Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from *Someone to Watch*

Over Me by Lisa Kleypas...that doctor could sit by my bedside if I ever got sick. And Ned Blydon in Splendid by Julia Quinn...he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until Simon of Ravenswood in Master of Desire by Kinley MacGregor came along. Anyway, I just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan

Husband and Wife - Zeruya Shalev 2007-12-01

From the Israeli author of *Love Life*: “a highly

polished and . . . beautifully written story that carries great weights of meaning” (Kirkus Reviews). Zeruya Shalev achieved international literary stardom with her novel *Love Life*, which *The Washington Post Book World* called “a brutally honest and often brilliant tour of individual and family psychology.” In *Husband and Wife*, she takes us into the heartbreak and compromise of a diseased marriage that may or may not be capable of healing. Na’ama and Udi Newman, together with their young daughter Noga, lead a quiet domestic life. But their idyll abruptly ends when Udi—a perfectly healthy man—wakes up one morning unable to move his legs. The doctors can find no physical explanation for his paralysis. It appears to be a symptom, not of illness, but of something far more insidious. This mysterious disruption soon reveals a vicious cycle of jealousy, paranoia, resentment, and accumulated injuries that now threaten to tear their small family apart. In a rush of hallucinogenic imagery, *Husband and*

*Wife* captures the vulnerability and deceptive comforts of lives intertwined, offering “an acutely intimate portrait of a relationship” (Donna Rifkind, *The Baltimore Sun*). “Nearly impossible to look away from.” —*Elle Flower* - Elizabeth Craft 2017-01-03

These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know. Like why he left music. Where he goes when we're not together. What

dark past he's hiding. But when we kiss, the future feels far away. And now...I'm not sure what I want.

**The Witness** - Nora Roberts 2013-04-02  
In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better "when it comes to flawlessly fusing high-stakes suspense with red-hot romance" (Booklist, starred review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man's seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and

an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

**The Devil's Own** - Sandra Brown 2017-11-02  
Of the lot, this man was still her best bet. He not only looked the most inebriated, but the most disreputable - lean and hungry and totally without principle. Once he was sober, he would no doubt be easy to buy. "Sister" Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a

man, more particularly a mercenary. Linc O'Neal wasn't the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry's promised fifty thousand dollars—in addition to her body—which she provocatively advertised in order to trick him, then withheld. With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.

*Honor Bound* - Sandra Brown 2018-01-02

“My name is Lucas Greywolf.” A raspy voice, as soft and sandy as the wind that blew across the desert, spoke directly into her ear. It was a gentle sound, but Aislinn wasn’t deceived. Like the winds it reminded her of, it could be whipped into a fury. . . Aislinn Andrews knows his name because his escape from prison has prompted a statewide manhunt. As lean and menacing as a panther, the fugitive invades her house, her bed, and then takes her as his hostage. Overnight, Aislinn’s safe and predictable life is upended by a man considered criminal and dangerous. However, his greatest threat to Aislinn isn’t the knife he wields, but his untame appeal. All his life, Lucas Greywolf has harbored a bitter grudge against Anglos, resenting even that half of his heritage. Years

spent in prison for a crime he didn’t commit hasn’t quelled his fighting spirit, but only fanned it. After escaping, he comes face-to-face with blond, blue-eyed Aislinn Andrews, the epitome of everything he hates. Yet he must have her. Now the war Lucas wages is personal, and his fiercest enemy is his longing for the wrong woman. Two people. Two worlds. One shared moment of incandescent passion...when nothing else mattered. But can that unifying instant withstand everything that divides them, when the largest obstacle they face is the most difficult to overcome? Pride.
