Mess - Keri Smith 2010-09-07

From the internationally bestselling creator of Wreck This Journal, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the "real world." There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no "wrong.") 3. Continue under all circumstances. It's time to make a mess.

Losing Earth - Nathaniel Rich 2020-03-05

By 1979, we knew all that we know now about the science of climate change - what was happening, why it was happening, and how to stop it. Over the next ten years, we had the very real opportunity to stop it. Obviously, we failed. Nathaniel Rich's groundbreaking account of that failure - and how tantalizingly close we came to signing binding treaties that would have saved us all before the fossil fuels industry and politicians committed to anti-scientific denialism - is already a journalistic blockbuster, a full issue of the *New York Times Magazine* that has earned favorable comparisons to Rachel Carson's *Silent Spring* and John Hersey's *Hiroshima*. Rich has become an instant, in-demand expert and speaker. A major movie deal is already in place. It is the story, perhaps, that can shift the conversation. In the book *Losing Earth*, Rich is able to provide more of the context for what did - and didn't - happen in the 1980s and, more important, is able to carry the story fully into the present day and wrestle with what those past failures mean for us in 2019. It is not just an agonizing revelation of historical missed opportunities, but a clear-eyed and eloquent assessment of how we got to now, and what we can and must do before it's truly too late.

Anti Journal - David Sinden 2016-07-14

Anti Journal is no ordinary journal, it's an anarchic, therapeutic route to personal and artistic discovery packed with partially illustrated pages to complete in imaginative unconventional ways. For all ages, bedroom journalers, total novices or professional artists, *Anti Journal* is sheer creative bliss and the catalyst for discovering your own twist: create, pattern, draw, paint, disguise, stain, collage, construct, colour, stitch, sketch, write, tape, document and discover talents you never knew you had. Create beyond the norm: use paint, pens, pencils, chalk, but how about old clothes, fruit peel, cellphones, emotions, highlighters, digital media, physical actions, junk, photography and nature too? *Anti Journal* knows no boundaries or rules. It's the personal tool for expression and will stir your imagination out of even the deepest slumber. No matter where you go, just carry your handy-sized *Anti Journal* in your bag and

live a more creative life. It's therapeutic, joyous and expressive - its journaling outside of the box.

The Line - Keri Smith 2017-10

A deceptively simple adventure into the unknown using only paper, a pencil and a single line Wreck This Journal had a simple premise: destroy the book in all the ways you can imagine. The Line is even simpler: find pencil, start a line. As you move through the pages of Keri Smith's newest book, you'll be asked to let your line meander, explore the book's gutter, and jump around the edges of the pages. You'll hide your line, cut your line and even let someone else take over your line for a bit. The farther you get into the book, however, the more you'll discover that maybe things aren't as simple as they first seemed. The line has a mind of its own, and it's up to you to discover what's at the end of the line (hint: it's just the beginning).

The Line - Keri Smith 2017-10-03

Feeling stuck creatively, or just missing your spark? Try The Line—perfect for creators, or anyone looking for an adventure From the revolutionary mind of Wreck This Journal author Keri Smith comes an encouraging guide to discovering and trusting your inner voice, all through the guise of making a simple line. As you move through the pages of this book, you'll be asked to start a line, and then to take it through a series of increasingly interesting and meaningful adventures, from letting your line meander or jump around the pages, to using it to help you explore your past, make decisions, and discover the good in your world. A deceptively simple journey, you'll discover that with your one original line, you have the power to transform the world. "Keri Smith may well be the self-help guru this DIY generation deserves." —The Believer

Romola - George Eliot 1874

Romola, one of the best-known novels by George Eliot (C. P. P.), was

originally published in 1863. The scene is in Florence, Italy, at the end of the fifteenth century. Roinola, the heroine, a daughter of the Italian family of Bardi, marries Tito Melema, a Greek, but the marriage proves a failure, and she sacrifices herself in devotion to the people during the plague. A marvellously able story of the revival of the taste and beauty and freedom of Hellenic manners and letters, under Lorenzo di Medici and the scholars of his Court, side by side with the revival of Roman virtue, and more than the ancient austerity and piety, under the great Dominican, Savonarola. The period of history is one which of all others may well have engrossing interest for George Eliot. Treasures of learning and discipline, amassed for mankind ages before, for ages stored and hidden away, see again the sun, are recognized and put to use. What use they will be put to, with what new and fruitful effects on the State and the citizen, with what momentary and with what lasting consequences, this she strives to discover ; this she follows through the public history of Italy during the modern invasion of Charles VIII., and the events which succeed his invasion, and through the private fortunes of her admirably chosen group of characters, some of them drawn from life, all of them true to nature.

The Encyclopaedia Britannica - 2020-12-15

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. The Wander Society - Keri Smith 2016-03-29

From the internationally bestselling creator of Wreck This Journal... wan-der verb \ˈwän-dər\ to walk/explore/amble in an unplanned or aimless way with a complete openness to the unknown Several years ago when Keri Smith, bestselling author of Wreck This Journal, discovered cryptic handwritten notations in a worn copy of Walt Whitman's Leaves of Grass, her interest was piqued. Little did she know at the time that those simple markings would become the basis of a years-long, life-changing exploration into a mysterious group known only as The Wander Society, as well as the subject of this book. Within these pages, you'll find the results of Smith's research: A guide to the Wander Society, a secretive group that holds up the act of wandering, or unplanned exploring, as a way of life. You'll learn about the group's mysterious origins, meet fellow wanderers through time, discover how wandering feeds the creative mind, and learn how to best practice the art of wandering, should you choose to accept the mission.

Wreck This Picture Book - Keri Smith 2020-11-03

An Indie Next List Selection Keri Smith, creator of the mega-bestselling Wreck This Journal, now brings her imagination and inspiration to children with this picture book that explores the very active experience of reading. What if there were a book that changed every time you read it? Actually, every book does this. We are all part of the books we read, because our individual reactions, ideas, and emotions make the book whole, and these things are changing all the time. Keri Smith has helped millions of people free their creativity and find their own voice with her interactive books, and now she brings that sensibility to children and to the act of reading. This picture book is an invitation to honor your own vision and to welcome imperfection. Kids will discover that reading can engage all five senses, and that what they themselves bring to a book is an important contribution. (And of course they'll be invited to do a bit of harmless "wrecking"!)

For All those looking a great detail of the product please continue reading What is the purpose of this journal? In this world full of anxiety, stress, depression people forget to smile and that's the exact reason to create this journal, we want people to smile and be happy. We created this journal to do all those things which the world will tell you not to do, Things like - throwing this journal out of the window, frying it in the pan, crumbling it into pieces, beating it with a stick - just for the sake of that little moment of happiness. Believe it or not we all enjoy destroying things and that's the principle behind this journal. How to use this journal? First of all, think of it as your greatest enemy or the person you dislike most and want to beat them badly. Now start with very first activity like in this journal the activity is "Crumble this page" so you have to cut that page and then tear it into small pieces. Don't just tear it, think of it as your enemy and you're tearing them apart and believe me you'll feel the pleasure you have never felt in your life. Remember always use this negative power with this journal not in the real world. Whenever you feel bored or unhappy again, open this journal and move to next activity. For whom this will be a perfect fit? As everyone enjoys destroying things and destroying this journal has no real effects so this will be a perfect fit for everyone who wants to be happy and enjoy the life. ! click BUY NOW button to order now ! Please note that this journal has nothing to do with KERI SMITH

and if you're looking to buy one of his journals, this is not the product.

This Is Not a Book - Keri Smith 2009-09-01

From the internationally bestselling creator of *Wreck This Journal*, a curious, engaging, and creative rethinking of all the different things a book can be. In this uniquely skewed look at the purpose and function of a "book", Keri Smith offers an illustrated guide that challenges readers to creatively examine all the different ways *This Is Not a Book* can be used. With intriguing prompts, readers will discover that the book can be: A secret message—tear out a page, write a note on it for a stranger, and leave it in a public place. A recording device—have everyone you contact today write their name in the book. An instrument—create as many sounds as you can using the book, like flipping the pages fast or slapping the cover. *This Is Not a Book* forces you to ask, "If it's not a book, what is it then?"—with a kaleidoscope of possible answers.

Dear Data - Giorgia Lupi 2016-09-13

Equal parts mail art, data visualization, and affectionate correspondence, *Dear Data* celebrates "the infinitesimal, incomplete, imperfect, yet exquisitely human details of life," in the words of Maria Popova (*Brain Pickings*), who introduces this charming and graphically powerful book. For one year, Giorgia Lupi, an Italian living in New York, and Stefanie Posavec, an American in London, mapped the particulars of their daily lives as a series of hand-drawn postcards they exchanged via mail weekly—small portraits as full of emotion as they are data, both mundane and magical. *Dear Data* reproduces in pinpoint detail the full year's set of cards, front and back, providing a remarkable portrait of two artists

connected by their attention to the details of their lives—including complaints, distractions, phone addictions, physical contact, and desires. These details illuminate the lives of two remarkable young women and also inspire us to map our own lives, including specific suggestions on what data to draw and how. A captivating and unique book for designers, artists, correspondents, friends, and lovers everywhere.

Avalon - Nell Zink 2022-05-24

A profound and singular story about a young woman searching for her place in the world, from one of America's most original voices—the irresistible story of one teenager's reckoning with society at large and her search for a personal utopia. Bran's Southern California upbringing is anything but traditional. After her mother joins a Buddhist colony, Bran is raised by her "common-law stepfather" on Bourdon Farms—a plant nursery that doubles as a cover for a biker gang. She spends her days tending plants, slogging through high school, and imagining what life could be if she had been born to a different family. And then she meets Peter, a beautiful, troubled, and charming train wreck of a college student from the East Coast, who launches his teaching career by initiating her into the world of literature and aesthetics. As the two begin a volatile and ostensibly doomed long-distance relationship, Bran searches for meaning in her own surroundings—attending disastrous dance recitals, house-sitting for strangers, and writing scripts for student films. She knows how to survive, but her happiness depends on learning to call the shots. Exceedingly rich, ecstatically dark, and delivered with masterful humor, *Avalon* is a poignant portrait of a young woman who, against all odds, is determined to find her place in the world and find clarity in its remote corners.

Johnny Carson - Henry Bushkin 2013

An unreserved and incisive account of the career and personal life of the "King of Late Night" at the height of his fame and influence is shared from the perspective of his lawyer, wingman, fixer, and closest confidant.

A Playful Path - Bernard De Koven 2013-12-18

A Playful Path, the new book by games guru and fun theorist Bernard De Koven, serves as a collection of ideas and tools to help us bring our playfulness back into the open. When we find ourselves forgetting the life of the game or the game of life, the joy of form or the content, the play of brain or mind, body or spirit, this book can help us return to that which our soul is heir.

Wreck this journal everywhere / druk 1 - Keri Smith 2014-10-04

IMAGINARY WORLD - SANMEET K SETHI 2021-12-25

"THE IMAGINARY WORLD" is all about love and life. Everyone has experienced betrayal in their life but not everyone has seen true love... it's not easy. This book brings many writers together to show how love feels, with society issues in their way. I am very grateful to have so many amazing writers by my side, and I would like to thank each and every person present in this book and also those who aren't. My Parents for supporting me in this and my best friend Jeet Kakkar for making me strong enough and believing in me that I can do this, I love you. Lastly, A big Thank you to TOC for this opportunity and Somya Dii our project head for holding my hand the whole time, it wouldn't have been possible without you. Make the world a better place With your smile... Live life with no regrets Love life with no debts. ~ Sanmeet K Sethi

Everything Is Connected - Keri Smith 2013-10-01

From the internationally bestselling creator of *Wreck This Journal* comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With *Everything Is Connected*, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.
