Joel, Obadiah, Malachi - David W. Baker
2009-05-26

These three short prophetic books of the Old Testament each contain a dual message. On one hand are messages of impending judgment—for all peoples on the Day of the Lord, for an enemy of Israel, and for Israel herself. On the other hand are messages of great hope—of the pouring out of God’s Spirit, of restoration and renewal, and of a coming Messiah. Placing judgment and hope together in such a manner may seem paradoxical to a contemporary mindset. But the complete message of these prophets gives a fuller picture of God—who despises and rightly judges sin and rebellion, but who also lovingly invites people to return to him so that he might bestow his wonderful grace and blessings. It is a message no less timely today than when these books were first written, and David W. Baker skillfully bridges the centuries in helping believers today understand and apply it. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don’t discuss its contemporary application. The information they offer is valuable—but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into our postmodern context. It explains not only what

the Bible meant but also how it speaks powerfully today.

In the wake of two magisterial commentaries on first the Gospel of Matthew and then the Gospel of John, noted theologian and exegete Frederick Dale Bruner turns his scholarly attentions to Paul's letter to the Romans. In this concise commentary, he relays his findings on what he calls the "Fifth Gospel" and its central claim that "through the Father's love, Jesus's passion, and the Spirit's application of this passionate love, human beings can have a perfectly right relationship with God--by simple faith in His Christ." As he did in his commentaries on Matthew and John, Bruner engages historical interpreters of Romans from Origen to Cranfield--including Augustine, Chrysostom, Aquinas, Luther, and Calvin--while offering his own lucid translation of the text and relevant pastoral applications. Bruner also engages with other contemporary interpreters who "have spent much of their scholarly lives mining the gold down deep" in Romans, as he humbly admits that his "conversation with Paul's texts is almost as often a conversation with these fellow miners, who have given their lives to understanding exactly what Paul said and meant in his deep sentences." The result is a holistic understanding of the book of Romans informed not only by one scholar's lifetime of ministry, teaching, and learning, but also by the full depth and breadth of church tradition.

James - David P. Nystrom 1997

Straight to the point, practical, affirming, convicting---that's the book of James. In it, we see a picture of early Christians wrestling to apply the teachings of Jesus to their everyday lives. And we see a community plagued by divisiveness and hypocrisy, with an emphasis on wealth and status. James pulls no punches addressing these issues, calling for a faith that shows itself in moral actions: in speech, in

interpersonal relationships, in economic and social justice. He also lays out a theology of the redemptive value of suffering. In our day when the behavior and attitudes of professed Christians are often not much different from the surrounding culture, in our society of great wealth, and in our culture that abhors suffering, the challenging message of James is greatly needed. Exploring the links between the Bible and our own times, David Nystrom shares perspectives on the book of James that reveal its enduring relevance for our twenty-first-century lives. This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation. Billy Graham The NIV Application Commentary dares to go where few scholars have gone before---into the real world of biblical application faced by pastors and teachers every day. This is everything a good commentary should be. Leith Anderson Pastor, Wooddale Church Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. Romans - Douglas J. Moo 2000

Our culture does not encourage thoughtful reflection on truth. Yet living the gospel in a postmodern culture demands that Christians

understand and internalize the truth about God and his plan for the world. Paul's letter to the Romans remains one of the most important expressions of Christian truth ever written. Its message forces us to evaluate who we are, who God is, and what our place in this world ought to be. Going beyond the usual commentary, this volume brings the meaning of Paul's great letter into the twenty-first century. Douglas Moo comments on the text and then explores issues in Paul's culture and in ours that help us understand the ultimate meaning of each paragraph. A final section suggests ways in which the eternal theology of Romans can be understood and lived out in our modern culture. *Encountering the Book of Romans* - Douglas J. Moo 2014-07-15

Wilkins 2009-05-26

The importance of the Gospel of Matthew in church history cannot be overstated. For Jewish readers, it affirmed the Messiahship of Jesus, referring consistently to the Scriptures to establish his credentials. For Gentile disciples, it provided powerful and dramatic support of their inclusion in God's kingdom. The cross of Christ had removed the division between Jew and non-Jew, and through Matthew's writings, we see Israel's God drawing the entire world to himself through Jesus. "The Gospel according to Matthew . . . Was the most widely read and frequently used of any of the four Gospels in the formative years of the church," writes Michael Wilkins. In this volume of the NIV Application Commentary, Wilkins explains Matthew's broad

appeal not only to his ancient readers, but also to us today. Exploring the links between the Bible and our own times, Wilkins shares perspectives on Matthew's Gospel that reveal its enduring relevance for our twenty-first-century lives. Without it, we've missed the point of the Bible. The NIV Application Commentary is an outstanding resource for pastors and anyone else who is serious about developing 'doers of the Word.'" The Purpose of Romans - L. Ann Jervis
1991-01-01

This book analyses the structure and content of the four epistolary sections of a Pauline letter most directly related to the question of purpose: the opening formula, the thanksgiving, the apostolic 'Parousia' and the conclusion. Jervis proposes that while the concerns of the letter involve Paul's missionary plans and his desire to establish himself as the Roman Christians'

leader in the faith, the primary function of Romans is for Paul to make available to Christians at Rome the good news in all of its power. Romans is written to fulfil Paul's mandate to establish and nurture his Roman readers in a life of faith marked by obedience and holiness to preach the gospel to them.

The Letter to the Romans - Douglas J. Moo 2018-11-26

For more than twenty years Douglas Moo's NICNT volume on Romans has been providing pastors, students, and scholars with profound insight into Paul's most famous letter. In this thorough revision of his commentary, Moo deals with issues that have come into prominence since the first edition (1996), incorporating the latest research and rewriting the text throughout for better comprehension.

Exegetically astute and theologically minded, Moo interacts critically with the new perspective on Paul, highlights the emphasis in Romans on "practical divinity," and traces the theme of the gospel throughout the letter. His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers.

2 Peter, Jude - Douglas J. Moo 2011-02-22

The apostles Peter and Jude wouldn't have made good postmodernists. They insist that there is such a thing as absolute, non-negotiable truth, as well as error and deception. They speak of false doctrines and those who teach them as if they actually believe that eternity hangs in the balance and that God, far from shrugging his shoulders like a good relativist, takes the matters of truth and spiritual authority very seriously. Today the fiery, unapologetic language of 2 Peter and Jude can open our eyes to stark spiritual realities. Like few other apostolic writings, these two letters shake us awake to the vital necessity of embracing the true gospel and transmitting it undistorted. The message is as countercultural as possible, and profoundly timely.
