Spoken English Learned Quickly - Lynn Lundquist 2002-01-01

Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb. SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study - all students use the same course, and are immediately immersed in normal, spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses.

Farewell Song (Modern Classics) - Rabindranath Tagore 2011-05

Rabindranath Tagore reinvented the Bengali novel with Farewell Song, blurring the lines between prose and poetry and creating an effervescent blend of romance and satire. Through Amit and Labanya and a brilliantly etched social milieu, the novel addresses contemporary debates about 'good' and 'bad' writing, the nature of love and conjugality, and the

influence of Western culture on Bengali society. Set against the idyllic backdrop of Shillong and the mannered world of elite Calcutta society, this sparkling novel expresses the complex vision and the mastery of style that characterized Tagore's later works. Tagore was not only an immensely versatile poet; he was also a great short story writer, novelist, playwright, essayist, and composer of songs Amartya Sen

I believe in keeping things simple whenever possible, so I'm going to keep this introduction short, so you can focus on the important things. This master plan is simple. Follow it, and you will increase your speaking band score. In this book, you have the tools you need to increase your speaking score to 8.5 by improving your vocabulary, grammar and coherence. I have not included pronunciation guides in the book, as I know that pronunciation comes from hearing English, absorbing the sounds and then practising them. No book can provide this for you unfortunately, and any books that promise to do this are not telling you the truth. The IELTS speaking test is exactly the same for both IELTS Academic and for IELTS general. It lasts for 11 to 14 minutes and consists of three parts. Part one of the IELTS speaking test is basically an introduction for you as the candidate and for the examiner. It gives you both an opportunity to get comfortable and gives the examiner an initial general idea of your level of English. There's no need to feel nervous here. I know that it's very difficult not to feel a little bit nervous but try to think of this as a friendly informal chat with a friend or an acquaintance. The examiner wants you to succeed in the IELTS test, and if you can show your personality and feel relaxed enough to show the examiner your level of English you will succeed.
