Join Yonggi Cho and Wayde Goodall in *Prayer*, the story of Pastor Cho's personal life and successful ministry. Readers will: understand the different types of prayer, value the importance of prayer, learn why, how, and when to pray, cultivate a lifestyle of prayer, and receive new revelations of how to listen to the Holy Spirit. Hear the secrets God desires to share with you and be immersed in His profound love.

Ministering to the Lord - Roxanne Brant 2000-05-01

Maximize Your Effectiveness One of the main reasons today's Christians suffer "power failure" is that we have neglected to personally minister to the Lord. As a result, we have not been able to tap into the fullness of God's power and strength. Can you love the Lord too much? Can you spend too much time with Him? Absolutely not! You will maximize your effectiveness in ministering to others as you first experience the daily power of His presence. Roxanne Brant shares the keys to overcoming your own

limitations in ministry so you may tap into the unlimited power of God. "In thy presence is fulness of joy." —Psalm 16:11

To the Ends of the Earth - Allan Anderson 2013-02-21

No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the

soul of the continent, and some of the largest pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an "ends of the earth" movement--pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa, Pentecostalism's incredible diversity due to its deep local roots, and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the "health and wealth" gospel, and he explores the increasing involvement of pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the "born-again" experience, incessant evangelism, healing and deliverance, cultural flexibility, a place-to-feel-at-home, religious continuity, an egalitarian community, and meeting material needs--all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide.

Holiness and Pentecostal Movements - David Bundy 2022-03-04

Since the 1830s, Holiness and Pentecostal movements have had a significant influence on many Christian churches, and they have been a central force in producing what is known today as World Christianity. This book demonstrates the advantages of analyzing them in relation to one another. The Salvation Army, the Church of the Nazarene, the Wesleyan Church, and the Free Methodist Church identify strongly with the Holiness Movement. The Assemblies of God and the Pentecostal Assemblies of the World identify just as strongly with the Pentecostal Movement. Complicating matters, denominations such as the Church of God (Cleveland), the International

Holiness Pentecostal Church, and the Church of God in Christ have harmonized Holiness and Pentecostalism. This book, the first in the new series Studies in the Holiness and Pentecostal Movements, examines these complex relationships in a multidisciplinary fashion. Building on previous scholarship, the contributors provide new ways of understanding the relationships, influences, and circulation of ideas among these movements in the United States, the United Kingdom, India, and Southeast and East Asia. In addition to the editors, the contributors are Kimberly Ervin Alexander, Insik Choi, Robert A. Danielson, Chris E. W. Green, Henry H. Knight III, Frank D. Macchia, Luther Oconer, Cheryl J. Sanders, and Daniel Woods.
