whim, she played one of the CDs. For all their cloying, simplistic sentimentality, songs like "Where the Boys Are" had an undeniable power -- "the sound of every teenage girl in every bedroom on every lonely Saturday going back a thousand years." It

was the music of her parents' long-lost adolescence, and much to her surprise, it moved her. Thus Schoemer, arbiter of Gen X cool, found herself falling into the saccharine thrall of 1950s pop music, that pariah of the rock establishment. Even as her colleagues tried to steer her away from the terminally uncool genre, she tracked down seven former pop idols of the late 1950s and early 1960s: Connie Francis, Fabian, Pat Boone, Patti Page, Tommy Sands, Georgia Gibbs, and Frankie Laine. As she became privy to their inner lives and immersed herself in their music, Schoemer revised her own notions about the fifties at the same time that she explored her family's vexed dynamic. The result is a wonderful romp through an unappreciated chapter in music history and, more important, through her own past. Full of humor, insight, and unflinching honesty, *Great Pretenders* bucks the received wisdom, explores the intersections of our private lives and pop culture, and broadens our understanding of a crucial moment

in our history.

The Sin of Angels - William Winchester Nivin
2014-02-25

Edward Marquand knew he was playing with fire, but he just didnt care. A young man in love is a headstrong force of nature, immune to common sense. The heart wants what the heart wants, and Eddie wanted Sally. Just eighteen in the summer of 1850, he was perpetually distracted. But it was not the rolling fields of his fathers southern Illinois farm that flamed his imagination. That distinction was reserved for the forbidden curves of Sally, his fathers light-skinned slave. Sally and Edward enjoyed a passionate, lustful love affair, but each knew how dangerous their dalliance was. Both lovers feared discovery, but for different reasons. And on the inevitable day they were discovered, both lives changed in an instant. Just how will John, Edwards identical twin, leverage this new knowledge against them? Edward fears that he cannot count on his brothers discretion, and he

shares Sallys fear for her life. Can Edward find a way to keep them both safe, or will he have to take even more drastic steps to protect the woman he loves?

Can't Beat the Chemistry - Kat Colmer

2019-04-20

Ionic and covalent bonds are a piece of cake for MJ. But human bonds are a little harder ... There are only two things MJ wants in her final year of high school: 1) Glowing grades and ... 2) to convince uber-smart, chiselled-jaw Jason they'd be a winning team outside the science lab as well as in. Tutoring deadbeat drummer, Luke, isn't part of the plan. After all, he has average intelligence, takes disorganised notes and looks like a partied-out zombie at their study sessions! Not even his taut biceps will win MJ over. But MJ learns that she could be tutored in a few life lessons too: That sometimes there's good reason to skip chemistry tutorials. That intelligence is so much more than a grade average. And that sometimes you can't beat the chemistry.

The Gold Mine Effect - Rasmus Ankersen

2012-07-05

'A great read and a fascinating insight into performance.' Sir Clive Woodward We all want to discover our hidden talents and make an impact with them. But how? Rasmus Ankersen, an ex-footballer and performance specialist, quit his job and for six intense months lived with the world's best athletes in an attempt to answer this question. Why have the best middle distance runners grown up in the same Ethiopian village? Why are the leading female golfers from South Korea? How did one athletic club in Kingston, Jamaica, succeed in producing so many world-class sprinters? Ankersen presents his surprising conclusions in seven lessons on how anyone - or any business, organisation or team - can defy the many misconceptions of high performance and learn to build their own gold mine of real talent.

Zak's Practice - Patrick Spencer 2004-11

Among the corn and wheat fields of Nebraska is where protagonist Zak Taylor has started a successful bookie operation. Patrick Spencer brings this imaginary story to life by following Zak and his growing practice from High School to College, where he finds love in Governor Tony

Villotta's daughter. Zak's Practice interlaces Zak Taylor's life with Governor Villotta's life and the Governor's three Mafioso brothers' lives. The three brothers were sent to the heartland to run a leg of their Chicago family business, which comprises of money laundering and bookie operations. Nebraska Attorney General Andrew Rison, a man with Governorship plans himself, gets the FBI involved into investigating Governor Villotta and his brothers. When Zak's Practice and the three Villotta brothers team up to put on a Final Four Tournament pool, the FBI and Attorney General Rison comes knocking. The Villotta brothers escape, but Zak does not. *Interviewing in Community Oral History* - Mary Kay Quinlan 2016-06-16

The interview is the anchor of an oral history project. The fourth book in the five-volume Community Oral History Toolkit guides the interviewer through all the steps from interview preparation through follow-up. It includes guidance on selecting interviewees, training

interviewers, using recording equipment, and ethical issues concerning the interviewer-interviewee relationship. Packed with instructive case studies, Volume 4 offers concrete practical examples and advice for issues such as pre-interview research, developing interview questions and points for guiding discussion, ideal interview settings and conditions, strategies for stimulating interviewees' memories, acceptable communication techniques and behavior throughout the interview process, and rounding out interview documentation with supplementary materials and contextual information.

[Be Where Your Feet Are](#) - Scott O'Neil

2021-06-01

Scott O'Neil, one of America's most successful sports executives, shares seven principles to keep you present, grounded, and thriving. When we're moving at 115 MPH, we rarely see the wall coming. But it comes for all of us and when it does, we grasp for lessons, for meaning, for

purpose. Each moment (good or bad) and each win or loss, provides us an opportunity to learn, and if we choose to take it, that opportunity can change our lives-and the world- for the better.

The human spirit craves connection.

Authenticity. Belonging. Touch. Gratitude.

Purpose. We need to make our interactions count. Whether it's the death of a friend, loss of a job, a bad break-up or the isolation of COVID-19, those who manage to be where their feet are will grow, stretch and emerge stronger, smarter and more prepared as we find peace and gratitude in the pause. In *Be Where Your Feet Are*, Scott O'Neil, CEO of the Philadelphia 76ers and New Jersey Devils, offers his own story of grief and healing, and shares his most valuable lessons in what keeps him present, grounded and thriving as a father, husband, coach, mentor, and leader. Scott avails his network to share poignant life lessons from an array of people including professional athletes and sports executives, a world-famous Movie

Director, Saudi royalty; and his teenage daughters, among many others. *Be Where Your Feet Are* provides a humbling and vulnerable peek behind the curtain as well as a framework, anecdotes, and exercises to guide the reader towards self-discovery. A gifted storyteller with an uncanny ability and willingness to bare raw emotion, Scott weaves in and out of stories that have left deep imprints on him and are written to lift and inspire.

[The Power of People Skills](#) - Trevor Throness
2017-08-21

"The Power of People Skills is the eye-opening, invaluable, definitive guide to achieving success in your organization. Excellent!" —Marshall

Goldsmith People are the problem. They're always the problem. If a business person goes home frustrated, if they talk with their significant other about it, if they lay awake at night stewing about it, inevitably the problem is some person at work—a colleague, subordinate, or boss. Handling people issues is every leader's major headache. It's what takes up the majority of their time and—more important—the bulk of their head space. Every leader can and must develop this most important of all management skills. The Power of People Skills will teach you that there's one primary difference between a great culture and a poor one: a great culture insists on having star players in every key seat, and a poor culture tolerates under performers. In this powerful book, you will learn how to: Make the people decisions that can double your results, relieve your stress, and cause team morale to soar. Attract and retain the very best talent. Deal with difficult people problems in an objective and kind way. Overcome the

reluctance we all share to confront under performers. Permanently solve the problems causing most of your stress.

The Writer's Hustle - Joey Franklin 2022-11-03

The Writer's Hustle is a comprehensive guide to all the things successful writers do when they're not sitting at the keyboard. Drawing on wisdom from dozens of experienced authors, professors, students, and other writing professionals, this book offers pragmatic and systematic advice on the everyday professional practices that make up a writer's life. In ten chapters, Franklin covers

the full arc of a writer's professional development, from setting goals and establishing a routine, to mastering writing groups and workshops, earning a mentor, and becoming a literary citizen. He explores strategies for attending conferences, finishing projects, submitting work, and maintaining a life-long writing habit, and he examines the potential benefits of a formal creative writing education, including a close look at how creative writing students can leverage their liberal arts training into a wide range of careers. Informative and personal, The Writer's Hustle is an ideal companion for university students, recent graduates, and independent enthusiasts-anyone looking to cultivate the creativity, discipline, humility, and grit that every writer needs to flourish.

The Granite House - Audrey Morris 2013-03-13

A family saga set in Cornwall in the mid to late 1800's.

The Actresses - Barbara Ewing 2018-01-01

They all met again at the Drama School Reunion: the Hollywood celebrity, the out-of-work soap star, the understudy, the Shakespearian hero.

Thirty-six years ago, they dreamed of the great parts awaiting them. What they did not know was that the parts would soon dry up, for the actresses. Because they had stopped being young. But: once an actress, always an actress and on this hot, summer's day it becomes clear that age does not wipe out ambition. Or desire. Or memory. Or love. So when the Reunion culminates in an accusation of rape that dominates every newspaper in the country, the past - sweet, cruel, tragic - comes flooding back, and the actresses become the stars of the story. Perceptive, shocking, gripping and wise, this could only have been written by somebody who has been there.

[How to Make \\$100,000 Per Year Selling Online Courses](#) - Jim Wilcox 2020-05-14

Topics covered: Tools of the Trade Choosing Your Topic Quick & Easy Outlining Where to Sell Your Course Maximize Your Income

Your HR Goldmine - Alan Collins 2011-10-01
Frustrated by your HR day job, but can't afford to quit? Discover how you can make more money on the side, create a profoundly more meaningful HR career for yourself...and become a powerful difference in other people's lives. How? By simply sharing what you already know about Human Resources. In this pull-no-

punches, tell-all book, Alan Collins takes you by the hand and reveals step-by-step how to quickly and easily package, promote and cash in on your HR know-how and advice, without leaving your day job in Human Resources. You don't have to be a corporate HR executive or a highly-paid consultant to do this because it doesn't matter how much (or how little) Human Resources experience you have. If you can document and organize your HR ideas, perspectives and point-of-view into tiny, little written reports, this book shows you how you can profit BIG. Within these pages, you'll discover how to capitalize on the fact that: * The know-how, skills or experience that you've already acquired in your HR day job is a goldmine...and one that you can turn into extra income. * The key to cashing in on your human resources expertise and knowledge lies in being able to "package" it up FAST...and in a way that others can EASILY access it, benefit from it and pay you for it. * Once you've gotten paid the first time, you can repeat this process

over and over again to literally build a second income empire. * You can do all this a few hours a week on evenings or weekends. Just simply follow the 7-day step-by-step plan laid out in this book. There's nothing for you to figure out on your own. If you have a computer with internet access, and a few hours a week, you've got everything you need to get started. If you're looking for a practical, doable way to monetize your HR know-how, talents and gifts and get them out into the world, where they can be recognized, appreciated and truly make a difference...well, you've now found it!

[Explorer's Guide Lake Tahoe & Reno](#) - Jim Moore 2008-10-17

Stress Education for College Students -

James H. Humphrey 2003

Stress can affect anyone regardless of age, sex,
creed, or race. It can rear its head anywhere and
anytime, and it has likely been a fact of life since
prehistoric days. While stress is obviously a
concern of all, it has particular resonance among
college students, from freshmen experiencing

their first separation from home to seniors having to find that first job. In addition, students have to face other worries like time constraints, grades, and financial woes. Stress also can afflict an entire group, as witnessed by the September 11, 2001 terrorist attacks. With stress such an indisputable part of life, it is of critical importance for individuals to learn to cope with it. This book is geared towards college courses in stress management, which have been found to reduce the symptoms of stress and raise self-esteem among students. College students will find it especially helpful to learn how to cope with stress at a young age, so as to be ready to face life in the real world.

Throughout the book are helpful and varied techniques for dealing with stress, along with principles of living that most people can use in daily life. Examples of these principles include continuous self-

Christian and Entrepreneur - Tiffany Buckner
It's time to mind your own business...your

Christian business that is. Christian and Entrepreneur: The Goal-Mind to GOD'S Goldmine is a power self-help guide to building, structuring, and running your own successful Christian business. Learn how to think, act, and operate as a success. In this powerful guide, you will discover the secrets to creating a successful empire from the comfort of your own home. You will learn why more than 80% of Christian businesses fail, and you will learn how to not be a part of that statistic. Your mind is the most powerful tool you have. With wisdom, knowledge, and understanding; you can unlock the success that GOD has already instilled on the inside of you. Learn how to avoid the common mistakes that claim the keys of so many Christian businesses. This book will definitely change your mind!

The 2-Hour Job Search, Second Edition - Steve Dalton 2020-04-21

Use the latest technology to target potential employers and secure the first interview--no

matter your experience, education, or network--with these revised and updated tools and recommendations. "The most practical, stress-free guide ever written for finding a white-collar job."—Dan Heath, coauthor of *Switch* and *Made to Stick* Technology has changed not only the way we do business, but also the way we look for work. The 2-Hour Job Search rejects laundry lists of conventional wisdom in favor of a streamlined job search approach that produces results quickly and efficiently. In three steps, creator Steve Dalton shows you how to select, prioritize, and make contact with potential employers so you can land that critical first interview. In this revised second edition, you'll find updated advice on how to efficiently surf online job postings, how to reach out to contacts at your dream workplace and when to follow up, and advice on using LinkedIn, Indeed, and Google to your best advantage. Dalton incorporates ideas from leading thinkers in behavioral economics, psychology, and game

theory, as well as success stories from readers of the first edition. The 2-Hour Job Search method has proven so successful that it has been shared at schools across the globe and is a formal part of the curriculum for all first-year MBAs at Duke University. With this book, you'll learn how to make it work for you too.

The Million Dollar Secret Hidden in Your Mind (Condensed Classics) - Anthony Norvell
2018-10-01

This lost classic of motivational thinking reveals the simple but profound secrets to self-mastery, a magnetic personality, and attaining your dreams—all in the space of an hour. *The Million Dollar Secret Hidden in Your Mind* is one of the most extraordinary books of mental mastery ever written—yet it has been largely forgotten

since it first appeared in 1963. Now, acclaimed historian and New Thought writer Mitch Horowitz brings this powerful guidebook to a new generation. This special condensed edition includes Mitch's new introduction, which directs you to the book's most powerful secrets. In less than an hour of reading, this compact, dynamic volume explodes old ways of thinking and shows you:

- How to win the aid of important people.
- How to make your personality instantly attractive.
- The best strategies for using your mind's visualizing powers for success.
- How to benefit from the secrets of great achievers throughout history.
- How to heighten and use the tools of your subconscious.
- How to identify who in life will help you and who will hinder you in your striving toward success.
- Simple methods to tap the creative powers of Universal Creative Intelligence.
- How to improve your thinking, appearance, and charisma.

Special Ops - Leo Nix 2022-02-09

While on holiday in beautiful Western Australia,

U.S. Ranger and Staff Sergeant Ben 'Obi-Wan' Kennedy leads his group of special ops through a series of dangerous adventures on their return to home base, Pine Gap Secret Intelligence Facility. The dedicated and self-sacrificing team joins a team of Western Australian Police who have arrested two Revelationist spies, but the terrorists want them back - dead or alive. Their escape takes them on a journey to assist a small country township infiltrated by terrorists - but in rescuing the community, they suffer heavy casualties. The fifth novel in Leo Nix's Sundown Apocalypse series, Special Ops is a story of betrayal, subterfuge, friendship and love, set against a backdrop of survival in the rugged Australian desert.
